ALLURING OUR GIRLS AWAY

An Alleged Procuress From Buffalo Arrested at Merriton.

Mr. Durance of the Firm of Brown & Durance Taken Seriously Ill From Eating Canned Lobster—A. M. E. Conference Concluded — W. J. Douglas Buried—Other Hamilton Notes.

Hamilton, Aug. 28.—(Special.)—Detectives Mains of Niagara Falls arrested an alleged procuress named Mrs. J. Gibson of Lockport and Tonawanda, at Merritton last night and brought her to this city with two Hamilton girls that he had detained at the Bridge a few hours before. The woman was locked up on a charge of procuring girls for immoral purposes, and the girls were held as important witnesses. Their names are Ida Dawson, aged 22, and Lizzie McIsaacs, aged 18, both of Jackson-street east. The girls were seen going away on the noon train by P. C. Miller, who notified Chief Smith. The chief telephoned to the provincial authorities at the Bridge and Mains did the rest.

The girls are respectably connected and they and their parents are almost heart-broken. The prisoner will be tried to-morrow. She is about 30 years of age and claims to be the wife of Gibson, who is now awaiting trial at Buffalo on the same charge. A mistress of Gibson named Della Ayres was sent to the Mercer Reformatory from here a few months ago for one year for taking two little girls to Gibson's house.

Poisoned by Canned Lobster.

William Durance of the firm of Brown & Durance, grocers, corner of Caroline and Herkimer-streets, was taken seriously ill last evening through eating lobster. After leaving the store he went to the American Barber Shop, and while in the chair he fainted. On reviving he began to vomit and Dr. Leslie was called in. He found that Durance was suffering from some poison and the sick man told him afterwards that he had eaten some canned lobster before going to the barber's. Mr. Durance was taken to his home in a cab. He was much better to-day.

Ministers Ordained.

The A. M. E. Conference in St. Paul's Church was concluded last evening. At the ministerial examination of characters, all the delegates passed successfully. To-day special services were held. At this morning's service Rev. J. H. Atkins of Oakville and Rev. W. Reeves of Sarnia were ordained to the ministry. Bishop Lee preached the sermon. This afternoon the Bishop and Rev. Mr. Hackley conducted a memorial service in memory of the late Bishop Armstrong of Texas. This evening Rev. S. Smith of Buffalo preached.

Brave James Summerhayes.

The Investigating Governors of the Royal Canadian Humane Association have unanimously awarded parchment certificate of the association to James Summerhayes, an employe of the Bell Telephone Company, London, for prompt action and gallant conduct in saving Mary Lynch, aged 10 years, and James Lynch, aged 5 years, from drowning in the River Thames on Aug. 16 last.

W. J. Douglas' Death.

William J. Douglas, the Hamilton man who died so suddenly in Montreal on Friday, lived at 55 Wellington-street north, having moved there from Burlington last spring. Deceased while in Burlington carried on a large lumber business and he was also connected with the C. P. McGann Lumber Company, Toronto. Latterly deceased was inspector of ties for the Grand Trunk Railway and Toronto, Hamilton & Buffalo Companies. He leaves a widow and four sons: William T., manager of the Bell Telephone branch in Stratford; Rose C., Stratford; Frank, of Montreal, and Oliver of the Bell Telephone Company office here. The funeral took place this afternoon to Greenwood Cemetery, Burlington.

Minor Matters.

Arthur Plastow, while driving a horse and delivery wagon yesterday morning, knocked down Miss Nellie Spears, while bicycling on King-street east. Miss Spears was unconscious for some time.

The McCrimmon homestead at Ancaster, the second oldest building in the village, was burned down Friday night. The fire was of incendiary origin. The house, which was unoccupied, was insured.

The prohibitionists and anti will begin active work after Sept. 1. It is likely both sides will hold public meetings. Each party has a strong organization.

Mr. S. L. Wright, artist, is going to Paris to continue his studies.

Mr. R. Paul Gow of the Canada Life left last evening for New York for two weeks' vacation.

The License Commissioners of North Wentworth met yesterday and refused to grant a license for the Mountain View Hotel to Bailiff William Hunter.

JIM POPP AFTER THEM.

The Toronto Lightweight Wants to Match Again With Erne and Also Lavigne.

Referee Walter Kelly has some interesting gossip in The Buffalo Sunday Courier about the boxers who will participate in the Mutual street Rink bouts. He says:

According to a letter just received from the manager of the Crescent Athletic Club of Toronto, Jim Popp is training harder for his contest with Hymie Goldstein than for any bout that he has had in a year or more.

