GREAT ENGLISH REMEDY!!!—THE MOST VALUABLE SPRING AND SUMMER MEDICINE IN THE WORLD!

HALSEY'S FOREST WINE!

Patronized by the Nobility and Medical Faculty of England, and esteemed the most extraordinary Medicine of the Age.

MEDICINES containing Molasses or Liquorice, like the boasted Sarsaparillas, require many large bottles to produce the slightest change in health. The *Forest Wine* is altogether a different article. It contains no Syrups to give it consistency, but acquires the excellent flavor and powerful medicinal qualities from the vegetable plants of which it is composed. The *Forest Wine* combines the virtues of the

WILD CHERRY, DANDELION, YELLOW DOCK, and SARSAPARILLA.

With other valuable Plants whose properties are still more powerful.

Its high concentration renders it one of the most efficient Medicines now in use. Less than a single bottle restores the lingering invalid from weakness, debility, and sickness, to strong and vigorous health. Every dose shows its good effects on the constitution, and improves the state of the health. The *Forest Wine* is recommended, in the strongest terms, for all complaints of the

SAVED FROM DEATH!!

TO the many of Mr. Nathan Mathews, *a highly respected citizen of Newark, N. J.*

DR. G. W. HALSEY:—I believe your Forest Wine and Pills have been the means of saving my life. When I commenced taking them, I laid at the point of death, with Dropsy, Piles, and Asthma. My Physicians had given me over as past cure, and my family had lost all hope of my recovery. While in this dreadful situation, your Forest Wine and Pills were procured for me, and but one bottle of the Wine, and one box of Pills, I experienced great relief; my body and limbs, which were greatly swollen, became sensibly reduced. Hopes of my recovery began now to revive, and after continuing the use of your medicines for about a month, the Piles and Asthma were completely cured. The Dropsy, with which my life was placed in such great danger, was also nearly gone. I have continued the use of your Medicines until the present time, and I now enjoy as perfect health as ever I did in my life, although I am more than sixty years of age.

I ascribe my recovery entirely to the use of your excellent Medicines. Several of my neighbors have also used them with similar success in obstinate complaints, and I can cheerfully recommend them to the public.

Yours, respectfully, N. MATHEWS.

Newark, Dec. 19, 1847.

GREAT CURE OF LIVER COMPLAINT OF TEN YEARS STANDING!

New York, Jan. 9, 1848.

DR. HALSEY—DEAR SIR:—Having taken your Forest Wine and Pills to remove a disease of the Liver, from which I have suffered severely for upwards of ten years; and, having adhered closely to the directions which accompany the Medicines, I have recovered my health, notwithstanding all who know me thought my case incurable. Previous to taking the Wine and Pills, I had recourse to the best medical treatment, but continued to grow worse to an alarming degree. Some of my friends spoke despairingly of my case, and tried to persuade me from making use of any advertised remedies; and, I doubt not, but what there are hundreds who are deluded from taking your excellent Medicines, in consequence of the deception and inefficiency of many advertised remedies put forth by unprincipled men, in flaming advertisements. But, when a pity it is that the deception used by others should be the means of detaining many laboring under disease, from making trial and being cured by your excellent remedies. Humanly speaking, they have saved my life; when I commenced making use of them, I was in a wretched condition, but began to experience the good effects in less than three days; and, in six weeks from the time I purchased the Medicines, to the great surprise of all my friends, I was entirely cured, and had increased fifteen pounds in weight, having taken one box of the Pills and two bottles of the Wine. Would to God that every poor sufferer would avail himself of the same remedies!

Yours, &c., JAMES WILSON.

Dr. David Morris, celebrated Practitioner of New York, declared publicly, that one bottle of Halsey's Forest Wine contained more virtues than 60 of the large bottles of Sarsaparilla. Messrs. S. S. Lampman & Co., the largest and most respectable Druggists in Syracuse, in a letter, says:—"From what they have heard and seen of Halsey's Forest Wine, it is an excellent and good medicine, and will, undoubtedly, become the leading Medicine of the day." Dr. Mott, of New York, also subscribes to the virtues of Halsey's Forest Wine, by recommending it to many of his Patients.

