THE QUOITING CHAMPION.

Lawson of Brampton Won the Final Game at Woodstock From Bell of London by Five Shots.

Woodstock, Aug. 25.—The first and second series of the Woodstock quoit tournament were finished this evening. There were a large crowd of interested spectators on the grounds all day. Very keen interest was taken in the final game, as the result of that game decided who was the champion of the Dominion. James Bell of London, who won the medal last year, was pitted against Joseph Lawson of Brampton. Both players put up an excellent game. Lawson started in strong in the morning, covering the mat at almost every throw, and at noon was 22 points ahead of his opponent. After dinner Bell put up a magnificent game, gaining steadily on Lawson, but could not overtake him. The game was finally won by Lawson by 5 points. Love of Toronto University, are in the finals, which will be played to-morrow. The novice doubles were also begun, and a very close contest ensued between J. R. Taussig of St. Louis and Clifford Wright of Cincinnati, who, after a very close fight, succumbed to DeWitt of Princeton and McGaw of Upper Canada College. Scores:

ENGLISHMEN PLAYED THE FINAL.

Newport, Aug. 25.—In just one hour today, Dr. W. V. Eaves of England, disposed of his countryman, Hugh C. Nisbet, in the final round of the all-round comers' tournament at the National Tennis Championship, winning thereby the right of challenging R. D. Wrenn for the tennis championship of the country. Nisbet displayed little of the brilliancy and dash that characterized his match with Larned on Monday, and was beaten in three straight sets, 7—5, 6—3, 6—2.

CAER HOWELL BEAT YACHTSMEN.

LEAVING THE BUNCH BEHIND

Torontos Had a Walkover at Scranton.

THE SCORE WAS 11 TO 1.

Springfield Ponies Knocked Over Syracuse Stars.

Bisons Beat Wilkes-Barre and are Tied With Syracuse for Second Place—Williams Pitched Good Ball and Was Relieved by Staley When the Game Was Won.

Toronto drew away from the bunch yesterday, thanks to their own easy victory over Scranton and the Stars' defeat at Springfield. Buffalo's win from Wilkes-Barre placed the Bisons on the same mark as Syracuse. Providence lost to Montreal, and the champions will have to hustle to keep ahead of Scranton. Toronto closes to-morrow in the coal country, and then starts a hard series of three games with Springfield, going from there to Providence, and winding up the trip with four games at Syracuse. Should Toronto return Sept. 7 with six more victories Irwin's men can be reasonably counted on to land the pennant. The record:

Pos. Clubs.	Won.	Lost.	Pct.
1. Toronto	60	38	.612
2. Syracuse	68	43	.594
3. Buffalo	63	43	.594

6. Scranton	45	47	.489
7. Montreal	34	65	.343
8. Wilkes-Barre	26	70	.270

Games to-day: Same schedule as yesterday.

TORONTO POUNDED HARPER.

Scranton, Aug. 25.—For three innings in to-day's game, matters moved along at a lively pace, and the indications were for a good contest. In the fourth, however, Toronto began to pound Harper and the Miners' infield went to pieces. Maguire at third and Boyd at first did not seem to be able to stop or hold anything, and the Canadians had a walkover. Williams pitched good ball. He was relieved by Staley when the game was a sure thing. Score:

PONIES BEAT THE STARS.

Springfield, Aug. 25.—Springfield and Syracuse started out to play a double-header to-day, but a heavy shower stopped the first game in the ninth innings and the second was postponed until to-morrow on account of wet grounds. It was a pitcher's battle in which Korwan won, because he had better support in critical places. In the first half of the ninth Earl struck out and there were two strikes on Shaw, when rain stopped the game, and at the end of 30 minutes it was still raining. The score:

	R.	H.	E.
Springfield	2	0	0
Syracuse	1	0	0

Springfield	2	0	0	0	1	0	0	0	0—	3 4 3
Syracuse	1	0	0	0	0	0	0	0	1—	2 5 1

Batteries—Korwan and Duncan; Malarky and Shaw.

At Buffalo—The locals won the first game of their present series with Wilkes-Barre. German pitched a really good game in this, his second attempt in a Buffalo uniform. Old Pop Wise put up a grand game on second for Buffalo and he was more than anything else won the victory. Score:

										R.	H.	E.
Buffalo	1	0	0	1	0	1	0	1	x—	4	8	3
Wilkes-Barre	0	0	0	0	0	0	0	1	0—	1	7	4

Batteries—German and Zanner; Patton and Diggins.

