MEDICAL ASSISTANCE.
THE GREAT AMERICAN REMEDY

RADWAY'S READY RELIEF.

THE GREAT EXTERNAL AND INTERNAL REMEDY.
STOPS THE MOST EXCRUCIATING PAIN IN A FEW MINUTES, AND RAPIDLY CURES THE PATIENT.

RADWAY'S READY RELIEF

Proves its superiority to all other Medicines at once. ITS FIRST INDICATION is to relieve the sufferer of PAIN, no matter from what cause it may originate, or where it may be located.

If in the Head, Face, or Throat;
If in the Back, Spine, or Shoulder;
If in the Arms, Breast, or Side;
If in the Joints, Limbs, or Muscles;
If in the Nerves, Teeth, or Ears;

Or in any other part of the body, its application to the part or parts where the pain exists will afford immediate relief.

IF SEIZED WITH PAIN
In the Stomach, Bowels, or Kidneys;
In the Bladder, Spleen, or Liver;
In the Teeth, Ears, or Throat;
In the Brain or Nervous System;

One teaspoonful of RADWAY'S READY RELIEF to a wineglass of water will, in a few minutes, relieve the patient to ease and comfort.

If Lame, Crippled, or Bed-ridden;
If Palsied, Stabbed, or Burned;
If Bruised, Wounded, or Cut;
If Strained, Injured, or Dislocated;
If Sun Stroke, or seized with Fits;
If Weak in the Spine or Back;

RADWAY'S READY RELIEF

should be applied to the part or parts affected. It instantly relieves the patient from pain, and quickly heals, soothes, and strengthens the disabled parts. In all cases of Bites of Rabid Dogs, Reptiles, Stings of Poisonous Insects, the application of RADWAY'S READY RELIEF to the wound will prevent inflammation and mortification.

FEVER AND AGUE.

Persons exposed to the Malaria of Ague, or if seized with Chills and Fever, will find a positive Antidote and Cure in Radway's Ready Relief. Let two teaspoonfuls of the Ready Relief, in a wineglass of water, be taken on getting out of bed in the morning, and however exposed to malaria you will escape.

WHEN SEIZED WITH
CHOLERA, or Diarrhœa, or Flux;
Dysentery, Cramps, and Spasms;
Bilious Cholic, or Gastritis;
Scarlet, Typhoid, or other Fevers;
Influenza, Coughs, or Colds;
Inflammation of the Stomach or Bowels;

RADWAY'S READY RELIEF

SHOULD BE TAKEN INTERNALLY.

One dose will stop the pain; its continued use will, in a few hours, cure the patient.

HOW IT CURES.

The secondary indication of RADWAY'S READY RELIEF is to cure the patient of the disease or malady that occasions the pain; this it accomplishes rapidly and radically. *So swift* is the patient transformed from pain, misery, weakness, and decrepitude, to the delightful enjoyment of health and strength, that patients frequently ascribe its talismanic power to the supernatural influence of enchantment.

RHEUMATISM, LUMBAGO, GOUT, NEURALGIA, TOOTH ACHE, CROUP, INFLUENZA, SORE THROAT, QUINZY, DIPTHERIA, BRONCHITIS, COLD, STIFF JOINTS, ENLARGED TENDONS, HEADACHE, (Sick or Nervous,) ASTHMA, or HARD BREATHING.

It is truly marvellous how quick RADWAY'S READY RELIEF cures the sufferers of these maladies. The poor, crippled, and pain-stricken Rheumatic has not to wait days before a change takes place, but in a few minutes derives ease and comfort.

CHRONIC RHEUMATISM CURED.

Twenty Years of Sleepless Nights.

Wm. Sydney Myers, Esq., of Havana, Cuba, the correspondent of the London Times, suffered with Acute and Chronic Rheumatism for twenty five years, and for twenty years he had not enjoyed one whole night's entire rest. He applied RADWAY'S READY RELIEF—it immediately gave him ease and secured him the first calm and undisturbed sleep during the twenty years. The continued use of the READY RELIEF cured him.

PREVENTION BETTER THAN CURE.

THERE IS NO OCCASION FOR SICKNESS.

When you first feel pain, then take a teaspoonful of the READY RELIEF in water; or apply it to the parts where you feel the discomfort.

ALL MALIGNANT DISEASES
first give warning of their presence, and if met promptly before they become securely intrenched within the system, will be readily expelled.

SIGNS OF SICKNESS.
Headache, Pains in the Limbs—in the Stomach, Bowels, and Kidneys—Cold Chills, and Hot Flushes, Coated Tongue, Lightning Pain, Nausea, Shivering, Dullness, Loss of Appetite, Restlessness, Giddiness, &c., &c., are premonitory symptoms of Malignant Diseases. One dose of the READY RELIEF is sufficient to break up and expel diseased action, and restore the patient to health.

SOLDIERS.

Every soldier should carry with him a supply of Radway's Ready Relief. It supplies the place of all other medicines; and as a beverage, a teaspoonful of the Relief, to a wine-glass of water, is a nicer, pleasanter stimulant than brandy, whisky, or bitters.

SICKNESS PREVENTED IN THE 8TH MAINE REGT.

Eighth Maine regiment, Serg't C. P. Lord, writes that Radway's Ready Relief saved the regiment from death while quartered at Tybee Island, S. C., when working in the swamps, erecting fortifications. Every man seized with Typhoid and other Fevers, Fever and Ague, Diarrhœa, Dysentery, Rheumatism, was cured by the use of the Ready Relief.

