STRATFORD CHAMPIONS ST. ANDREW'S GAME, 7-2

Junior O.H.A. Final Decided Before Big Crowd—Western Team Won Round by Two Goals.

The O. H. A. junior championship was decided at the Mutual-street rink Thursday night before a full house and on fairly hard ice. The Stratfords went into the game with a lead of 7 goals, the score in the game on Stratford ice Tuesday night being 10 to 3 in their favor.

As a result it fell to the St. Andrew's septet to initiate the aggressive style of play, and this they did last night. Stratford for the most part, at least during the early part of the game, did not feel called on to play aggressively. With a large lead they felt more or less at ease and were content to stay on the defence. At times, however, attempts were made on St. Andrew's goal or for no other reason than to liven up the play a bit. St. Andrew's College, it was easily discernible, felt it was up to them to do things, and do them they did. Of course the fact that they were playing on their own rink and on a smaller one than the Stratford ice, aided them materially.

But work as hard as they could, the Saints were not able to overcome the Stratford's lead and the round and championship went to the Stratfords by the total score of 12 to 10. Last night's game was won by the Toronto team, the final tally being 7 to 2. At the conclusion of half-time the Saints led by 4 to 1.

The teams on the whole were evenly matched. The Stratford bunch on the whole were the better skaters. The smallness of the rink interfered some with the visitors' combination. The Stratford defence was probably the better of the two. On the showing made by both lines last night it is difficult to pick the one most deserving. St. Andrews at times played very much individual. Grier being especially prominent in this work, tho he was not at all selfish in his play.

Unusual interest was manifested by the crowd. Many were in attendance from Stratford. St. Andrew's College was not represented; all students were there.

The ice was in good condition and did not cut up very easily. The first half was in St. Andrew's favor, tho at times very even. The college had the puck in their opponents' territory a great deal of the time. Killer was sent off shortly after the opening. The puck at the start went for the visitors' goal and they were on the defence for a considerable time. Crossen played up with the forwards quite often and many shots were stopped by Rankin in goal. Douglas lifted a counter, but the Stratford point man, Roberts, stopped. The Saints were rushing things at the start, but the Stratford defence was good and scores were not forthcoming. Neither Baker nor Roberts could be drawn out and this pair for a time were relly invulnerable. Finally, after 8½ minutes' play, in which the Toronto boys had most of what was called for, Crossen, by excellent stick-handling took the puck by the Stratford defence and neatly shot the first of the game. Douglas and Crossen were both sent off and Grier played defence. Stratford could not, however, score, tho the Saints' defence was all off. Killer hit his head against the boards, but was able to continue, and finally after, after 15 minutes' further play was able to get the next for his team. This was shot on a pass from Davidson. McCallum and Baker made a pretty combination rush, the latter shooting. Warden stopped this one and many others. Play became more even and it looked as if the Saints would be unable to get any lead at all. But three goals came to the Saints in rather quick succession during the closing minutes of the first half. On a pass by Sale from right Cotton was able to put the puck into one corner of the nets. Thirty seconds later Grier notched another by a clean shot. Still another came to Grier just before time was up. St. Andrew's prospects seemed brighter as a result of this scoring and they came out for the second half just four goals behind their opponents on the round.

St. Andrew's needed five goals to win the championship when they came on the ice for the second half. They very nearly won out. In less than ten minutes the college were but two behind on the round. Crossen's speedy rush and pass to Cotton put the college four ahead on the game. But Davidson quickly got it back by an accurate sideshot on a pass by Hamilton. Grier was ruled off for five minutes. While Grier was off Douglas lifted one accurately into the nets. Sale hurt his knee. The next rink came to Grier. Brouson followed up a lift and secured the puck and passed it to centre. The remainder of the game St. Andrews made strenuous efforts to get the two goals needed to tie the score. But Stratford, tho somewhat tired, played plucklily and held their own. Summary:

Hagersville's Fastest Game.

Hagersville, March 2.—In the fastest game played here this season Hagersville won from Cayuga in the Southern Counties Hockey Association League. Considerable rough play was indulged in by both sides. When time was called the game was a tie, six each side. In the first five minutes extra time Hagersville scored a goal and won by a score of 7 to 6. There was a record attendance, large contingents being present from Caledonia, Cayuga and Jarvis. The teams are:

Hagersville (7): Kelly, Thomas, Seymour, Smith, Dusty, Price, Scott.

Cayuga (6): W. Robbelee, Aguish, French, M. Robbelee, Howard Barry.

Slow Game at Pittsburg.

Pittsburg, March 2.—Pittsburg won from the American Soo last night by 2 to 1. The game was painfully slow. Both teams slushed viciously and paid no attention to the puck. Baird did nothing but body and trip thruout the game. It resembled old-fashioned shinny more than up-to-date hockey. Sweitzer was hurt at the beginning of the second half and Campbell went off to even up. Laviolette for the Soo and Sixsmith for Pittsburg were the only ones who tried to play the game. There were numerous delays and 2300 people hissed both teams and the referee impartially on two or three occasions. The teams lined up as follows:

Pittsburg (2)—Winchester, goal; Spittal, point; Baird, cover; Sixsmith, rover; Campbell, centre; Kent, right wing; Roberts, left wing.

American Soo (1)—Jones, goal; Hamilton, point; Howell, cover; Stevens, rover; Robinson, centre; Laviolette, right wing; Sweitzer, left wing.

Chatham Not Champions.

Ridgetown, March 2.—Chatham hockey team battled with the locals here to-night to decide the championship of Western Ontario, losing by the score of 20 to 6. The game was too one-sided to be very interesting, especially in the second half, when the locals scored eleven times to Chatham's once. The teams lined up as follows:

Ridgetown (20)—Goal, Chapman; point, Emes; cover, Ridley; centre, Plett; right, Clement; left, Montgomery.

Chatham (6)—Goal, Mercer; point, Hicks; cover, Brundage; centre, Brady; right, Quesnell; left, Lawson.

Referee—W. Elliot of Chatham.

CURLING

Lindsay, March 2.—This morning three Peterboro rinks visited Lindsay on their way home from Bobcaygeon and played a friendly game with three local rinks. The Lindsay rinks were up 7 shots.
