TO GIVE UP WEI-HAI-WEI

Chinese Regiment England Organized There Has Been Disbanded.

Shanghai, May 4.—The Chinese regiment at Wei-Hai-Wei, which was organized by the British Government and was officered by British has been disbanded, and its commanding officer, Major H. Bower, left for England April 28. Great Britain has no garrison there now. It is reported that it will return the port to China.

By agreement with China, April 2, 1898, England was to hold Wei-Hai-Wei as long as Russia should hold Port Arthur. The Chinese regiment did good service during the Boxer rebellion.

A Bodyless Grave.

Stratford, May 3.—As a result of the finding of a new-made grave, for which there is no record, at the Presbyterian Cemetery, Eldonbank, six miles from St. Marys, investigation was ordered by Crown Attorney McPherson, and a big sensation was caused at Avonbank for a time.

The mystery has been cleared up, however.

Investigation was made today, when it was found that the grave contained no body, as was at first thought.

It is not known who dug the grave. High Constable McCarthy was at Avonbank and had an investigation made, on instructions of Crown Attorney McPherson.

CHAOS REIGNS AT ZION CITY

Dowie at Point of Death, Many Citizens Starving and Hundreds Desert City.

Chicago, May 3.—Disintegration threatens Zion City. Hunger stalks through the streets of the city John Alexander Dowie built. This condition of affairs was emphasized today by the exodus of 48 persons, who bade Zion good-bye forever.

Those who can raise sufficient money for the transportation are shaking the dust of Zion from their feet, hoping to make up for lost time in surrounding cities.

Since the outbreak of hostilities between the dethroned "prophet" and Voliva, fully 300 persons have transferred their belongings to other cities. In the poorer sections of Zion City the tales of distress are pitiful.

Families are said to be living on potatoes and dry bread, with weak tea or coffee once a day.

Dowie is said to be near death. In his room at Shiloh House, Zion City, he is surrounded by a few of his faithful followers. Special prayers for the healing of the "first apostle" have been substituted for the usual daily business programme in some quarters.

Friends and attendants of Dowie deny that his mental or physical condition has caused them to halt in their fight for control of Zion City, but it is believed by those who are in close touch with him that his death is a matter of only a short time.

Gladstone Dowie said: 'My father does not improve in health, and I don't think he ever will recover.

Mrs. Dowie was seen at midnight last night rushing out of Shiloh House.

She ran to the house of Deacon Ely, near by, and passed the night there.

One story told was that she had been denied admittance to Dowie's room by nurses attending him.

HON. PETER WHITE DEAD

Former Speaker of Commons Passes Away at Clifton Springs.

Pembroke, Ont., May 3.—Hon. Peter White, M. P., of Pembroke, died at Clifton Springs, N. Y., this morning.

Ottawa, May 3.—Panegyrics were pronounced in the House this afternoon upon Hon. Peter White, by the leaders on both sides.

Pointing to the massive wreath of flowers lying upon the late member's desk, Sir Wilfrid Laurier said: "A more respectable, able and honorable member never sat in this House."

Referring to the late member's incumbency of the office of Speaker between 1891 and 1896, the Prime Minister declared: "It is my pleasure to say that after an experience of more than 30 years, after having sat under the presidency of some of the ablest men who ever adorned that chair, Mr. White was certainly the peer of any. For dignity, for courtesy, for firmness, for impartiality, he never had a superior."

Sir Wilfrid gave an instance of Mr. White's impartiality and moral courage as speaker. Having made a ruling against the then leader of the Opposition, and being shown his mistake, the late Mr. White at the next session reversed his decision.

On behalf of the Opposition Mr. Borden thanked Sir Wilfrid for his kind words of sympathy. He added: "I had the pleasure of calling upon him twice before his departure for Clifton Springs, and I was much impressed by the change in his appearance. I was also impressed with the singular courage and fortitude with which he was bearing up against the illness which even then was hurrying him to an early death. I shall always keep in my heart the most tender recollections of his unfailing courtesy and support towards myself during the two brief sessions in which he was my colleague. His memory will always remain respected in the minds of every member of this House, without distinction of party."

The flag on the tower of the Parliament buildings is flying at half-mast, in token of mourning for the ex-minister.

G. T. P. PHONES AND WIRES

Measure to Incorporate Company Before Railway Committee.

Ottawa, May 3. — The bill to incorporate the Telegraph Company, which is to operate the telegraph and telephone lines of the Grand Trunk Pacific, was dealt with by the railway committee of the Commons today.

The incorporators are President Hays, Frank W. Morse, Wm. Wainwright, W. H. Biggar and D'Arcy Tate, of the G. T. P. directorate. The capital stock is placed at $10,000,000.

Discussion principally turned upon the question of protection of the right of municipalities to control the highways over which any of the company's lines may pass.

