Tenth St., Harrisburg, Pa., would sleep but two or three hours in the early part of the night, which made it very hard for her parents. Her mother concluded that the child had stomach trouble, and gave her half of one of Chamberlain's Stomach and Liver Tablets, which quieted her stomach and she slept the whole night throught. Two boxes of these Tablets have effected a permanent cure and she is now well and strong. For sale by J. P. Lamb & Son.

DECEMBER NUMBER

NEW IDEA WOMAN'S MAGAZINE

Have you ever asked yourself, in your quiever moments, "What was the happiest day of my life?" A group of clever and celebrated women have formed a symposium for the December number of the New Idea Women's Magazine and have given their several experiences during the the one happiest day of their lives, and the result is exceedingly interesting. This issue is the Christmas number, and the spirit of the holiday season prevails in its pages. An English Author Wrote

"No shade, no shine, no fruit, no flowers, no leaves,—November!" Many Americans would add no freedom from catarrh, which is so aggravated during this month that it becomes constantly troublesome. There is abundant proof that catarrh is a constitutional disease. It is related to scrofula and consumption, being one of the wasting diseases. Hood's Sarsaparilla has shown that what is capable of eradicating scrofula, completely cures catarrh and taken in time prevents consumption. We cannot see how any suffer can put off taking this medicine, in view of the widely published record of its radical and permanent cures. It is undoubtedly America's Greatest Medicine for America's Greatest Disease—Catarrh.

A Timely Suggestion

This is the season of the year when prudent and careful housewife replenishes her supply of Chamberlain's Cough Remedy. It is certain to be needed before the winter is over, and results are much more prompt and satisfactory when it is kept at hand and given as soon as the cold is contracted and before it has become settled in the system. In almost every instance a severe cold may be warded off by taking this remedy freely as soon as the first indication of the cold appears. There is no danger in giving it to children for it contains no harmful substance. It is pleasant to take—both adults and children like it. Buy it and you will get the best. It always cures. For sale by J. P. Lamb & Son.
