In deciding this prize the quantity shown will be taken into consideration, as well as the quality, and the amount and number of prizes taken by the Exhibiter in the Farm Produce Class. A list of all articles shown will be required.

Roots in this class must be certified to have been grown, as follows:—Turnips from not less than one-half an acre, Potatoes one-quarter of an acre, Carrots, Parsnips and Mangle Wurzel, one eighth of an acre.

Roots must be clean (not washed.) top and neck cut even with the bulb, and surplus roots removed. The Judges may, if they thing proper, trim them to rule, or make allowance for surplus roots, necks, and tops.

The names of the different kinds of Grain, Seeds, and Roots, to be inserted on the cards.

All articles in this class must be grown in 1878, and any person guilty of deception or misrepresentation in this particular will forfeit any premium he might otherwise be entitled to.
