WILL MOTHERS RELY ON PROFESSIONAL EXPERIENCE AND ADVICE?

More than one half of the mother's every-day worries, cares, watchings and anxieties are caused by the cross, peevish and sickly infant. Hundreds of mothers have this daily experience, and many of them wonder why other mothers are more favored and blessed. Loving and self-sacrificing mothers are inclined to ask why other babies are so bright, happy and robust, while theirs are so troublesome and weak.

This is quickly and easily explained; and judging from the letters which thankful mothers daily send in, the following reason will satisfactorily unfold the truth:

The happy, bright and vigorous babies who coo all day long in healthy glee, and who rest and sleep well at night, are all fed on Lactated Food; while the multitude of weak, puny, cross and peevish babies are daily fed with a poor quality of cow's milk, often stale and diseased; or with some of the poorly prepared artificial foods, which do not contain the elements necessary for a baby's nourishment and growth.

This is the season when Lactated Food shows its vast superiority over all other foods. This is the time when careful and sensible mothers appreciate its worth. Disease and infantile summer complaints may hover around us, sending forth their deadly arrows; yet amidst all this danger, the babies who are fed on Lactated Food are safe from pestilence and sickness; they go forward from strength to strength, and mothers are not worried and careworn regarding their condition.

This is only true when life-giving Lactated Food is used; experience has proved the correctness of this assertion.

Physicians are strongly urging its use in the family, knowing its great value. Can you rely on professional experience, dear mother, or will you still trust your own judgment and small experience, and run the risk of losing your dear babe from cholera infantum, dysentery or some other summer complaint?

Children Enjoy

the pleasant flavor, gentle action and soothing effects of Syrup of Figs, when in need of a laxative; and if the father or mother be costive or bilious, the most gratifying results follow its use, so that it is the best family remedy known, and every family should have a bottle.

A bottle of Angostura Bitters to flavor your lemonade or any other cold drink will keep you free from Dyspepsia, Colic Diarrhea and all diseases originating from the digestive organs. Be sure to get the genuine Angostura, manufactured by Dr. J. G. B. Siegert & Sons.