☞ Seven hundred Certificates from Physicians, Clergymen, and individuals of known respectability, have been given, testifying to the great cures made by "*Dr. Halsey's Forest Wine and Pills.*" Among them is the cure of Mr. John Syms, of 520 Pearl Street, New York, cured of Affection of the Liver and bad Cough, after having been given up by his Physicians, who pronounced his case incurable. Also, the cure of Mr. William Street, Broadway, New York, who had been mortally afflicted with Scrofula, of four years standing, cured in less than six weeks time. Mrs. J. Brown, daughter of the Rev. James B. Bidwell, of Disease of the Heart and Internal Complaint. Also, of Jaundice, cholera of Piles, rheumatism, Gravel, Debility, Women of Consumption, &c., &c.

MINERAL WATERS,

OF
POINT DU JOUR, PARISH OF LAPRAIRIE.

THESE truly valuable WATERS are daily gaining for the large quantity of Medicinal and tonic they contain, still are acknowledged superior to all other Medicinal Waters. They are the most agreeable refreshment of the kind, of all that have yet appeared. They can be used cold to the greatest degree in the hottest weather, or when of Summer, and will be found perfectly inoffensive and injuriously the health of the person using them; upon the contrary, they are found to improve and strengthen. The large number of cures effected by the use of the above Waters enable us to recommend them to the public as an excellent remedy in a very great number of cases. The names of a few only of the persons of celebrity who have given their written testimonials of the Waters, are here given. These, however, show the happy results arising from their application:—

Persons who have not received the little volume containing these certificated at length, can obtain it at the Depots, where the Waters are Sold; by reading it, they will feel convinced that they have effected wonderful cures in various cases, and that they have been found superior to all others.

RIVERS DES PRAIRIES, March 1, 1850.

SIR—Since you are desirous to ascertain the effect which the Waters of the Point du Jour Springs have produced on myself, I must inform you, that I have used them moderately at their disposal, and have found them highly salubrious. I was at the time so affected by the consequences of a severe disease of the Digestive Organs, that my Physician judged it right to suspend for a time all active remedies, even for the expression of Dyspepsia, and an absolute Retention of the Bowels, under both of which I was suffering severely. He prescribed for my relief the Mineral Waters, and I made use of those of the Point du Jour, as being the nearest. I was at the time so weak, that it was with difficulty I kept my feet. However, at the expiration of three weeks, I was restored by using the Waters. These Waters are of a gaseous nature, containing a large quantity of saline particles, and agreeable in the taste—taken in a large dose they are strongly laxative, but their purgative properties are unattended with griping,—those even who have been using them for a long time, have not experienced any inconvenience; they have found their appetite increased, and their digestion rendered more regular. After a dose of 3 or 4 four glasses, I found that they had the effect of increasing the urinary secretions at first, and that these discharges in the same proportion that the alvine secretions increased. The action of the nervous and sanguinary systems were thereby moderately augmented, and, instead of feeling more nervous and sad as I had been during many days before taken, I perceived myself involuntarily disposed to pleasure and gaiety. Many who, in the same circumstances, made use of the Waters by the recommendation of Dr. Caseneuve, experienced the same effects. To conclude, I am of opinion, in conformity with the Analysis made by T. S. Hunt, Esq., that Physicians might employ it advantageously in the same circumstances for which the Plantagenet Waters are judiciously recommended.

Yours, respectfully,
AMABLE SIMARD, M. D.

ST. JOSEPH'S CONVENT, May 14, 1850.

SIR,—I observe with pleasure that the Mineral Waters, at their source at Point du Jour, Parish of the Assumption, (L'Assomption,) are acquiring the celebrity they deserve. For myself, who am, perhaps, one of the first that drank of them in the year 1845, I can bear testimony, that, since that period I have had occasion to try various Mineral Waters, nevertheless I have never doubted that the preference must be given to those of Point du Jour—having myself had much experience.