An amendment drafted to meet the wishes of the municipalities, as represented by counsel, was objected to by the Minister of Railways on the ground that it controverted the principles of the railway act in the matter of control by the board of railway commissioners.

It was therefore rejected and a compromise clause ordered to be drawn.

Another clause of the bill was amended so as to make the tariffs or rates of the company subject to approval and revision by the railway commission.

The bill was reported as amended.

THOMAS SABIN, of Eglinton, says: "I have removed ten corns from my feet with Holloway's Corn Cure." Reader, go thou and do likewise.

WALKERTON HAS DEPOT PROBLEM

Grand Trunk Will Build on Much Same Conditions as Presented London.

Walkerton, Ont., May 3. — This morning a deputation from this place waited upon a party of Grand Trunk officials at the station and asked them if the G. T. R., instead of rebuilding the station at the old site, would not select a new site, somewhere more convenient to the center of the town.

In reply Mr. McGuigan pointed out that changing the site of the station would make it necessary to build a new track, and he presented the following letter to the mayor:

"In accordance with our conversation this morning, relative to changing our line nearer to the business section of the town, as shown in red on blue print, handed you with the memorandum, we propose that if the municipality of Walkerton will provide the necessary right of way, at least four rods wide, with sufficient additional ground for freight station and for commercial track purposes, approximately at the point indicated on the plan, and will enter into an agreement to exempt the company for all time from expense for any protection at any of the road or street crossings on the new line, and will continue our present valuation for purposes of taxation for a period of 25 years, we will recommend that a change of line be made."

A special meeting of the council was held the same evening to consider the proposition made by Mr. McGuigan, and by request was attended by members of the board of trade and the Retain Merchants' Association. If the station is to be moved to a more convenient location, the company will have to do it themselves and without any assistance from the town. As a matter of dollars and cents, the station might as well be where it is as any place else. It would be more convenient if it were located a little nearer to the center of the town, and that's all there's to it.

NEWS BUDGET FROM THE TUNNEL CITY

Poultry Show June 5—Sarnia Indians Dying Out—A New Ferry Line Proposed.

Sarnia, May 3.—There are only 340 Indians on the reserve south of this town. This is a decrease of nine from last year. In the early days there were 600.

A movement is under way to establish a new ferry line between this place and Port Huron. Capt. King, of Port Huron, is understood to be promoting the scheme, which contemplates the employment of a steamer capable of carrying 300 people, making a round trip every 20 minutes during the day and every hour all night. A guarantee fund is being raised to establish the service. The Port Huron Ferry Company will give its down-the-river excursions during the coming summer.

At the regular meeting of the International Poultry and Pet Stock Association of Sarnia and Port Huron the following officers were chosen: President, Dr. F. Edmister, Port Huron; vice-presidents, William Luscombe, of Sarnia; Dr. Talbert Sleneau, E. F. Percival, Dr. S. S. Hanson and Harry Kilets, of Port Huron, and Peter Wellington, of Blackwell, Ont.; secretary, Robert S. Taylor, Port Huron; treasurer, Erwin A. Cady, Port Huron. The judges of poultry will be Charles McClave, New London, Ohio; F. W. Travis, Jackson, Mich., and (possibly) Newton Cosh, Port Dover, Ont. Pigeon judges, George Asman, of Detroit, and J. J. Lynn, of Port Huron. The next meeting of the association will be held in Sarnia June 5.

The steamer John Oads arrived here today with a cargo of grain for this port. The steamer Jesse Farwell is unloading oats at the Grand Trunk elevator.

COMMISSION AT STRATHROY

Railway Board Hears Complaints Regarding Grand Trunk Crossings.

The Dominion Board of Railway Commissioners paid a visit to Strathroy on Wednesday and heard a number of complaints in regard to the Grand Trunk crossings there.

Metcalfe, Richmond, Caradoc, Victoria and Oxford street crossings are considered to be the most dangerous, and particularly Caradoc, Metcalfe and Oxford, the latter having to be crossed four times a day by children who attend one of the town schools.

Complaint was also made against the blocking of crossings by freight trains, and the practice of crews, when breaking trains, to allow an opening scarcely wide enough to admit a vehicle to pass. This frequently resulted in horses becoming frightened.

Superintendent Brownlee was one of the witnesses, and he told the commission that some days as many as 40 trains would pass through Strathroy, and that the majority of them would have to stop there to take water. He promised that the grain elevators at the Metcalfe street crossing would be removed further back from the street, and that this would lessen the danger to a great extent.

The commission will hand down their decision at an early date.

PAINS DISAPPEAR BEFORE IT.—No one need suffer pain when they have available Dr. Thomas' Eclectric Oil. If not in the house when required it can be procured at the nearest store, as all merchants keep it for sale. Rheumatism and all bodily pains disappear when it is applied, and should they at any time return experience teaches the user of the Oil how to deal with them.
