

The Provincial Government grants for the different works of charity an annual appropriation of \$2905.00, in which is included the \$103.00 for the Nursery.

In 1910 and in 1911, the city of Montreal allowed \$1,000.00 to the Institution. In 1912, this allowance was increased to \$1200.00. The balance of \$98,550.00, which is the amount of the annual expense for the support of the 660 inmates must be provided by the Community. The average cost per capital is 41c a day.

## **The Students**

The Grey Nunnery gives board annually to four Students. From 1763 to 1912, the number received was 124. Thirty of these became priests, and the great majority of the remainder followed different professions.

Although there is no Dispensary at the Grey Nunnery for outside poor, these are continually assisted in many ways. Thus in 1911, 1200 meals were given, and 300 persons were assisted materially.
