AFTER THE "FLU"

Four Children Had WHOOPING COUGH

Whooping Cough, although specially a disease of childhood, is by no means confined to that period, but may occur at any time of life. It is one of the most dangerous diseases of infancy, and yearly causes more deaths than scarlet fever, typhoid or diphtheria, and is more common in female than male children.

Whooping Cough starts with sneezing, watering of the eyes, irritation of the throat, feverishness and cough.

Dr. Wood's Norway Pine Syrup is highly recommended by mothers everywhere for the relief of this trouble as it helps to clear the clogged-up air passages of the mucous and phlegm that has collected, and in this way bring on the "whoop" which brings the so-much-sought-for relief and heals and soothes the lungs.

Mrs. J. M. Rouse, Imperial, Sask., writes: "After the 'flu,' last fall, my four children took whooping cough and one of them developed bronchitis. After using two or three bottles of Dr. Wood's Norway Pine Syrup they were greatly relieved of their nasty coughs. It is an especially good remedy for children, and is so nice they take it readily, and ask for more."

Dr. Wood's Norway Pine Syrup is 35c and 60c a bottle at all dealers. Put up only by The T. Milburn Company, Limited, Toronto, Ont.

SAYS G. T. R. NEVER IN BETTER CONDITION

President Kelly Testifies That Road Is in Good Shape.

Montreal, Que., Feb. 2.—(By Canadian Press).—President Howard G. Kelley of the Grand Trunk Railway was again on the stand during the whole of today's sessions of the commission inquiring into the value of the railroad system property in order to arrive at a basis for the valuation of the company's preference and common stock with a view to its being taken over by the Dominion Government.

The main point made by Mr. Kelley was that despite war conditions, the road and equipment had been maintained and that the whole system had never been in better physical condition than at the present. With the present facilities and additional equipment there would be no difficulty in handling 50 per cent more traffic without material addition to capital.

Mr. Kelley also discussed the great value of the coal mines owned by the Grand Trunk in Ohio, which produced sufficient coal to enable the company to secure fuel at comparatively cheap rates, both in Canada and the United States at times when other railroads were compelled to pay exorbitant prices for their coal.

It has been arranged that the commission will continue its sittings all week with a session on Saturday until 1 o'clock.

EMPHASIZES VALUE.

Montreal, Feb. 2.—By Canadian Press.—At the rate of several hundred miles an hour, Howard G. Kelly, president of the Grand Trunk Railway System, today mentally took the arbitration commission, which is to decide the physical valuation of the property of the Grand Trunk on a personally conducted trip over the whole system from Chicago to Portland with brief stops at Toronto, Montreal and other places. Mr. Kelly was the only witness heard today, and he had not concluded his statement when the commission adjourned.

The main point of Mr. Kelly's evidence was that the Grand Trunk was a coordinated system, built up from a number of smaller railways in Canada and then extending into the United States, running from Portland to Chicago with a system of feeder lines and connections with other lines that made it a splendidly-equipped and devised service for transportation.

MUCH LEGAL TALENT.

Montreal, Feb. 2.—The initial session was held this morning of the Grand Trunk arbitration board, appointed by the Federal Government "to determine the value, if any, of the first, second and third preference stocks of the Grand Trunk, now issued and outstanding," with a provision that the amount to be paid to the stockholders, including the owners of the present guaranteed stock, shall not exceed $64,166,666.

The board consists of Sir Walter Cassels, chairman; Hon. William Howard Taft and Sir Thomas White. A great battery of legal talent was present for the opening meeting. The first witness was Howard G. Kelly, president of the Grand Trunk Railway, who read a short history of the line and its affiliated companies.

CONTINUES TESTIMONY.

Montreal, Feb. 2.—Continuing his testimony this morning before the Grand Trunk Railway commission, which is to fix the value of the preferred and common stock of the company which has been taken over by the Federal Government, Howard G. Kelly, president of the railroad, contended it compared favorably with the best roads in the United States. Mr. Kelly gave an account of what had been done to make the railway a thoroughly up-to-date transportation system.

