AMAZING FIGURES

Capital Invested in United States, Canada and Mexico.

(New York Paper.)

Some amazing figures are given in the 1907 edition of Moody's Manual, just issued. The comprehensive publication reports more than $36,000,000,000 of invested corporate capital in the United States, Canada and Mexico. The steam railroads aggregate nearly 16,000,000,000 public utilities more than 8,000,000,000 and industrials and mines nearly 13,000,000,000.

The figures which are of most striking interest to the public are the totals showing the amount of capital invested in the various public utility corporations of the United States. No less than $8,129,536,000 is perpresented in this particular field. In the electric traction the total reaches no less than $4,422,764,000, which is nearly one-third the par value of steam railroad capitalization. The government estimate of capitalization in this field only a few months ago was about $3,300,000,000.

In the gas and electric light field the Manual reports a total of $1,903,629,000, which is also considerably higher than any figures heretofore officially furnished. The report of over $323,000,000 as still invested in water supply companies thows that there is still in active operation a large water supply industry in this country which is not yet in the hands of municipalities.

The figures on the telephone field bring out the fact that the Bell system still predominates in a pronounced way among investors. Nearly $1,000,000,000 in capitalization is reported in the telephone investment statistics, and of this $611,694,000 is represented by stocks and bonds in the hands of the public, which have been issued by the Bell parent company and its 38 operating subsidiaries. Telegraph and cable companies are represented by $296,904,000 of capitalization.

The mining division of the Manual represents a careful effort to furnish the banker and investor with reliable and uniform data regarding American, Canadian and Mexican mining undertakings of the various kinds. Eight hundred and eighty different companies, including over $2,500,000,000 of capitalization are represented, covering gold, copper, lead, zinc, and all other mines. There is one meerschaum mine described, one sapphire mine and one ruby mine.

His Flesh Horribly Burnt

His druggist sold him a cheap acid corn cure. What he should have bought was Putnam's Corn Extractor; it's purely vegetable and acts in 24 hours. Insist on only "Putnam's."

The insurance on the Miramichi pulp mill, of which the acid house was burned a few days ago, was carried as follows: British America, $5,000; Sun, $3,000; Union, $5,000; Western, $6,000; Montreal, Canada, $2,500; Commercial Union, $3,500; Liverpool, London & Globe, $5,000; Montreal Union, $5,000; Northern, $6,000; Canadian, $5,000; North British & Mercantile, $5,000; Acadia, $2,500; Guardian, $5,000; London Mutual, $2,000; Hartford, $4,500; Anglo American, $3,000; Queen, $2,000; total, $69,500.

Ottawa, June 21—(Special)—The following appointments are gazetted: Joseph Louis Mullaly, St. John, preventive officer; Robert Clerke, of St. John, to be preventive officer of customs.

THE MORTALITY IS APPALLING

Bishop of Huron on the Subject of Large Death Rate of Children in Canada.

At London, Ontario, this week, the Bishop of Huron, in an address on The Physical Well-Being in This Country, dealt with infant mortality in this striking manner, as reported in the Toronto Globe:—

"Taking the average for three years a multitude of 8,454 children under five years of age have been taken to their graves each year. Of all the funerals that pass along our streets one out of every four is that of a child under five years of age. This is appalling, particularly when we realize that under different conditions this enormous mortality might be greatly reduced. For doctors, who have given this subect serious consideration, declare that this enormous mortality is mainly due to ignorance, ignorance regarding the laws of health generally, and particularly the laws of health concerning infants, resulting in improper feeding, want of cleanliness and unsanitary surroundings.

"Perhaps the whole community should bear the blame of this ignorance, for there is an entire absence in our public school training of any instruction of the future fathers and mothers of the state in the duties of parenthood However different the part of the two sexes in life we equip both with precisely the same training as if we were all of one sex. We crowd the minds of both sexes with a multitude of facts, many of which will be useless to them in after life, but for the most inevitable work that falls to the lot of the vast majority, and that the most important from the state's point of view—the bringing up of children—we make no provision. Hence the ignorance and the enormous mortality.

THE REMEDY.

"What is to be done? Three things at least.

"The subject of hygiene should receive more prominence in our school system.

"There should be a difference between the education of boys and girls. At any rate, there should be continuing classes for the elder girls, in which they could be instructed in the duties and responsibilities of motherhood.

