PHOSPHOROUS, Lime, Iron, Calisaya or Peruvian Bark. Dr. Wheeler's Compound Elixir of Phosphates and Calisaya combines these valuable remedies in the form of a delicious cordial. Phosphorous, a brain food; Lime, an excitant of nutrition; Iron, a blood maker; and Calisaya or Peruvian Bark, the only specific for chills and fevers, and all conditions of nervous prostration and general debility. Phosphates are the only agents known that act immediately on the stomach, perfecting the digestion and assimilation of food, and determining the formation of pure blood. No combination ever discovered is so remarkable in building up constitutions run down with old complaints that have heretofore resisted all ordinary methods of treatment. Sold by all druggists.

All will be so conducted as to be a perfect guarantee against complaint from any just source.

The payment of gifts will begin on Saturday, July 12th, at 9 o'clock, a.m. Tickets drawing gifts must be presented at room No. 4, Public Library Building, where cash checks upon the Farmers' and Drovers' Bank of Louisville, or Sight Drafts upon the Fourth National Bank of New York, at the option of the holder, will be given for the tickets. It is acknowledged by many prominent physicians to be the most reliable preparation ever introduced for the relief and cure of all Lung complaints, and is offered to the public, sanctioned by the experience of over forty years. When resorted to in season it seldom fails to effect a speedy cure in the most severe cases of Coughs, Bronchitis, Croup, Whooping Cough, Influenza, Asthma, Colds, Sore Throat, Pains or Soreness in the Chest and Side, Liver Complaint, Bleeding at the Lungs, &c. Wistar's Balsam does not dry up a Cough, and leave the cause behind, as is the case with most preparations, but it loosens and cleanses the lungs, and allays irritation, thus removing the cause of the complaint.