Popp was caught out of condition by Jack Bennett, and he went into the bout thinking he had a mark, but he was fooled. Jim has determined to take no more such chances, and Hymie will find him in excellent fettle when they meet.

Popp saw Lemons box Kitty, and he realized that the negro is a good one. He then figured that, as Goldstein had bested Lemons, he must be a foeman worth training for. Hymie has all kinds of respect for Mr. Popp, too, for he knows full well that Frank Erne has few equals of his weight, and Popp, by drawing with him, proved to be Frank's equal.

Goldstein is working like a fiend with Sammy Callahan and four other local men.

Jim Popp's backer is so confident that he will beat Hymie Goldstein that he has announced his determination to challenge the winner of the Erne-Lavigne contest. In a letter to a New York paper Popp's manager writes: "Popp has just as much of a right to a match with Lavigne as Erne, for Jim gave the Buffalo man as hard a fight as he ever had in his life, and we have never been able to get a return match with him. After the Goldstein bout we will post a forfeit to meet Lavigne or Erne, or both, for I do not believe the man lives to-day who can beat Jim Popp at the lightweight limit."

Toronto has a pair of good 120 to 122 pound lads in Jack Daly and Jim Smith. They boxed a six-round draw recently in which the writer was referee. It was as rapid and as exciting a preliminary bout as ever was boxed in any ring. The little fellows boxed cleverly, they hit hard with both hands and they stood the pummeling like gamecocks. They go for ten rounds as the chief preliminary to Popp and Goldstein. Why would it not be a good scheme to put either Smith or Daly against some of the handy lads that are to be found around Buffalo at that weight? Kid McCarthy would be a close match for either of them and Luke Stevens would probably be too speedy. Luke beat McCarthy last year.

The Coleman Restaurant.

Improvements have been effected in many departments of the Coleman Restaurant, 113 King-street west, since Mr. Albert Williams has taken possession. The restaurant upstairs is in good running order and the service is excellent. Mr. Williams has imported a shipment of live green turtles and will serve the genuine green turtle soup during the Fair in both lunch room and restaurant. Steaks and chops, for which Mr. Williams has made himself famous, may now be had grilled to suit all tastes. The quality of ice cream, coffee, breads, cakes, etc., for which Mr. Coleman has made his reputation, will still be retained by Mr. Williams.

Changed Time-Table.

Commencing to-day the Hamilton Steamboat Company's steamer Modjeska will make two round trips daily between this city and Hamilton, calling at Burlington Beach, leaving Toronto at 11 a.m. and 6 p.m. Hamilton at 7.45 a.m. and 2 p.m. Single tickets will be issued at 25 cents, round trips at 50c, good returning for one month.

There will be a meeting of the Board of Control this morning at 11.

CANADIANS PLAY PHILLIES.

The International Cricket Match Begins To-Day.

Thirteenth Annual Match Between Canada and United States, Represented by Philadelphia Players—All New York Won by 31 Runs—On Local Creases.

Philadelphia, Aug. 28.—The thirteenth annual cricket match between the United States and Canada will be played to-morrow and Tuesday on the grounds of the Merion Cricket Club in this city. Owing to the fact that Canada has been successful in these games for the last three years great preparations have been made for this game.

Although the United States team will be without the services of several men whose names have been associated with the international cricket match for many years, the team selected may be considered truly representative, and if it is defeated the Canadians will deserve their victory. It will be as follows:

R D Brown, P H Clark, W W Noble, J E C Monton, F H Bates and N Z Graves of the Germantown Cricket Club; J B King, A M Wood and F L Altemus of the Belmont Cricket Club; A P Morris and J H Scattergood of the Merion Cricket Club.

Of the 29 games played so far the United States has won 16, Canada has won 11 and 2 have been drawn.

A Win for All-New York.

New York, Aug. 28.—New York and the Canadians concluded their match Saturday, which resulted in a win for All New York by 31 runs. For the winners Cobb, Lohman and Curran all batted in good form for their runs, while for the losers Laing, Hills and McGiverin did well. The visitors were entertained to dinner after the match at the Staten Island Clubhouse. Score:

Toronto-Rosedale Won.

Toronto-Rosedale defeated St. Simon's on Saturday by 30 runs. Toronto-Rosedale going first to bat, piled up the respectable score of 142, of which Montgomery, Larkin and Gregory made 52, 42 and 23 respectively. The partnership of Lownsbrough and Baldwin looked at one time as if St. Simon's were going to pull off the necessary runs, but Montgomery's bowling was too much on the wicket. Lownsbrough's 33 not out was made without a chance, he carrying his bat all through the innings. Baldwin, Powell and Marriott also played well for St. Simon's.