CAUTION.

In all cases ask for Radway's Ready Relief. Take no other. See that the signature of Radway & Co. is on the outside label of each bottle. Every agent is supplied with a new and fresh stock. Price 25 cents per bottle. Sold by Druggists, Merchants and country Store-keepers.

A NEW ENGLAND SETTLEMENT IN NEW JERSEY.

THE HAMMONTON TRACT OF LAND IN NEW JERSEY

Has become the central point of the extensive emigration from the New England States, and the British Provinces, with large accessions to Pennsylvania, and from Illinois, Ohio, and other Western States. Upwards of 300 houses have been built, and occupied in the settlement.

The second and last division of this tract, consisting of about

FIFTEEN THOUSAND ACRES,

Has been surveyed, and now offered for sale, in

FARMS OF TWENTY ACRES,

and upwards, on terms favorable to all actual settlers. Title perfect.

For prices of farms, terms, &c., apply personally or by letter, to the agency, in Camden, N. J., Philadelphia, or to Hammonton, N. J. Communications, with prepaid postage, will be promptly replied to all labelled.

From the Phila. Agricultural, August, 1867.

WHERE AND WHAT IS HAMMONTON?

Hammonton is a tract of land in the interior of New Jersey, recently opened up railroad for a most desirable purpose. It consists of some thirty thousand acres, more or less, and lies in the county of Camden, and partly in Atlantic county, about twenty-six miles, or one hour's ride, southeast from Philadelphia, and about the same to Atlantic city, at the sea shore. Little Egg Harbor River, the tributaries of which water Hammonton, is navigable for vessels, by tide, nearly to Hammonton Mills, six miles from the foot of Hammonton Lake. The products of the sea, in the shape of fish, oysters, &c., may be daily procured in Philadelphia given it the benefit of that great market for purchase or sales. Lands now in cultivation anywhere within the entire distance of Philadelphia, north, south, east, or west, are worth from one to three hundred dollars per acre. It is daily telling for the good day and the purchasers, with the, at most, ten thousand acres to be sold, find, that given such high value as land and data. There is no place in the world, with the low price must now be bought in Hammonton at the comparatively bargain-counter price of twenty dollars per acre, should yet seem to warrant as any other lands that are the same distance by railway from Philadelphia.

The soil of this territory is various. Some a stiff clay, suitable for brick making, to a very light ocean sand—black, light as it appears, is rich in the elements of vegetation, and produces good crops of Wheat, Corn, Rye, Barley, Oats, Cotton, Sorgo Cane, Sweet Potatoes, Irish Potatoes, Sweet Potatoes, Pears, Apples, Plums, Cherries, Apricots, Quinces, Grapes, Water and Muskmelons, and indeed all the fruit and vegetables common to the Philadelphia market, and which make them, as it is well known to be, the best market for bread stuffs, fruit, and vegetables in the United States—perhaps in the world.

The finest growth consists of hickory, white oak, maple, yellow pine, cedar, &c., but in most localities the growth has been cut off within a few years for the use of the neighboring glass works, and the ground now covered only with small growth, easily cleared, in places where the trees are yet large, the standing wood may be purchased at a small price.

The population that has removed thither within the past year is largely from New England, and now numbers about one thousand people. About last spring about one hundred and sixty dwelling houses, of various sizes and costs, have been erected.

The land is laid out in farms lots of 20 acres and upwards, and town lots of five acres and downwards, and streets and streets are open in every direction. There are hundreds of acres of cleared land on the tract, which are very cheap and valuable as fertilizers. The water is pure, sweet and clear, and may be found by digging wells from 8 to 16 feet deep. Living springs abound.

The climate is the best in the United States, the latitude being neither too far north for cold, nor too far south for heat. It is nearly that of Baltimore, and the whole place is tempered by summer and mitigated in winter by the sea breezes that come in from the ocean, sweeping the course of the great rivers which border the New Jersey shore directly east of Hammonton. No such thing as Fever and Ague was ever known there. A more healthy spot cannot be found.

We advise no one to leave Maine. Ours is a goodly State, rich in all the elements of wealth and social happiness. Those who can sell off and better—let well enough alone, and stay where they are, or go to Dead River or the Aroostook. But if any of our people, from any cause, have resolved to leave us and seek a more genial climate, where they can cultivate the soil with a tough pull the labor required here, and where they will not encounter the cold winters of the North, the sickly heat of the South, nor the malaria and fever of the foreign society of the vast West, we would advise them just to go to Hammonton first, and there see and judge for themselves. It will cost but little to go. The distance is only 27 miles, or 17 hours' ride from Boston, whereas the Mississippi Valley is 1,000 miles' ride from home. Hammonton is in the center of the largest population on the continent, being within one hour of Philadelphia, five hours of New York, and four hours of Baltimore, and has the benefit of intercourse with, as well as the market of, all these great cities and their vicinities. Could a more desirable location be found?

The cars of the Camden and Atlantic Railroad run from Market St. Wharf, Philadelphia, twice a day to and from Hammonton, and all persons who purchase lands and commence building in H. have free passes over the road for three months, and are carried at half price for three years afterwards.

Just look at Hammonton before you resolve to remove West, it can do no harm, at least.
