Jockey Shaw Has Another Successful Day at Sheepshead Bay, Riding Three Winners.

Detroit, June 20.—The crowd was treated to an extra race at Highland Park to-day in the deciding of a dead heat. Out of the six regular races only one was captured by the favorite, outsiders taking the others. The fifth race was a dead heat between Tenderloin and Bossverine, and after a wait of 20 minutes it was run off, Bossverine winning. The summary:

Shaw Rides More Winners.

New York, June 20.—Shaw, the jockey, all but duplicated his success of yesterday at Sheepshead Bay to-day. He rode three winners, and was only beaten a head in the last race of the day. He scored his victories on Ten Candles in the third race, Water Color in the fourth, and Dark Secret in the fifth race, and then was beaten a short head on The Musketeer by All Green in the last race. His other mounts were unplaced. Water Color won the Swift Stakes of 7 furlongs, the only fixture on the card. Six horses faced the starter, with Water Color favorite, and Gold Heels and Demurrer about equal at 5 to 2. The start was only fair, Water Color getting a little the worst of it. Gold Heels was the first to show, but Demurrer raced past him, and showed the way by a length up the back stretch, with Dublin, Gold Heels, The Puritan and Water Color running head and head behind him. In the stretch Water Color drew away, and won cleverly from Gold Heels. The Puritan, Dublin and Bedeck finished short heads apart in the fight for third money. Ten Candles made a new track record for a mile and three-sixteenths of 2.00 3-5. He was a 1 to 6 favorite, having only Maid of Harlem to beat. It was a perfect day for an outing, and a big crowd was in attendance. Summaries:

Dead Heat Also at Ascot.

London, June 20.—The race for the Rous Memorial Stakes at Ascot to-day resulted in a dead heat between Sonatura and Lord Bobs. The stakes were divided. Cynical finished third.

Foxhall Keene's Olympia won the New Biennial Stakes (first year of the thirty-ninth) of 15 sovereigns each, with 500 sovereigns added, for 2 and 3-year-olds, 5 furlongs and 140 yards. Game Chick was second and the Fledgeling colt third. George Edwards' bay colt Santoi won the Gold Cup. William C. Whitney's colt Kilmarnock second; T. R. Dewar's colt Forfarshire third.

American Derby Field.

Chicago, June 20.—The field for the American Derby is growing. Within the past 24 hours several new names have been added to the list of prospective starters, and there are more likely ones. Richard Croker's Beau Gallant and Senator P. H. McCarren's Alfonso arrived late yesterday afternoon from New York, and either one or both will line up at the barrier in the big race Saturday. Beau Gallant has been counted as a sure starter for some time, but the appearance of Alfonso is somewhat unexpected. He is considered a good horse in the mud, and Trainer Frank Brown, who has charge of the Croker-McCarren stable, thinks that Beau Gallant will be strong on a dry track, and that Alfonso will do honor to the stable's colors in the mud.

The prospective field is as follows:

Odds.	Horse.	Weight.	Jockey.
2½	—Bonnibert	127	Bullman
3	—The Parader	127	
3	—His Eminence	127	Odom

8	—Silver Dale	127	J. Woods
8	—Lady Schorr	117	J. T. Woods

10	—Sanguazaro	122	Boland
10	—Sadie S.	117	Slack

20	—*Hernando	127	J. Winkfield

Closing Day at London.

London, June 20.—The closing day of the London Turf Association's spring meet saw a large crowd in attendance, but the racing was slow. The heavy rain of the early morning left the track heavy. WILL STAND BY THE C. L. A.

Toronto Lacrosse League Comes to a Decision and the Young Torontos Withdraw.

The adjourned meeting of the Toronto Lacrosse League was held at Thomas' Hotel last night. The main business taken up was the relation of the C.L.A. to the C.A.A.U. The clubs in this league will stick to the C.L.A., and in consequence the Young Torontos withdrew.

A committee, composed of Messrs. Waghorn, Forsyth and Drury, was appointed to wait on the officers of the C.A.A.U., to ask if they would professionalize themselves if they played with any C.L.A. team, junior or senior. An amendment was passed to the effect that no C.L.A. or Toronto League senior player be allowed to play in the junior series.