"The state should provide, as a measure of self-preservation, that its mothers should not be left entirely to chance or blind instinct and affection as to how to care for their little ones in their tender est years. The inauguration of some such system would tend to make women more womanly, in that it would impress upon them the supreme ideal of the sex, namely, motherhood."

BETTER THAN SPANKING

Spanking does not cure children of bedwetting. There is a constitutional cause for this trouble. Mrs. M. Summers, Box W. 71 Windsor, Ont., will send free to any mother her successful home treatment with full instructions. Send no money but write her today if your children trouble you in this way. Don't blame the child, the chances are it can't help it. This treatment also cures adults and aged people troubled with urine difficulties by day or night.

The band will be in attendance as usual tonight at the Victoria rink, from 8 to 10, and in addition there will be a one mile amateur championship race and a boys' race, for which there are nearly a score of starters; Monday night ladies' night, as usual.

Diseased Kidneys

If Any of Your Family in This or Past Generations Has Been Troubled With Kidney Disease, Make a Test Case of Your Urine and Satisfy Yourself.

CURED FREE

A SAMPLE BOTTLE OF WARNER'S SAFE CURE HAS BEEN KNOWN TO CURE MANY CASES OF KIDNEY DISEASE IN ITS EARLY STAGES. A TRIAL BOTTLE OF THIS GREAT MEDICINE WILL BE SENT ABSOLUTELY FREE TO ANY READER OF THE ST. JOHN EVENING TIMES WHO SUFFERS FROM KIDNEY, LIVER, BLADDER OR BLOOD DISEASE.

Warner's Safe Cure

is the only sure and reliable remedy for all forms of kidney, liver, bladder and blood diseases; uric acid poison, rheumatic gout, diabetes, pain in the back, scalding and painful passage of urine, frequent desire to urinate, painful periods, bearing down and so-called female weakness.

IF IN DOUBT TEST YOUR KIDNEYS: Put some morning urine in a glass or bottle, let it stand for twenty-four hours. If then it is milky or cloudy or contains a reddish brick-dust sediment, or if particles or germs float about in it, your kidneys are diseased. If, after you have made this test, you have any doubt in your mind as to the development of the disease in your system, send us a sample of your urine, and our doctors will analyze it and send you a report with advice free.

Mrs. Wm. Eckerson, 840 Liberty street, Schenectady, N. Y., adds her testimony to the thousands of testimonials received from sufferers who have been cured by WARNER'S SAFE CURE and WARNER'S PILLS. She says: "My health began to fail. I grew steadily worse with kidney trouble. I became discouraged and was about to give up the struggle when I commenced to take WARNER'S SAFE CURE. I am today a well woman, and my recovery is solely due to WARNER'S."

In Bright's disease the bowels are often constipated and the liver torpid. Warner's Safe Pills quickly relieve this condition, and no ill after effect is experienced.

WARNER'S SAFE CURE is put up in two sizes and is sold by all druggists, or direct, $1.00 A BOTTLE. Refuse substitutes which contain harmful drugs and injure the system.

TRIAL BOTTLE FREE. To convince every sufferer from disease of the kidneys, liver, bladder and blood that WARNER'S SAFE CURE will cure, a trial bottle will be sent absolutely FREE OF CHARGE, postpaid, to any one who will write WARNER'S SAFE CURE CO., Atlantic and Pacific Avenues, Toronto, Ont., and mention having seen this liberal offer in the St. John Evening Times. The genuineness of this offer is fully guaranteed by the publisher. If you will write us a full statement of your case, our doctor will send you free advice and a valuable medical booklet and many convincing testimonials. All communications are strictly confidential.

NO INTENT TO KILL.

The most popular man in a Nevada town got into difficulty with a disreputable tough—for a long time the terror of the place—and proceeded to "do him up" in a manner entirely satisfactory to the community at large. It becoming necessary, however, to vindicate the majesty of the law, the offender was brought up for trial on the charge of assault with inten to kill. When the jury had been out about two minutes they returned.

"Well, gentlemen of the jury," asked the judge in a familiar, offhand way, "what have you to say?"

"If it pleases the court," responded the foreman, "we, the jury, find the prisoner is not guilty of strikin' with intent to kill but paralyze, and he done it fbmbb it."—New Orleans Picayune.