At Providence—With the score 3 to 1, and the home team apparently certain of victory, the Montreals struck a streak of batting in the seventh innings to-day and it was a great exhibition of fireworks. The visitors swatted the ball cleanly and hard. In the seventh inning 14 men went to bat, made seven singles, one double and a home run and scored nine runs. Score:

										R.	H.	E.
Providence	0	0	2	0	0	1	0	0	0—	3	5	1
Montreal	0	0	1	0	0	0	0	9	x—	10	14	2

NATIONAL LEAGUE.

At Washington—The Red Stockings could not hit McJames, while Ehret was not difficult for the Senators. The game was neither lively nor interesting. Score:

Washington	0	0	0	0	2	0	2	0	0—	4	11	1
Cincinnati	0	0	0	0	0	0	0	0	0—	0	3	12

Batteries—McJames and Maguire; Ehret and Vaughn.

At Philadelphia—Philadelphia made it three straights from St. Louis. Orth kept the visitors' hits scattered, while Carsey was hit connectedly and for a number of extra bases. Score:

Philadelphia	2	0	0	1	1	3	0	1	—8	12	0	
St. Louis	0	0	0	2	0	0	0	0	—2	11	2	

Batteries—Orth and McFarland; Carsey and Murphy.

At Baltimore—The champions took the last of the series from Chicago in a game of no especial interest. Pond's pitching was the feature. Score:

Chicago	0	0	0	0	1	0	0	0	0—	1	4	1

Batteries—Pond and Robinson; Thornton and Donohue.

At New York—Rain stopped the first game, but in the second the Giants proved the better mud horses, and shut out the Indians. The water from the recent rains had backed up until it covered nearly the whole outfield, and a ground rule allowing two bases on hits into the pond was established. Seymour pitched a good game. The features were the playing of Childs and Donnelly, and a tread-water catch by McCreery. Score:

Cleveland	0	0	0	0	0	0	0	0	0—	0	3	2

Batteries—Seymour and Wilson; Young and Zimmer.

At Brooklyn—The Brooklyns and Pittsburgs started out to play two games this afternoon, but failed, as it took from 2 till 6 o'clock to play the first game. At one time rain delayed the contest one hour and forty minutes, and it was then finished by mutual consent. The Brooklyns won by their heavy hitting. Score:

At Boston—Boston and Louisville played two games, and in the first the home team had a picnic with Fraser, batting him almost at will. In the second game the tables were turned, and at the close the Bostons found themselves shut out for the second time on the home grounds this season. Score:

HAMS WON IN 10 INNINGS.

Hamilton, Aug. 25.—(Special.)—The Hamilton baseball team made lots of runs, hits and errors in its 10 innings' game with the Maple Leafs of Guelph to-day. Had Doty, the Guelph twirler, been less wild, the visitors would have won. The score:

											R.	H.	E.

TORONTOS AT PRACTISE.

The majority of the Torontos had a splendid practise in a game yesterday against Richmond Hill at the latter place. The Torontos hope that in Saturday's match against the Cornwalls at Rosedale, fortune will at last extend some of the good things to the home club. The plan of reserved seats opens this morning at Nordheimers', when members can get reserved seats without extra cost.

LOT OF THE AMATEUR MANAGER.

Sporting Editor World: In reply to an article which appeared in your paper Aug. 25, relating to a general shake-up in the Eureka B.B.C., which states that the club has not been managed properly lately, and that a majority of the members have withdrawn from the present management, I will say, if that be so, then I am the poor individual that they have withdrawn from, and I can assure you, sir, that I will not lose any sleep over the fact of being discarded, as I fully intended resigning my position long ago, but was persuaded to retain it by prominent members of the club. Now, sir, regarding the mismanagement of the club, let me say that, while the team was playing winning ball, not a word was said about the club not being managed properly, but when five or six of the players started to play the game like a lot of babies, coupled with the fact that I was unable to obtain pitchers (for love), two being laid up sick and two out of the city a few of the always-dead-game-sports of the club raised a howl, and say the club is not being managed properly; and, further, let me say that the club has been run without finances, always hard up, I myself having to go down in my dip on several occasions to buy property for the club, yet I was supposed to have a lot of supporters behind me. The club has a few supporters, but they are the kind of sports that give a terrible amount of fun for a very small amount of money, therefore I contend that the article was a slur upon me, and the deep, interest I have in the club. Wishing the new organization mendicated success, I am, yours truly, George L. Kent.

DIAMOND DUST.

