HAMILTON LOST.

Hamilton, Ont., June 28.—Hamilton should have batted out a victory yesterday, but hard luck and a little stupidity lost the home team the game in the sixth inning. Hamilton had three men on bases and only one out, when McAndrews made a safe hit to right. Hagerty tried to pass in front of the ball, and was hit by it, putting him out and sending the other men back to the bases they were on. And in one inning in which there was a three-base hit, a single, a sacrifice and two charities, not a run was made. Score:

		R.	H.	E.
Port Huron	2 1 0 2 0 0 2 0 *—	7	7	4
Hamilton	1 0 0 0 0 0 0 2 1—	4	10	3

Umpire—Dailey. Time, 1:50.

SALTED THE SAINTS.

Those who saw the Cockneys play in London on Saturday and in St. Thomas yesterday could hardly believe they were the same team. It is altogether too modest of the Cockneys to hide their light under a bushel at home and let it shine where it isn't appreciated. Yesterday they played with a snap and ginger—Pop Smith excepted—that surprised the 900 people who expected to see them slaughtered by the vaunted Saints. It was a little dose for the St. Thomas local enthusiasts, who were very vociferous, and did their best to make life miserable for the umpire and the winning team. About 60 London rooters were present, and enjoyed their discomfiture. Johnson was in the box for the Cockneys and pitched in his old-time form. In the third, fourth, fifth, sixth, seven and eighth innings only 18 men went to bat, not one reaching first base. But for Carey's error in the second after two were out, the Saints would have been nearly whitewashed. The Londons touched up Sutthoff freely and opportunely.

London got the lead in the first inning. Meara singled and stole second and third. Smith flied to first. Keenan got a charity, and Humphrey dropped Grimshaw's long drive, scoring Meara and Keenan. Carey singled and Grimshaw scored. Carey came home on Ward's sacrifice to center.

In the third the game was clinched with three more. Grimshaw singled, Carey was hit by pitcher, Ward got a pass, Reuning sacrificed, and Sheehan's error on Sechrist's hit yielded three runs.

In the sixth, Sechrist and Johnson singled, Meara struck out, and Smith was hit by pitcher, filling the bases, with one man out. Keenan drove one at Keuhne, and Smith ran plump into him, allowing Kuehne to effect a double play, and retire the side. If Smith had stopped running he could have worried Kuehne, prevented the double and allowed Sechrist to score.

In the eighth, Carey's single, Reuning's double, Sechrist's charity, and Johnson's hit gave two more runs.

St. Thomas tied the score in the second on Carey's error. Busse singled, Peans flied out to left, Rodden got a charity, Humphrey struck out, and then Carey made that awful muff of Suthoff's fly. Sheehan piled on the agony with a home run which meant three more runs.

Until the ninth the Saints were helpless, and then Kuehne's triple and sacrifice gave them one more. The score:

FLYS.

Guelph Mercury: "It is understood that Mr. Sleeman offered good inducements to Bay City to come here, but they, thinking their franchise was very valuable, wanted too much for it. And that's how it stands just now. Mr. Sleeman thinks that after July 4 baseball will take a drop in some of the International League cities."

Carrol Beal, recently released by London, will umpire the series of ball games between London and St. Thomas, owing to Grim being hurt in Saturday's game.

Hamilton Herald: "Manager Kuehne is the worst kicker in the business. Umpire Daley had occasion to warn him more than once on Saturday."

A Port Huron dispatch says: Sunday baseball was inaugurated here today in an auspicious manner and proved a financial success. A diamond had been laid out at the Port Huron Driving Park, and 2,200 persons witnessed the first professional Sunday ball game ever played in the city.

Bay City Times-Press: "Wanted—An infallible umpire, by the International league. * * * The baseball columns of Canadian papers are interesting reading just now. * * * What can the International League expect, paying only $2 50 a day to umpires? * * * Daley is about the only umpire who escaped a roasting in Canada or elsewhere this season."

THE TURK AT TORONTO.

Toronto, June 28.—Fully 3,000 people journeyed over to the Island Oval Saturday night to witness the wrestling match between Yousouf, the "Terrible Turk," and "Bob" Harrison, of this city. They gave a very fine exhibition of wrestling, the men being evenly matched. The Turk won in two straight falls—the first in 5 minutes, and the second in 16:20. Ald. Ed Hanlan acted as referee, and C. H. Good and W. A. Hewitt, timekeepers. The main event was preceded by three boxing bouts between local men. Jack Daly knocked out W. Moran in four rounds. Jimmy Barry and Fred Fuerst fought six rounds to a draw. Frank Smith got the decision over Tim Meehan in eight rounds.

WHEEL.

FINEST BICYCLE ROAD KNOWN.

A correspondent writes: The road I have in my mind is in India, and stretches 1,200 miles from Lahore to Calcutta. It is the famous Grand Trunk road. Let me explain its nature, though one cannot do so by comparison, for there is no road for five miles in England that is anything like it. It is level; indeed, there is not above a mile the whole distance where even a lady need dismount to walk. Around Battersea Park is supposed to be the easiest little spin in London. The Grand Trunk road is infinitely superior to Battersea Park. The material with which it is made is called kunker, and if you care to turn that word into concrete you have an idea of what it is like. It is exceedingly hard, and as smooth as a prepared pavement. There is no dust. When I first got on this road and enjoyed the luxury of easy traveling, I said: "This is magnificent; but in a little time I suppose it will become gritty and uneven." I went 50 miles, 100 miles, 200 miles, 500, 600, 700 miles and it was always the same with not even a small stone to give a jog. Nearly the whole of the way is lined with a row of majestic trees. The concrete road runs like a long white ribbon down the center, and along the side are loose soil tracks, over which the native bullock carts creak a slow two miles an hour.