H. A. Wilson has kindly donated a trophy to the league.

League Broken up.

St. Mary's, June 20.—The junior series C.L.A. match between Parkhill and St. Mary's scheduled for to-day is off. Parkhill and Exeter defaulted, and the league has broken up.

Lacrosse Points.

Secretary Bert Davis of the Tecumsehs made final arrangements yesterday with the Dufferins of Orangeville for the game at the Island on Dominion Day. The C.L.A. champions will send down their strongest team, and the game should be a good one.

The Torontos request a full turnout tonight at 6 o'clock. After the practice the team to play the Young Torontos on Saturday will be chosen. This match, with steady practice next week, will put the team in fine shape for the Montreal game at Rosedale on Dominion Day.

The Young Tecumsehs will send the following team to Markham on Saturday: Powell, Shoemaker, L. Papineau, Staples, Ferguson, Moore, Campbell, Black. Fred Simpson will referee. The players are requested to be at practice, at the Island, where they will get their tickets for Markham.

TORONTO AUTOMOBILE CLUB

Eight Horseless Carriages and 24 Passengers Hold Their Initial Run Around the City.

Eight carriages with 24 passengers took part in the Toronto Automobile Club's initial weekly outing last evening. Starting from the rendezvous on University-street, a jaunt was made over the principal city streets, the pace being set by Mr. J. C. Eaton.

The contingent presented quite an imposing appearance as they swept along, the ringing bells and bright lamps announcing their approach some blocks ahead.

The party finally brought up at the Rosin House, where a meeting was held and the arrangements for the club's organization completed. Mr. J. C. Eaton was elected president, Mr. R. E. Van Dyke, vice-president, and Mr. S. John Schulte, secretary. A committee was appointed to draft a constitution and bylaws. They will report at another meeting, to be held at the conclusion of next Thursday night's club run. The horseless carriage owners are invited to take part in these functions, which will be held weekly during the season.

Hamilton, June 20.—(Special.)—The first annual target shoot of the Merchants' Gun Club opened to-day at Dynes' Park track. William Langhorn is president, and Harry Dynes secretary of the club. There were 40 entries in the $200 Merchants' event, which was not completed to-day, however. The winners in to-day's events were as follows:

Flew From South Bend.

The fourth race on the schedule of the Queen City Homing Pigeon Association was flown off on Sunday, June 16, from South Bend, Indiana, to Toronto, a distance of 407 miles. The race was scheduled to take place on Saturday, June 15, but the weather conditions in South Bend were unfavorable for liberations, so they were kept over till Sunday and at 4.40 a.m., Toronto time, Mr. Sibley released them. Owing to the strong easterly winds blowing no birds returned the same day. The first bird returning next day was Mr. Geo. Kemp's John Ruskin, at 2.22 p.m., and E. Farrell's Phoebe at 5.30 p.m. George North, George Newberry, J. Wilton W. Smithson, O. Parm and C. Davis had no returns in the two days' time limit.

Between Baird and Cameron.

The Granite lawn bowling tournament was continued yesterday, when the consolation competition was advanced thru the senior final stage, the results being as follows:

Granite.	Granite.
J. Baird, sk. 15	G. R. Hargraft, sk. 14
Granite.	Prospect Park.
W. A. Cameron, sk. 21	D. Allen, sk. 18

The finals will be played this afternoon at 4.30, when all games in the singles must also be played. Any player not on hand at 3.30 will have the game given against him. The prizes will be presented at the band concert this evening.

Quantity No Object—Price the Same.

It makes no difference whether you buy one or a thousand of our "Collegian" Cigars, the price is the same—5 cents straight. The quantity I sell alone enables me to give such unequalled value. J. A. Thompson, Tobacconist, 73 Yonge-street.

Rowing Ripples.

The committee in charge of the Dominion regatta are doing everything in their power to make the affair a big success.

The Argonauts eight were out yesterday, and went along well together, making good time. The club have juniors, seniors and intermediate crews in training for the Dominion Day regatta.

