HAMILTON HAPPENINGS

BISHOP DUMOULIN IS ALARMED FOR ENGLAND

Death of King Edward a National Calamity—Five Injured in Street Car Accident.

HAMILTON, May 8.—(Special.)—Hamilton mourned King Edward to-day in its churches. In practically every church in the city the deep sorrow of the various religious denominations was made manifest, either by special services or sermons. The special form of service ordered by Bishop Dumoulin was used in the Anglican churches and his lordship himself occupied the pulpit in Christ Church Cathedral in the morning.

The bishop spoke of the King's death as a calamity which he viewed with not a little alarm. He did not mince his words, when he said that the people should pray to God to help England in the hour of her greatest need, the hour wen the constitution that had brought about her greatness was threatened. He said that every loyal subject might feel some apprehens on over the King's death, for while God had provided the country with a great man to guide the country in other great crisis, there was not now one stalwart statesman on either side of politics in the homeland. His lordship said that King Edward's guiding hand would be much missed in the present turnmoil. He dwelt upon King Edward's tact, great diplomacy, self-possession and knowledge of the people he governed, together with his kind, generous manner, that made him one of the greatest monarc that ever occupied England's throne. Despite the fact that when he ascended the throne there was war, almost starvation among the poor, and threatenings among the socialists, King Edward became a martyr to his throne and people, in order to bring about peace and happiness. His lordship said the King's dying words recalled those of Nelson, and the empire's tribute to him would be "Well done, thou great and noble King."

Vicar-General Mahoney made a telling reference to the King's death in St. Mary's Catholic Cathedral, and all the prominent pastors in the city paid special tribute to his memory. All of the church services were marked by deep solemnity, which amounted almost to gloom, on account of His Majesty's death.

Car Jumped Tracks.

Five people were injured this afternoon when a street car jumped the tracks on James-street between Strachan and Simcoe-streets. Those injured were: Mrs. J. Nichol, 58 Arthur-avenue, no bones broken, taken home in ambulance; B. Devlin of the fire department; Leo Sulivan, 526 North John-street; R. Ferguson, 548 North James-street; M. Dorner, 15 East Ferrie-street, all except Mrs. Nichols sustained only cut and bruises so far as it at present known. One man had several teeth knocked out, and Fireman Develin sustained a nasty cut on the head. The accident happened owing to the spreading of rails. A new road bed is being constructed and the roadway having been excavated allowed the old rails to spread.

Roy Mason of Toronto, who was arrested here a few weeks ago on a vagrancy charge, was taken to Drayton to-day by his father.

Mrs. Jones, relict of Patrick Jones, and mother of the late Michael Jones, who was well known in the old international baseball days, died this evening at her home, 56 Liberty-street.

Charles T. Vanwagner, brother of Lieut.-Col. Vanwagner, passed away suddenly to-day at his home at Stony Creek. He was in his 86th year, and died of heart trouble.

Miss Grace Black of Beach-road, died at the city hospital to-day. She was a daughter of James A. Black, and was in her 21st year.

MILLIONS OF FRENCH MONEY FOR CANADA

MONTREAL, May 8.—(Special.)—O. B. D'Aoust of the banking house of Rodolphe F. Forget, M.P., who had been preaching the gospel of Canada as a place for investment in Paris and other financial centres in the republic, returned yesterday with the announcement that a group of bankers and capitalists are ready to place $50,000,000 in the Dominion, and that French moneyed men now consider that Canada is the last bargain counter of the world.

He says that Englishmen are too cool-headed to permit any serious financial upheaval on account of the King's death. Apart from the rubber and oil craze, the financial situation in London is about perfect, and as for France, Mr. D'Aoust was told by Mr. Hooper, financial editor of The London Times, that France increases her fortune at the rate of £150,000,000 yearly. Consequently money in millions will soon be pouring into Canada from old France. They are satisfied as to the stability and security of our institutions.

Being asked if there was any truth in the story that the Quebec merger stock would not be listed on the Paris bourse, the returned banker said that it was a fabrication from beginning to end, and that the stock would be quoted in about four weeks.

DR. HODGETTS MAY LEAVE

Report Says Provincial Health Officer Will Join Conservation Commission.

OTTAWA, May 8.—(Special.)—It is currently reported here that Dr. Chas. A. Hodgetts, secretary of the provincial board of health, will shortly leave the provincial service and enter a larger sphere, offered by the Dominion Conservation Commission as special health officer, at an initial salary of $4000 per year.

Dr. Hodgetts has been a conspicuous figure in the fight against tuberculosis in Ontario.

GREATEST OF THE EDWARDS

In Simpson-avenue Methodist Church yesterday at the morning service, Professor Jackson of Victoria University, late pastor of the Sherbourne-street Methodist Church previous to the taking charge of the service, spoke of the death of King Edward. He said that of the long line of Edwards who had occupied the throne of England the late King had the greatest record as a peaceful sovereign. Only four of the earlier Edwards attained manhood, three were great soldiers, one was a weakling, two were boys, while the last of the rulers who bore the name, contrary to tradition, was very peaceful and will go down to posterity as the greatest peacemaker of his generation.

Tie in Vermont League.

St. Cyprians and Vermont of the Vermont League played a fast nine-innings game to tie score of 4—4 on Saturday afternoon. Both pitchers threw very speedy ball, keeping the game a first-to-shortstop affair, only one long hit during the entire game being made, and that by Price of the St. Cyprians. Both sides showed decidedly sharp and snappy team work whenever the opportunity occurred. Batteries—Vermont—Stanley and Harvey; St. Cyprians—Adair and Monkhouse.

Toronto Bowling Club.

It was a nose finish at the Toronto Bowling Club last week for the cut glass berry bowl offered in competition for the three highest games in the Five Pin League, and at the last gong Andy Sutherland was declared the victor with a 559 total, Jimmy Booth being only one pin down, with 558. Jimmy, however, with a 229 count, won the silver-lined fern dish offered for high single. This week another cut glass berry bowl will be presented for three high games.

Eaton's Lacrosse Players Out.

T. Eaton Co. Lacrosse Club held their first practice Saturday afternoon at Diamond Park. About 35 men were out. The club-house entered a team in both the Intermediate C.L.A. and the Senior Interassociation.

West Toronto League.

The West Toronto Senior League opened Saturday before a large crowd, Davenport Stars defeating Dufferin 2 to 0 in the first game, while in the second All Stars won from Ravena 10 to 2.