The Silver Greys would like to arrange a match for Saturday, Aug. 28. Wide Awakes preferred; average age 14 years. Apply to H. Holland, 89 Palmerston-avenue.

The following players will represent Chalcraft, Simpson & Co. against E. Boisseau & Co., at Centre Island: Saturday: O'Leary, Molloy, Lyne, Rutland, Davidson, Carmody, Wilmot, Vodden, McCosher. Game to start at 2.30 p.m. P. Beard umpire.

On Saturday over the Don, the Dukes play Rowmanville, champions of Eastern Ontario. The management of the Dukes have spared no expense in fitting up the grounds for this game. Ladies will be admitte dfree to grounds and grand stand.

How little the managers care for average is shown in the illness of Beard, who at the moment of his release led the shortstops of the league, both in fielding and hitting, says The Wilkes-Barre News Dealer. Beard has caught on in Detroit, which will force T. Delehanty out of the game.

MICHAEL TOOK THE RACE

But McCarthy Won a Heat in Clever Style

AND MADE A NEW RECORD.

Clever Tactics Gave the Second Heat to the Little Wonder.

John Davidson Won the Invitation Race With Thompson Second—The Novice Event Went to J. Payne of the T. A. C., Murray of Hamilton Second—A Crowd of About 2000 Enjoyed Splendid Contests by Electric Light.

All wheeldom turned out to see the big race between Michael and McCarthy. Fully 2000 spectators were at the Island last night. Besides the big race there was an invitation race, and a novice event run off in heats. In the first heat of the matched race, McCarthy established a new American competition paced record, and within 2-5 of a second of the world's professional mark. When Michael and McCarthy made their appearance they made a great contrast, McCarthy standing 6 feet and Michael 5 feet 3 inches.

The first event was the mile novice, run off in three heats. The first head had four starters, and was won by J. Payne, who led in the stretch by three or four lengths. E. Kemp second and Herrington qualified for pacing. The second heat had seven starters and a close finish between Egan and Eirich. In the third heat there were also seven riders. This went to Geo. Evans, A. Murray second and Stone qualified for pacing.

In the first mile heat of the matched race, McCarthy had the pole. He was paced by a quad for the first three laps and a tandem cleverly picked him up for the finish. Michael was paced out by a triplet for the first three laps and a quad for the last lap. McCarthy caught his pacers first and had a good clip behind him and his triplet, leading them all the way, and when McLeod and Davidson, on the tandem, picked him up he was a sixth of a mile ahead, and won by that distance, making a new record for America.

The first heat in the invitation race between Axten, Davidson and Wilson and Bobby Thompson was paced by Barnett and McGill on a tandem, and was won by Thompson, with Wilson a close second, and Davidson third.

Charlie Richardson rode an exhibition half mile, paced by Hurndall, Greatrix, Barnett and Bonnesull on a quad, doing the distance in 54 1-5 seconds.

The second heat of the matched race started, after some dispute as regards the distance. The proposal called for a mile and Shafer, Michael's manager, wanted it a two-mile heat, but, after some kicking, Referee Brown justly ordered Shafer to send his rider out for a mile. Here Shafer showed that he knew the game, for when he saw that McCarthy had got far the fastest pacers, his orders to his wonder was to take McCarthy's quad, which he did, cutting in on him at the start. When McCarthy saw this he tacked on to Michael's triplet and they slowed up, so he had to jump for his own machine again. When he was picked up by the tandem, it was too late, for Michael had caught the foreign quad and was carried over the tape an easy winner.

The novice final was won hands down by Payne, he getting the lead in the back stretch and crossing the tape ahead by seven lengths, Murray second and Egan third.

The second heat of the invitation race went to Davidson, with Wilson a close second, C. Thompson third.

The final heat, two miles, of the Michael-McCarthy race, was ridden off and was easily won by the Welshman. Michael kept well up to his pacers, while McCarthy got somewhat mixed, and the little wonder finished alone. McCarthy had the misfortune to lose the services of his quad by the breaking of the chain.

The final heat in the invitation race was won by Davidson, Thompson second and Wilson third. This was a good heat, as there was very little difference between the three riders.

At the conclusion of the program Michael, paced by a triplet and quad, tried to lower McCarthy's record, but did not succeed, the five seconds of it, his time being 1.58 3-5. McCarthy's pacers were Westbrook, Dunbar, Boak and Greatrix on the quad and Davidson and McLeod on the tandem. Michael's quad was manned by Calahan, Pierce, Leonard and Walsh, and the triplet had up Stone, Hatchond and Bainbridge.