J. M. BELLANGER, Priest.

Agents for Montreal:—Dr. Picault, 36, Notre Dame Street, corner of Bonsecours Street; Benjamin Workman, Apothecary, corner of St. Paul Street, Custom House Square; O. LaLiberte, corner of St. Catherine and Visitation Streets.

The Proprietors have their Depot established at No. 6, Jacques Cartier Place, next door to the Hotel of Serafino Giraldi, Esq. The distance for conveying the Waters to the Depot is so trifling, that we are enabled to have a constant supply fresh, and are consequently enabled to recommend a better market than any other person. Prices, 7½d. per gallon, and 2s. the dozen, (in bottles.) Such as cannot, unable to pay for it, can have some gratis, by producing a certificate from their Physician, since we are unwilling that any should be deprived of these healing and wonderful Waters, prepared by Providence for his creatures, which are apparently designed for the alleviation and cure of many protracted and dangerous diseases.

ELEGANT AND INVALUABLE ARTICLES FOR THE TOILET.

BOGLE'S HYPERION FLUID,

FOR RESTORING PERSPIRING, AND RESSUSCITATING THE HAIR.

The following Certificate, from Dr. Winslow Lewis, one of the most eminent Physicians of Boston, will show the estimation in which it is held by the scientific and learned, being one only of many similar ones.

BOSTON, Feb. 18, 1847.

MR. WM. BOGLE.—SIR,—The preparation invented by you for the hair, has been extensively used in my family, and they give it the decided preference over all other compounds of the kind. It invigorates and beautifies the hair, and clears the skin of all impurities, without producing any ultimate deleterious effects, which are so frequently the result of many well-known patented compounds.

WINSLOW LEWIS.

It is an indispensable article for the Ladies, to keep the hair in place and curled, and to gain or darken the hair, prevent dandruff and scurf. For children, it lays the foundation of a good head of hair.

BOGLE'S AMOLE,

A COMPOUND FOR SHAVING.

This delightful article is totally different and far superior to anything yet invented for shaving. The base of it is derived from the Amole, or "soap plant," of California, an article used by the native Indians of that country for washing, and this has the advantage of strong alkali, so hurtful to the skin, avoided. Its vegetable and detergent properties render the purest and most consoling lather of the kind—it soothes and allays irritation, and has a fine, thick, creamy lather, which does not dry on the face. It is a decided luxury to be shaved with this compound, which is put up in the most elegant style, excellent either for the breaking case of the fashionable and ready traveller, or the toilet of the most fastidious connoisseur.

BALDNESS CURED.

The following is from Spencer F. Barrett, Saratoga Street, East Boston:

EAST BOSTON, Feb. 6, 1847.

MR. William Bogle,—Dear Sir, For several years past my wife has been troubled with baldness on the crown of the head, about six or seven inches in circumference. After repeated failures of other so-called remedies, (at the advice of friends, she was induced to try your,) for a period of a week, for the purpose of restoring her lost hair, and I am happy to say that the result has been that the hair is now all over the part affected, the hair used only two bottles, and that very frequently; I have used it elsewhere and consider it a decided improvement in the growth of the hair. Yours respectfully, SUMNER F. BARRETT.

Sir, yours respectfully,

BOGLE'S HEBEIANA,

FOR REFRESHING AND BEAUTIFYING THE COMPLEXION.

Eradicating Tan, Pimples, and other eruptions of the skin, and rendering it fair, delicate, and healthy. It is equally efficacious in removing stains from the fairest and most delicate skin, and in the most sensitive constitution, it is the most fragrant and delicious article to be found at the toilet of fashion.

All the above articles have stood the test of the severest investigation, and are WARRANTED superior to anything yet invented.

WILLIAM BOGLE, Proprietor,
191, Washington St., Boston.
