Manitoba School Question Exhumed in the House.

Mr. Bergeron's Fustian Exploded by the Premier.

The Opposition Member Called to Order—Agents Appointed to Enforce the Alien Labor Law.

Ottawa, May 12.—The opposition made a feeble attempt to resurrect the Manitoba school question yesterday.

Mr. McDougall, of Cape Breton, read to the house the communication of a number of members to the Holy Father on the Manitoba school question, the Papal encyclical and the pastoral of the Archbishop of Quebec. This, he explained, he did in order to place them in Hansard, as the government had refused to bring down these documents.

Sir Wilfrid Laurier replied to him that these documents had not been addressed to the government. They never had these documents, which were addressed to the whole Catholic world.

Mr. Bergeron followed up Mr. McDougall's quotations with a speech in general denunciation of the settlement of the question by the present government. He found fault with the minister of trade and commerce for saying that no communication had been sent to Rome by the government, in view of the fact that a document, which he held in his hand, had been, as he said, sent to Rome by Sir Wilfrid Laurier. Mr. Bergeron proceeded to translate from the document in his hand, which he said was entitled "Data for the better understanding of the Manitoba school question, with explanatory notes," and was signed "Wilfrid Laurier, Ottawa." This, he said, was sent to Rome by Sir Wilfrid Laurier and printed there.

SIR WILFRID'S DENIAL.

Sir Wilfrid rose to his feet and said: "The honorable gentleman has said that I have sent this document to Rome. There may be something in it signed by me. I have written several memorials on the subject, but what he has been reading from at this moment, as penned by me, I qualify as an absolute, entire, unmitigated forgery."

Mr. Bergeron then asked where the document had come from. It could not have dropped from heaven.

Sir Wilfrid asked to see it, and the book of 173 printed pages was handed across the floor to him. After examining it the premier said that it was a document which he knew well. It was printed in Rome in 1896, and he quoted from the table of contents showing that it embraced the first and second judgments of the privy council, the remedial bill, the collective letter of the bishops, conference of Mr. Laurier upon Catholic liberty, speech of Mr. Laurier, upon the Jesuit bill, peroration of Mr. Laurier's speech on the remedial bill, opinions of Bishops Lafleche, Labrecque, Gavel, Mons. Blais and other clerical authorities, opinion of Mr. Prendergast and other lawyers, and, lastly, a memorial, signed by Sir Wilfrid Laurier.

Although Sir Wilfrid had shown that his signature was appended only to the last document, Mr. Bergeron continued to express his doubts until called to order by the speaker.

Subsequently Mr. Bergeron said one of the statements in the petition to Rome was a lie.

The speaker suggested a milder word, but Mr. Bergeron excused himself on the ground that he was a French-Canadian and therefore could not choose his words very carefully. When the house rose at 6 o'clock Mr. Bergeron was cheered by the opposition, including Mr. Foster and Sir Charles Tupper.

THE LIBERALS CHEERED.

Mr. Bergeron recalled a momentous event in the parliamentary history of Canada when he read the brilliant peroration of the speech delivered by Sir Wilfrid Laurier on March 3, 1896, in moving the six months' hoist to the coercion bill which Sir Charles Tupper was prepared to die for. When the member for Beauharnois recited the patriotic declaration of the then leader of the opposition that he would appeal not on the grounds of Roman Catholicism nor on the grounds of Protestantism, but upon grounds which could appeal to the consciences of all men who love justice, freedom and toleration, the enthusiasm of the Liberals broke forth in tumultuous applause. Mr. Bergeron repeated the statement that the scrap-book he was reading from was signed Sir Wilfrid Laurier, implying that he was responsible for its contents.

IMPORTANT INFORMATION.

Mr. Davin was informed by Mr. Tarte that Mr. Gisborne had been deposed from the position of inspector of government telegraph lines in the Northwest on the grounds of inefficiency.

The postmaster-general, replying to a question by Mr. Bennett, said that Mr. J. P. Cockburn had resigned the postmastership of Gravenhurst, Ont., and Charles Cockburn (age not known) appointed in his place, on recommendation of Mr. H. H. Cook, of Toronto.

Mr. Davin asked what was the effect of the announcement of reductions in the rate of interest in postoffice savings banks. Had deposits decreased and withdrawals increased?

The finance minister, in reply, said that so far the announcement did not appear to have had any effect. He added, however, that as usual in April, when money is withdrawn to use in business, the returns to date showed withdrawals had exceeded deposits. But the chartered banks' returns for last April showed a decrease in deposits of over three millions.

In reply to a question by Mr. David (Liberal, Saskatchewan), Mr. Sifton said Mr. Thomas McKay, of Prince Albert, had been employed as rebellion claims commissioner for the government for 645 days, at $15 a day, Sundays included, and expenses, receiving altogether $14,898.

Mr. Clarke was informed that the following agents have been appointed to date to enforce the Alien Labor Act: A. C. Patterson, acting sub-collector of customs, North Portal, N. W. T.; H. Tennant, acting sub-collector of customs, Coutts, N. W. T.; J. A. Martin, acting sub-collector of customs, Huntingdon, N. W. T.; A. Lawrence, acting sub-collector of customs, Gretna, Manitoba; T. J. Mather, acting officer, Gretna, Manitoba; G. G. Allen, preventive officer, Emerson, Manitoba; W. Mills, acting officer, Emerson, Manitoba; W. F. McCreary, immigration commissioner, Winnipeg, Manitoba; James Lawson, collector of customs, Fort Erie; Robert Rush, provincial constable, Sault Ste. Marie; A. Boyle, collector of customs, Niagara Falls; James Kenning, collector inland revenue, Windsor; F. Spain, Bracebridge; W. B. McMurrich, Toronto.

