DR. HALLOCK'S

LUINA CORDIL,

Or the EXILIR of LIFE.

This justly celebrated Cordial is the only efficacious remedy for those sad derangements of the body and mind caused by early improper habits of youth or indulgence of the passions, the effects of which are prostration, dyspepsia, pain in the head and dimness or vision, weakness of the back and lower extremities, weakness of memory and power for mental application; dejection, aversion to society, timidity and self-distrust. Young and middle-aged men may here learn why they are declining in health, why they are losing their youthful appearance and vigor, why they are disinclined to business, and incapacitated for matrimonial alliance.

The Lucina Cordial has restored thousands of persons to health and vigor who have long and by injured themselves in youth. Procure it then; you can use it without exposure or hindrance to business, at home or abroad, and be restored.

Objection has been naturally made to the price of this Cordial, because the trash that has been thrown on the market, in opposition to it, is sold cheaper, but the fact is, it cannot be afforded for less, and ought to be much dearer, as many of the ingredients which compose it are among the costliest things in nature; whereas the others are made up of cheap drugs, worth but little in money and less in merit.

We assure our readers that the utmost reliance may be placed on the LUCINA CORDIAL in the cure of the maladies mentioned above, and also to those which follow:, Loss of Muscular Energy, Physical Lassitude and General Prostration, Irritability and all Nervous Affections, Indigestion, Sluggishness of the Liver, and every disease in any way connected with the procreative functions, in all of which it will effect almost instant relief, and if used as directed, is almost certain to produce a positive and permanent cure. Persons about to marry, if conscious of any weakness, should take the Cordial, as it infallibly restores health and vigor in a brief period.

Sold only at Dr. Hallock's office, 110 Court st., Boston, and sent by express to all parts of the country, free from observation. Address all letters to the HALLOCK MEDICAL INSTITUTE 110 Court st., Boston, Mass Post Office Box 1216.

MR. ROBERT MASHALL'S AGENCY, ST. JOHN AND ELSEWHERE.

I beg respectfully to inform all my customers and friends, whether in St. John, City or elsewhere, that it is absolutely necessary that all premiums for Fire Insurance due me at the time of the recent fire, be paid at once, either at my Agency, Germain Street, Market Buildings, or at the office of my agents respectively throughout the Province.

Policy-holders will at once recognize the importance of complying with this suggestion by reference to their Policies.

In consequence of the loss of my General Index and Expiredy Book, I will not at present be able to supply notice as to Insurance matures, so that holders of our Policies will each for themselves refer to their policy and if renewal be effected the premium should be paid at the time.

Five Years' Sickness Cured by Four Bottles of Constitutional Catarrh Remedy. Pain in Shoulders, Back and Lungs, and Dropping in Throat Disappeared.

ST. ANSAIRE, P. Q., Sept. 18, 1876.

MR. T. J. B. HARDING.

DEAR SIR,—Being desirous that others may know something of the merits of your CONSTITUTIONAL CATARRH REMEDY, I wish to inform you what it has done for me. I am 35 years old; had been out of health for about five years; had employed three or four different doctors, and tried various medicines, without receiving any benefit, until last fall, when I had contracted rather to grow worse, so that I was unable to do an hour's work at a time. Had severe pains across my loins, under the shoulder blades and through the shoulders, with very lame back, and a feeling in my right lung as though there was a weight on it, and a continual dropping in the throat and down into the lungs. Such was my condition when I commenced to take your Catarrh Remedy, one bottle of which cured my pains and gave me an improved appetite, and after taking four bottles I was restored to health, so as to be able to endure hard and continued labor, such as chopping and clearing land, at which I have been engaged the past season. My recovery I attribute solely with thankfulness, to the use of your Catarrh Remedy. Yours truly,