With two friends I rode across India during the hottest time of the year, in April and May, and was never seriously inconvenienced by the heat; for, at a pace of fifteen miles an hour, one could always create a draught.

A BLUE CLAY LEG

Mother Robin Supplied Its Offspring's Broken Limb.

Port Huron, Mich., June 28.—Under Sheriff Harrison W. Maines has a reputation of being a truthful man, and the following story by him will no doubt be read with considerable interest. He says: "During the windstorm on Sunday last a robin's nest was blown from a tree in front of my house, and during the rain which followed several young robins lay upon my lawn. A dog came along and grabbed one of the little birds, breaking its leg. I rescued the robin and took a pair of shears and cut off the broken leg. Soon the mother of the robin put in an appearance, and for over two hours worked over its offspring. Later in the afternoon I found that the old bird had completely covered the wound with blue clay, and built an artificial leg of the same material. I have kept track of this little robin ever since Sunday and find that it can walk around on this clay leg nearly as well as on a natural leg. Some people will not believe this story, but it is true just the same."

A SOLDIER'S STORY

Serving His Queen in Various Countries, He Fell a Victim to Rheumatism.

Suffered Unspeakable Torture for Many Years—Every Remedy Failed to Help Him Till He Used Dodd's Kidney Pills—They Cured Him.

Windsor, June 24.—"I have suffered for many years from chronic rheumatism," writes Mr. F. G. Fenton, of this city. "I have seen active military service on different occasions, in different climates, and the hardships I have borne sowed the seeds of the disease in my system, and nourished it, till it had me completely in the toils. I went through the Northwest campaign, 1885, and after my return home I thought I would never be of use again.

"My sufferings were past the power of words to describe. Every joint was a furnace of fiery burning pain. Every movement seemed to tear my flesh asunder. I used remedy after remedy, but with always the same result—failure.

"Finally, thank God, I was advised to use Dodd's Kidney Pills. I did so, and the result is told in three words—THEY CURED ME.

"I have served in the Thirty-third (British) Regiment, through an Indian campaign, and in No. 2 company, R. R. C. I., and my comrades in the latter corps can vouch for the truth of these statements."

Mr. Fenton is a man who has earned an honorable record in the service of his Queen and country. He knows whereof he speaks, and his word cannot be doubted. Is not his experience with Dodd's Kidney Pills enough to prove beyond dispute that Dodd's Kidney Pills are the one, the only, cure on earth for rheumatism?

Dodd's Kidney Pills are sold by all druggists at 50 cents a box; six boxes, $2 50; or sent on receipt of price by The Dodds Medicine Company, Limited, Toronto, Ont.

Two Country Neighbor Girls.

Two country girls—Nellie and Mary—friends and neighbors, and both novices in the work of home dyeing, decided to dye their cream silk blouses that they wore last year a bright shade of Cardinal.

Nellie, who had heard so much of the wonderful Diamond Dyes, bought a package of Fast Cardinal; and Mary, misled by an advertisement puffing up a poorly prepared dye, went to a dealer and bought a package of the color wanted.

The girls did their dyeing work the same afternoon—both confident of success—and hung their blouses out in the air to dry. When dried, Nellie's blouse, dyed with the Diamond Dyes, was a picture of beauty, and filled her heart with delight and pride. Mary's blouse was so muddy, spotty and streaky that she was quite distracted and furious about her failure and loss.

Moral: Avoid all poor and imitation dyes that ruin your goods and spoil your temper. The Diamond Dyes are the only reliable, and invariably give success.

Don't be Frightened to Death

When Some Quack Doctor Tells You You Have "Galloping Consumption" and that He Alone Can Cure You,

but go to work like a sensible person and cure your cough, if you have one, thus avoiding the very danger you are fearing. If you take care of a cold in time, the treatment is astonishingly simple; but if you neglect it, matters become more complicated. A quart of water would have quenched the first tiny flame that began the great conflagration which recently devastated a business district of London, while it took millions of gallons later on to stop it, and only after the damage had been done. So it is with a cold, you can break it up in sixty seconds by giving yourself a good "sweat," and taking a few doses of Shiloh's Cough and Consumption Cure. Try it and see if this is not really so, and save yourself a long sickness and a longer doctor's bill.

Mr. J. O. Nissley, Middletown, Pa., writes us: "My little old engineer had such a cold and cough that at times it caused him to vomit. I took compassion on him and bought a 50-cent bottle of Shiloh's Cough and Consumption Cure, telling him to take a teaspoonful every hour. Instead, he took a tablespoonful, keeping that up all night. Next morning his cough had entirely left him. I never saw any medicine work so quick."

Neglect of a cold is neither manly nor intelligent, knowing how disastrous are the results. The strongest people live moderately, never needlessly over-exposing themselves, but keeping in good health by regular habits.

If Shiloh does not cure you, take the bottle to your druggist and he will refund your money. That is a fair and generous proposition; you surely cannot quarrel with it.

Sold throughout the United States and Canada at 25c., 50c. and $1 a bottle; in England at 1s. 2d., 2s. 3d. and 4s. 6d.