CANADA HAS NO WASHINGTON ENVOY

Meighen Cabinet Likely To Procrastinate Regarding Appointment.

[Special to The Advertiser.]

Ottawa, Feb. 2.—The cabinet for the past few days has been wrestling with the problem of appointing a minister plenipotentiary to Washington, and from present indications the filling of that position provided for last session will be indefinitely postponed. The premier himself, it is said, is not at all enthusiastic about the proposal.

Sir Robert Borden and Hon. N. W. Rowell, the chief sponsors of the legislation last session, are no longer in the cabinet, and those who are, are not by any means united on the matter. Sir Robert had gone into practical retirement, and it is now almost certain that Mr. Rowell will resign his seat at an early date.

"Imperial reasons" are advanced in favor of postponement of the appointment. It is held that if all the dominions appoint an ambassador, friction will arise as to seniority and precedence, and that injury will be done to imperial relations.

It is now eight months since Parliament passed the legislation providing for the position and approved the appropriation, $50,000 necessary to finance it. The amount is still untouched, and it is doubtful if it will be revoted this session.

In the meantime Canada remains unrepresented either from the diplomatic or business viewpoint in a country with which she is doing 90 per cent of her trade.

BOARD BOOSTS EXPRESS RATES

Railway Commission Grants Increase of 35, 25 and 20 Per Cent.

Ottawa, Feb. 2.—By the Canadian Press.—In a lengthy judgment, covering some 27 typewritten pages, the board of railway commissioners grants to Canadian express companies an increase of 35 per cent on first class rates, 25 per cent on second class, and 20 per cent on commodity rates, including principally cream, fish and fruit.

The judgment is concurred in by all the commissioners who sat in the case, and was written by Chief Commissioner Frank B. Carvell. In addition to the increases mentioned above, it provides that the rate on all spirituous liquors in the future is to be increased to first class. The cartage differential at noncartage points has been eliminated, and as a result express charges will be the same to all points, whether city, town or country.

Taking into consideration future profits from investments and money order business, which the judgment decides will be accounted for as revenue, the increases it is stated, are expected to produce "only sufficient revenue to take care of operation and depreciation, and provide a sufficient sum with which to pay interest on investments at 7 per cent."

Entitled to Increase.

Mr. Carvell takes the ground that the express companies have proved they are entitled to an increase. He states that the figures filed by the applicants show that the Dominion Express Company claims its deficit for the last year will be $1,609,444. He prefers to accept the figures presented by this company in preference to those submitted by Mr. G. R. Geary K.C., counsel for the city of Toronto, and compiled by Messrs. Clarkson, Gordon & Dilworth, accountants, on the ground that "the company which is doing the business and paying the bills must have a much more intimate knowledge of actual conditions than any accountant could have."

Asked for Forty.

"The express companies asked for a 40 per cent increase," says the judgment, "and I have given their best estimate of the results should this request be granted. They have stated that if the cartage differential were eliminated they could produce practically the same results on an increase of 33 1-3 per cent. I have decided that this differential should be eliminated. I am also of the opinion that there will be some reduction in the cost of carrying on the express business during the coming year, especially in the maintenance and feed of horses, maintenance of equipment and purchase of supplies; and, while it will not be very great, yet with the allowance that should be made for the revenue from the money order business, I am of the opinion that an increase of 30 per cent would produce them about the amount of money which they should receive, viz., sufficient to pay the costs of operation, maintenance and depreciation, and leave sufficient money to pay interest upon the actual investment and possibly a small amount of money for reserve. These figures relate more particularly to the Dominion Express Company than to the Canadian Express Company, as the whole case seemed to be based upon their requirements."

SPEAKERS RUSH TO PETERBORO

Trains and Motor Cars Bring Reinforcements to By-election.