The Dons will have several entries in the Dominion Day Regatta, and the men are out working each day on the Don. They should make a good showing in the different events.

The Torontos will be represented in the fours at the Dominion Day regatta.

"D.C.L." (Black Bottle) Whiskey

Is rapidly taking the place of all other whiskeys. It is purer and more tasteful to the palate, and is least harmful. All leading hotels keep it. Adams & Burns, Agents, 3 Front-street East, Toronto.

Pennsylvania Oarsmen at Henley

Henley, Eng., June 20.—The oarsmen from the University of Pennsylvania were up bright and early this morning. They are all delighted with their quarters at the Five Horseshoes Inn, a rustic hostelry situated in a picturesque spot.

Great interest attaches to the first appearance of the Americans on the water this afternoon. They took a spin to the starting point with the stream, and back to their quarters. The average rate of their stroke was 30 to 32 to the minute. They covered the regular regatta course in 7½ minutes. The crew created a favorable impression. Their short boat aroused considerable curiosity.

The Americans will go out again later and will do heavier work than paddling. Two of the spare men rowed coach Ward about the course.

RAIN IN EASTERN LEAGUE

Buffalo Beat Hartford and the Other Three Games Were Postponed.

SORROW AMONG LOCAL FANS.

New Men Wearing Syracuse Uniforms—The Record and Scores of the Day.

Only one game was played in the Eastern League yesterday, owing to the wet weather, Buffalo defeating Hartford in an easy manner. The Torontos arrived early in the morning from Montreal. Manager Barrow reports that Short Stop O'Brien of Portland would likely be secured.

Yesterday's game at Baseball Park was postponed on account of wet grounds, and there was great sorrow among the fans. The teams will come together to-day, weather permitting, and the Victoria Day rain checks will be honored at the gate. The Syracuse Stars are much stronger than on their first performance here, and are capable of giving the locals the hardest kind of an argument. Myers, late of Hartford, is the latest addition. He is a good infielder and a fair batsman. Ex-Capt. Madison of the Torontos is also wearing a Syracuse uniform. To-day's game will be called at 4 o'clock, while the game to-morrow will commence at 3.30. The record:

	Won.	Lost.	P.C.

Senior Baseball League.

To-morrow's Senior League games at Old Upper Canada College are of more than usual interest from the fact that the champion Park Nines and Crescents come together for the third time this season. The clubs have won one game each, so that to-morrow's game is decisive. Frank Scott will twirl for the veterans, while Pearson will fill the box for the champions. The Night Owls and St. Mary's teams are carded for the first game.

A meeting of the delegates was held at the British-American Hotel last night, when the official baseball question was finally straightened out, and hereafter the Canadian ball will be used exclusively.

Umpire Sharkey will continue to officiate, but under the watchful eyes of Messrs. Weller and Greer, who were appointed a special committee for the purpose.

Harvard Won From Yale.

Cambridge, June 20.—Over 7000 persons saw Harvard's baseball nine defeat Yale this afternoon. Clarkson was much more effective than Cook at critical periods of the game, especially in the last two innings, when Yale seemed to have fathomed his pitching and nad men on bases. Barring the long hitting there were no sensational plays to bring the crowd upon their toes, by good straight play, the few errors being almost excusable. Score:

	R.	H.	E.
Harvard	7	11	1
Yale	3	7	3

Batteries—Clarkson and Reid; Cook and Hirsch.

WITH THE BICYCLE RACERS.

Program for the Dominion Day Meet at Montreal— C.W.A. and N.L.A. Affiliate.

Entries for the Dominion Day meet in Montreal close June 25 with Chairman D. J. Kelly. The program includes amateur and professional quarter, half mile and five mile and amateur mile and novice events.

The semi-annual session of the N.C.A. Board of Control held at Buffalo came to an end Wednesday. One of the most important things accomplished was the signing of a treaty with the Canadian Wheelmen's Association, which last year bolted and refused to recognize the authority of the N.C.A. It is now more than probable that the grand circuit of the N.C.A. will take in several Canadian cities during the season.