Bills respecting government harbors, piers and breakwaters; respecting the protection of navigable waters, and the senate bill to amend the Companies' Act, were read a third time and passed.

SCHOOL QUESTION IN THE SENATE.

In the senate, Senor Landry asked if the government or any member of it had received from the Roman Catholic minority or episcopate of the province any protest or claim on the subject of the school question.

Senator Mills said he was not aware of any such communication.

Senator Landry maintained that was no answer to his question. He knew that such a communication had been received by the government.

"Then you know more than I do," said the minister of justice.

Sir Mackenzie Bowell claimed the answer was not satisfactory, and he protested against the "dictatorial attitude" of the minister of justice.

To another question by Senator Landry, the secretary of state said a number of the separate schools in Manitoba having become public schools, it was to be assumed that the settlement was satisfactory.

This Senator Bernier denied, claiming that some of the poorer schools had simply taken advantage of concessions by the local government, but without accepting the settlement.

There was a long debate on a motion by Senator Boulton for the six months' hoist to the Naksup and Slocan Railway bill, his contention being that it was a move of the C.P.R. to monopolize the traffic in the mining district. The debate on it was adjourned.

Who Killed His Three Sisters and a Brother—To be Hanged May 20.

[C. P. R. Special to The Advertiser.]

Ottawa, May 12.—An order in council was signed by Lord Aberdeen today permitting the law to take its course in the case of Tom Nulty, now in Joliett, Que., jail, sentenced to be hanged for the murder of his three sisters, aged 17, 15 and 11 years, and brother, aged 9 years.

Nulty butchered the whole family with an axe. The horrible affair took place at Rawdon, a country district in Quebec.

Nulty will be executed on May 20, in the jail yard, at Joliette.

"Worldly" Amusements

Considered by the U. S. Methodist Episcopal Conference.

Baltimore, Md., May 12.—At the session of the quadrennial conference of the Methodist Episcopal Church South, yesterday, a memorial was introduced which promises to make things lively for churchmen who desire to attend theaters, dances, play cards, go to circuses, or horse races, or belong to clubs which serve liquor. The memorial was introduced by the Virginia delegates, was simply read by title "Worldly Amusements," and was referred to the committee on revivals. The memorial is as follows:

Question—What shall be done to prevent the spread of worldliness among our churches, especially in its most open forms?

Answer—1. Let all our preachers and members faithfully observe our general rules which forbid "softness or needless self-indulgence," and the taking such diversions as cannot be taken in the name of the Lord Jesus. 2. When any of our members engage in dancing, card playing, or horse racing, or attend upon theaters, circuses, dances, or join social clubs which furnish intoxicating liquors for the members, the pastor shall give private reproof to the offender. If there be any acknowledgment of the fault, and promise of amendment, the person may be borne with; otherwise the preacher must take with him two or three faithful friends, who shall labor to bring the offender to proper repentance, but if he will not hear them, and there be no sign of amendment, the offender must be dealt with as in case of immorality.

The Spring air is full of germs of disease, which have been freed from their congealed state by the warm spring sun. AT THE AUDITORIUM.

Evangelist Varley Addressed Two Large Audiences.

Mr. Henry Varley addressed a large gathering at the Auditorium yesterday afternoon, on the subject of "The Divine Provision." He spoke from Psalms lx., 4: "Some banners for God's people." The first banner was found in Genesis xxii., 14: "Jehovah Jireh" ("The Lord will provide"), and indicated provision for all things in grace, he said. "Jehovah Nissi" ("The Lord my banner"), given in Exodus xvii., 15, meant protection: Number three, "Jehovah Shalom" ("The Lord send peace"), was found in Judges vi., 24. In Jeremiah xxxiii., 16, was given "Jehovah Tsdkenu" ("The Lord over righteousness"), indicating preciousness. In Ezekial xlviii., 35, was found "Jehovah Shammah" ("The Lord is there") These thoughts—presence, preciousness, peace, protection and provision—were all inscribed on these banners, and were for the strength and comfort of God's people, said Mr. Varley, and he urged his hearers to exalt the Word of God, to put the Lord in the first place. They should accept the teaching of his truth, and let his banners float out to the breeze. The attendance was larger than at any of the previous afternoon meetings.

In the evening Mr. Varley spoke from Mark x., 17: "The young ruler under cross-examination," and the discourse was listened to by a large audience. His subjects for today's meetings are: At 3 o'clock, "The Divine Presence," and at 7:45 "God's Care of Inquirers."

MR. WILLIS, WOODSTOCK

Escaped a Deadly Enemy by the Aid Of Dodd's Kidney Pills.

Woodstock, May 9.—This city is deeply agitated, with joyous excitement, because another popular resident has escaped from the fatal grip of Kidney Disease, by the aid of Dodd's Kidney Pills.

Everyone knows Mr. H. A. Willis, the genial proprietor of the Buckingham Hotel. He tells his story thus: "For two years past I suffered intensely from Lame Back and Kidney Disease. Nothing I ever used helped me.

"My sufferings grew worse daily. I heard so much of Dodd's Kidney Pills that I decided to try them. I got relief from the first box. Three boxes cured me entirely."

Dodd's Kidney Pills always cure.

A Banker's Experience.

"I tried a bottle of Dr. Chase's Syrup of Linseed and Turpentine for a troublesome affection of the heart," writes Manager Thomas Dewson, of the Standard Bank, now of 14 Melbourne avenue, Toronto. "It proved effective. I regard the remedy as simple, cheap, and exceedingly good. It has hitherto been my habit to consult a physician in troubles of this nature. Hereafter, however, I intend to be my own family doctor."