Peterboro, Feb. 2.—Renewed activity characterizes the closing days of the West Peterboro by-election campaign. Almost every train brings additional reinforcements into the riding for the respective parties, and the next three days will add a new chapter to local political history. Each afternoon and evening automobiles carry speakers to all parts of the riding, and in some cases two meetings are being held each night at strategic points.

Some of the speakers who will take part in the closing days of the campaign are as follows:

For R. Denne the Government candidate—Lieut.-Col. (Trooper) L. Mulloy; James Arthurs, M.P., Parry Sound; H. H. Stevens, M.P., Vancouver; Mrs. J. A. Stewart of Perth.

For G. N. Gordon, Liberal candidate—Hon. Charles Murphy, Hon. W. S. Fielding, Hon. W. L. Mackenzie King, Daniel O'Connell of Toronto, and Major E. O'Flynn of Belleville.

For J. C. Campbell, U. F. O. candidate—Arthur W. Roebuck, Toronto; Mrs. H. C. Gotz, a prominent U. F. O. worker; A. A. Powers of Orono; J. J. Morrison, secretary of the U. F. O.; H. H. Halbert, M.P., North Ontario; Rev. A. H. McConnackie of Centreville.

For Thomas McMurray, Labor candidate—G. G. Halcrow, M.P.P., East Hamilton; John Bruce, Toronto; Mrs. Singer, president of the Mothers' Pension Board; Joseph Marks, Toronto; K. Homuth, M.P.P., South Waterloo.

J. H. Burnham, ex-M.P., is playing a lone hand, and at that is regarded as a dangerous factor by all parties.

WARNS AGAINST PACIFISM IN U. S.

Pershing Says Republic Should Go Ahead Till Rest Agree to Quit.

Washington, Feb. 2.—A warning against pacifism and unpreparedness was given the House naval committee today by Gen. Pershing, who appeared to discuss world disarmament.

While expressing approval of the proposal for a world disarmament conference, he said the United States should go ahead with its present navy and army programs, until a definite agreement has been reached by at least the five great world powers.

"We should steer clear of drifting into a pacifist state of mind simply because we are discussing the subject," Gen. Pershing asserted. None of us wants war, but we do not want to be caught unprepared if war comes."

The nations of the world know the general added, that the economic position of the United States would enable it to outstrip the world in military preparation if it so desired, and that, therefore, they would realize the sincerity of a move for disarmament if initiated by this country, and would subscribe to it gladly.

"A war between Great Britain and the United States is not conceivable," said Gen. Pershing.

NEEDS HALF BILLION.

Washington, Feb. 2.—Nearly half a billion dollars will be required to complete the United States naval building program, embarked upon in 1916, the House appropriations committee estimated today in a report on the anual naval appropriation bill for the fiscal year 1922. The committee said that while the total cost of completing the program was originally placed at $544,700,000, increased cost of materials and labor probably would increase the total cost to $972,931,000, of which $538,270,000 has been appropriated.

The bill reported today, which carries a total of $395,504,444.23, provides $90,000,000 for continuing construction next year.

FAVORS 150,000 MEN.

Washington, Feb. 2.—President-elect Harding favors enactment of legislation to provide for voluntary military training of 150,000 men annually, Chairman Kahn of the House military committee announced today on the floor of the House, in launching his fight to prevent reduction of the regular army below 175,000 men.

Chairman Kahn declared that the president-elect had told him at Marion, Ohio, recently, that he favored an army of 175,000 men, but that he hoped "some day" it could be cut to 150,000 men.

PARLIAMENT MEMBERS READY WITH QUESTIONS

Ottawa, Feb. 2.—Members of Parliament have already got busy, and even now there is quite a budget of questions and resolutions for the order paper of the coming session. Gen. Sir Sam Hughes presents a resolution calling for the re-establishment of patronage as a necessary concomitant of responsible government.

