ASLEEP FOR YEARS!

A Veritable Rip Van Winkle in Quincy, Minn.—Physicians Puzzled.

QUINCY, Minn., July 28.—Minnesota's modern Rip Van Winkle, Mr. Herman Harms, who has slept almost incessantly for the past seventeen years, has once more started out of his sleep. His case is most phenomenal and is attracting more attention from day to day. Within the past year he has been visited by several prominent physicians for the object of medical enlightment. It is now about one year since he was last awake, at which time he remained awake for two weeks, taking the normal amount of sleep.

Mr. Harms is now living on the Bugmann farm, one mile and a half east of this place. He moved here about three years ago from near Utica, this State. Some seventeen years since, when living in Illinois, Mr. Harms was attacked by a severe fever and had intense pains in his head. After the febrile symptoms had passed away this sleepiness came upon him. His physicians advised him to try living in a cooler climate whereupon he moved to Minnesota. This was in 1878. During his stay in Illinois he did not sleep continuously, but since coming to this State he has slept all of the time, with the exception of eighteen months beginning with 1881, two months in 1889 and two weeks last July.

While he is sleeping he can only be aroused by his wife touching him gently on his head. Calling or shaking him will not arouse him in the least. In this particular he is a strikingly strange case. He takes no nourishment at all to speak of, but when he does it is always in the night. The past year he has become terribly emaciated and seems to have aged greatly indeed.

Mr. Harms was born in Germany in the year 1838. In 1863 he was married to Miss Lydia Bugmann. Five children have been born to them, the last one in 1891. All the children appear to be as bright as the average child.

The eldest boy, Willie, was a victim to melancholia, and in 1882, at the age of 12 years, committed suicide by hanging himself to the plow handle while in the field plowing. This affliction falling upon the poor wife and mother prostrated her. Only a few days past she said she could bear with the care of her husband, but when her son's name was mentioned she broke completely down. During all these years of her husband's torpidity she has zealously guarded him and has labored with Christian resignation and fortitude.

The family is in almost destitute circumstances. Last summer a representative of a well known circus called on Mrs. Harms and offered to give her $150 per month and expenses of the family if they would travel with the circus. But she would not listen to the proposition. She has also received several similar offers from numerous museum managements of Chicago and other larger cities. Mr. Harm's case has thus far baffled the skill of the best physicians.

Mr. J. R. Allen, upholsterer, Toronto, sends us the following: "For six or seven years my wife suffered with Dyspepsia, Costiveness, Inward Piles and Kidney Complaint. We tried two physicians and any number of medicines without getting any relief, until we got a bottle of Northrop & Lyman's Vegetable Discovery. This was the first relief she got, and before one bottle was used the benefit she derived from it was beyond our expectation."