Rochester Wants Canada's Cup.

Rochester, Aug. 27.—Commodore Frank E. Woodworth of the Rochester Yacht Club is willing to race the Cinderella against George E. Gooderham's Canada for the Fisher Cup, providing that a mutual understanding and agreement can be reached concerning the contest. It is hardly probable, however, that the race will take place this season, for several good reasons. The status of the cup is so involved that it is doubtful if it can be cleared up before the winter is over, and the Cinderella is so bound up with engagements, and there are so many things to be done necessary in a race, that there is hardly time to complete them this season. It is understood that if Mr. Gooderham insists that the race take place this year it is his privilege to claim the cup unless some yacht shall be ready to compete with him inside of 30 days after his challenge. Yet there is a belief that, under existing circumstances, he will not press his claim.

WARE WON THE SINGLES.

Harvard Man to Play Bond for International Lawn Tennis Championship.

Niagara-on-the-Lake, Aug. 27.—The finals in the men's singles were played in the Niagara international tennis tournament here to-day, and L. E. Ware of Harvard will challenge W. S. Bond of Chicago, the present champion, for the championship on Monday. Ware won from J. D. Forbes of Harvard in a four-set match. Forbes played well in the second set, but was outplayed in the other sets.

In the ladies' singles, Miss Juliette Atkinson, the champion, and Miss Marie Wimer, the challenger, played two sets, each getting one when play was stopped by darkness. Score:

Open singles, semi-final round—L. E. Ware, Harvard, beat Harry Cole, Detroit, 6—1, 6—4; J. D. Forbes, Harvard, beat James Norris, Montreal, 6—2, 6—2. Final round—L. E. Ware, Harvard, beat J. D. Forbes, Havard, 6—4, 4—6, 6—1, 6—2.

Ladies' singles—Championship round—Miss Juliette Atkinson, champion, against Miss Marie Wimer, challenger, 10—8, 7—9 (unfinished).

Men's doubles—Preliminary round—George Wagner and partner beat H. McLaughlin and L. McLaughlin, 6—4, 6—4; Peter Porter and H. Misner beat A. B. Wright and H. Bissell, 6—8, 6—4, 6—2. First round—Peter Porter and H. Misner beat C. M. Dana and A. H. Blackwood, 6—4, 7—5. Semi-final round—E. P. Fischer and W. S. Bond beat Peter Porter and H. Misner, 6—2, 6—2.

University Ladies' Tournrey.

This afternoon the most novel and at the same time what promises to be one of the most successful tennis tournaments ever held in Canada opens on the University courts, under the auspices and management of the University Ladies' Lawn Tennis Club. Since the proposal was made a week ago to hold this tournament, such success has crowned the efforts of the ladies that play will commence this afternoon with what is perhaps the largest ladies' entry ever recorded in Canada. Nor have the gentlemen's events suffered, but an entry list of 27 names in the open singles and 32 in the handicap shows clearly the growing interest in tennis in the city, and the readiness with which players who have not yet attained the front rank are willing to try conclusions with the best in the city when the entry fees are moderate. The mixed double event, which will be the largest event of its kind ever held in Canada, will remain open for entries to-day.

This afternoon's program is as follows: 1.30 p.m.—Miss J. Malandine v. Miss Crane; Pattie v. Smith-Jones; Charlton v. Campbell. 2.30—Miss Hedley v. Mis V. Summerhayes; Glassco v. Summerhayes (H); Austin v. Paterson (L). 3.30—Tyner v. Harris (H); Bertram v. Stewart (H); Smith-Jones v. Campbell. 4.30—Miss Fitch v. Mrs. Cox; Cave v. Medd (H); T McMaster v. Lee (H). 5.30—Pardoe v. A C McMaster (H).

It is surprising to learn how many Baby Grands have been sold by the well-known firm of Messrs. Heintzman & Co. within the last few months. Some forty-five pianos were bought by our best and most aristocratic families, which speaks volumes for Canadian manufacture, as it is only a short time ago when our wealthy people bought nothing else but American makes. Heintzman & Co. are to be congratulated upon producing such high-class pianos.

If a man will try to substitute some other water for Mt. Clemens Sprudel, won't he try to fool you on his other goods?

THEY'RE OFF AT FORT ERIE

Favorites and Outsiders Win on Opening Day.

Miss Gussie at Odds-on Was the First Winner—The Tar Ran Second to Parson in Closing Race—Bon Ino Wins Her First Race at Saratoga.