Joseph Archambault, M. P. for Chambly Vercheres, evinces curiosity regarding the abolition for religious holidays in the civic service, which holidays, he declares, Sir Robert Borden undertook to promise should not be abolished. He also inquires concerning a proposed cable subsidy for the Canadian Press, Limited, and wants to know whether Rumania has defaulted in her interest payments on credits advanced by Canada.

VENIZELOS AS DELEGATE.

Paris Feb. 3.—M. Venizelos, the former prime minister of Greece, left Paris today for London. French official circles have been informed that in the elections yesterday of the National Council of the Ecumenical Patriarchate of Constantinople all the Venizelist candidates were chosen. The council will be convoked with the briefest delay, and will send a delegation to the London conference, headed by M. Venizelos, which will be charged to defend the interests of the Greeks of Constantinople and Thrace.

SLEEPLESS NIGHTS OVERCOME BY SAFE METHOD

Suggestions Given Whereby Insomnia Can Be Safely and Quickly Relieved.

Worry, overwork, overstudy and indigestion cause insomnia.

Healthy, natural sleep can't be produced by drugs.

First, the blood circulation must be improved.

Congestion of blood in the head must be removed.

Irritation in the brain must be relieved.

It's because Ferrozone equalizes circulation, because it soothes the irritation, because it removes congestion that it does relieve insomnia.

For building blood and nerve, for instilling force and life into overworked organs, for establishing strength and vitality, where can you find anything so efficient as Ferrozone?

Remember, sleep is just as important as food.

You must sleep, or break down, but if you'll use Ferrozone and thereby remove the conditions which now keep you from sleep, you'll get well quickly.

Ferrozone is not a narcotic, not a dope; it is a health-giving tonic that any child or delicate woman can use.

Absolutely safe is Ferrozone.

Take it for a month, take it for a year—no harm, but immeasurable good will result.

Doctor Zauner and Associates, The Men's Specialist, Invites Every Ailing Man to Come to Buffalo for Free Examination, Consultation, Advice

If you are suffering with a Nervous, Blood or Skin Disease you should call at my office at once for a thorough examination. My treatment will help you. No power of words can describe the wonderful benefits my Direct Method Treatment has given to hundreds of ailing men. If you have Pimples, Eruptions, Blotches, Acne, Eczema, Bad Color, Boils, Itching or Burning of the Skin, or any symptom of Blood Disorders, Skin Diseases or Nervous Ailments you should call at once and let me explain to you—prove to you—the wonderful benefits I am rendering every day in all such conditions. The fact that you may have been treated elsewhere without benefits should not discourage you in the least. Hundreds of patients are being restored to a sound basis of health after they had tried numerous doctors and other treatments in vain. My charges are reasonable and no more than you can afford to pay.

MEN

With Impure Blood Not Visible, Yet Liable to Break Out Any Day, Be Warned in Time.

If you need the services of a SPECIALIST, call on me during my regular office hours and let me go over your case with you. This I will do FREE and cheerfully, and it will not obligate you to place your case in my hands, but should you decide to place yourself in my charge, I will give you my best attention and treat you as you should be treated and you will see from the start how true it is that I am a real SPECIALIST and why you hear of my superior knowledge as compared with many others. For MANY YEARS the people of Buffalo and for many miles around about have come to me, knowing of the wonderful results that I have had in my practice. Other Doctors have sent CHRONIC CASES to me, so if you need a specialist, why not get one who has stood the test of time?

I will not charge you a fee beyond your means, and I will not hold out false hopes, but will frankly tell you what I feel satisfied I can accomplish in your case, and will treat your case in secrecy and overcome every symptom in a quick, scientific way without loss of time, little or no pain.

Out-of-town patients can be treated and return home the same day.

I GIVE SCIENTIFIC UP-TO-DATE TREATMENT. ONLY CURABLE CASES ACCEPTED
