The company number twenty five first class artists and the programme presented is of the highest order and replete with splendid novelties, while the fun is fast and furious. OFF THE FIELD.

A. J. Cunningham of Gardiner, will report for duty with the A. A. club Monday.

The necessity of a good fielder was only too apparent, and now the athletic club have a player on whom they may depend.

That young man who generally played at right, and played so poorly, has now an opportunity to take a seat in the grand stand.

Cunningham will likely be stationed at third. In this position in the past he has made a great reputation, and his batting average last year was .360.

The Baths play at Moncton to-day. Wagg and Larrabee will be the opposing battery.

The Augustas beat the Walthams 10 to 6 at Augusta, Thursday, the game being a very interesting one.

The Augusta nine has secured Sullivan of the Lovells. They say he is a great pitcher.

Manager Toole, of the Bangors, has telegraphed to Burns, who is now playing in Moncton, asking him to come here. Burns caught on the Bangors in 1887 and is a fine little catcher.—Commercial.

Burns is at present playing with the Frederictons, and the Gleaner says he is a great acquisition to the team, for, besides being a good all round man, he is an excellent change pitcher.

Foster, of the same team, at his own request, will be released from his engagement after the carnival games.

Thursday the Portlands defeated the Bangors. Score 10—5.

Manager Toole, of the Bangors, has signed Ruby of the Portlands. If he continues to do such good work in the box says a Bangor paper, he will be a great addition to the list of players.

The St. Johns play in Bangor to-day with a first class nine. Markis and Hafford will be the battery against them, and the Bangors will have the crack players in the field.

The Portlands left on last evening's train from Bangor for home. The members of the club presented the manager, M. J. Charity, and their umpire, Joseph Dixon, with handsome gold band rings Thursday evening, in token of their appreciation of their services.

Says the Bangor Commercial: Small, Rogers and Parsons of St. John came to this city on the Yankee and saw the ball game. They came up in advance of their team to get a vacation at home. All three of them are doing grand work in St. John and are very much pleased with the team. A fine looking and gentlemanly set of players will be seen on the field, representing St. John, to-morrow and an immense crowd should see the game. It ought to be by far the best of the season in this city.

MANCHESTER, ROBERTSON & ALLISON,

"The temple of the sun at "Tadmor" in the wilderness has fallen; but the traveller slakes his thirst at Jacob's well, a striking illustration of the survival of the fittest. Just here it can be said that our IDEAL SOAP still pursues the even tenor of its way, while other brands which have had a short run have fallen into ruins, and the survival of the fittest is sure to succeed.