Fort Erie, Aug. 27.—Between 2000 and 3000 persons welcomed the angtails back here for the fall meeting of the Highland Park Club Saturday afternoon. There is every indication of a successful meeting. Good horses and many of them are already at the track, and although stable room is at a premium room will be made for tardy arrivals from St. Louis and Saratoga, both having closed yesterday. In the stand Frank Nelson was associated with Judge Carter yesterday, but will give way to Capt Jack Price during the Toronto Exposition. Curley Brown is still wielding the flag, but will yield it to Dwyer, after the opening of the Newport meeting at Cincinnati, where Brown has engagements. Yesterday six bookmakers drew in for one day, in addition to the field and combination books. It is expected that this number will be considerably augmented by Monday, when the drawing, probably, will be for three days.

Favorites and second choices divided the card pretty well yesterday and there was brisk speculation on the racing. As expected the battle of the first event was between Miss Gussie and Jesse, with the honors in favor of the Canadian Derby winner. J. E. Clines, favorite, landed the second race in a tight fit with Prospero and Mouzeloff. Nimrod scored for the favorites again in the third. The first serious upset for the talent came with the victory of Lord Farandole in the fourth race, Nover tiring and finishing back in the bunch. Nicholas dropped into a soft spot in the next, but many were badly disappointed by Nellie Baker's failure to land the place. Everybody scratched to Alice Farley in the next and the race was declared off. Mr. Gray thinks so well of his filly in her present form that he will send her east next week to keep stake engagements at Sheepshead Bay.

Parson was easily the best in the event over the jumps, although The Tar, an old 60-to-1 performer at Fort Erie, was crowding him at the close. Long Brook, who was expected to make the brush with Parson, found the full course too long. Summaries:

First race, all ages, 6 furlongs—Miss Gussie, 100 (T. Williams), 1 to 3, 1; Jessie, 120 (Sweeney), 8 to 1, 2; Trimmer, 88 (Stark), 5 to 1, 3. Time 1.14. Prince Plausible, Laurentian, Hadrian and Casada also ran.

This Good Thing Went Wrong.

New York, Aug. 27.—The usual half-holiday crowd attended the races at Sheepshead Bay to-day. Him Time, McCafferty's added starter in the Dash Stakes, was the cause of a heavy plunge, being backed from 50 to 1 down to 3 to 1 at the finish. The best Him Time could do, however, was to land in third place. Briar Sweet, with Maher up, was a slight favorite over Irish Reel in the Ocean Handicap and won easily.

First race, "The High Weight Handicap," 5½ furlongs—St. Catalin (Clawson), 3 to 1, 1; Lambent (Williams), 3 to 1, 2; Rossifer (Spencer), 8 to 1, 3. Time 1.08 2-5. Trolley, Caenill, Gen. Maceo, Chum also ran.

Second race, selling, 1 1-8 miles—Damien (Sloan), 9 to 5, 1; Mill Stream (Maher), 6 to 1, 2; Squire Abingdon (Moody), 15 to 1, 3; Time 1.55 1-5. Free Lance, Belmar, Twinkler, Octave also ran.

Third race, the Dash Stakes, 5 furlongs—Ways and Means (Maher), 3 to 1, 1; Kentucky Colonel (Turner), 7 to 2, 2; Him Time (Dean), 15 to 1, 3. Time 1.01. King Don, Marblehead, Duke of Middleburg, Prestidigatrice, Hungarian, Greyfield, Dr. Richberg also ran.

Fourth race, "The Ocean Handicap," 1 mile—Briar Sweet (Maher), 9 to 5, 1; Irish Reel (Sloan), 2 to 1, 2; Bangle (Barrett), 10 to 1, 3. Time 1.40 4-5. Algol, Semper Ego, Royal Stag, Marchiul, Lady Miriam, Peep o'Day also ran.

A Nervous Toronto Woman Walked the Floor During the Night for Hours at a Time—She Makes a Statement.

TORONTO, ONT.—"I was troubled with nervousness. It was impossible for me to keep still and if the spells came over me during the night I had to get up and walk the floor for hours at a time. My blood was very poor and I was subject to bilious attacks. My feet would swell and I was not able to do my own housework. I treated with two of the best physicians here but only received relief for a time. I became discouraged. One day a friend called and advised me to try Hood's Sarsaparilla. I laughed at the advice but I was prevailed upon and procured one bottle. Before I used it all I began to feel better. I took several bottles and also several boxes of Hood's Pills. Now I can eat and drink heartily and sleep soundly. Hood's Sarsaparilla has entirely cured me and also strengthened me so that I now do all my own work. I cheerfully recommend Hood's Sarsaparilla to all sufferers from nervousness, weakness or general debility." MRS. H. F. PARM, Degrassi Street.
