BRITANNIA
LIFE ASSURANCE COMPANY,
No. 1, Princess Street, Bank, London.
CAPITAL—ONE MILLION STERLING.
Empowered by Special Act of Parliament, 4 Vict., Chap. 9.
REDUCED RATES OF PREMIUM—HALF CREDIT RATES OF PREMIUM.
THE great and decided success which has attended this Institution, has induced the Directors to REDUCE the RATES originally required in British North America, to the ordinary European Rates. The result of such Reduction is to enable parties to avail themselves of the important benefits to Life Assurance at much lower Rates of Premium than those of any other Insurance Company transacting business in Canada.
The Directors have also resolved to extend to British North America the advantages afforded by the HALF CREDIT RATES of PREMIUM which have been so highly approved, and are so generally adopted by Policy Holders in the United Kingdom. The most liberal conditions are likewise offered to the Assured in the limits to which they may proceed by sea or land, to other parts of North America without affecting their Interest in their respective Policies.

Caledonia Springs, 2nd June, 1851.
[Extract of a letter from P. J. Lacoste, Esq., of Montreal.]
I beg to state that on July, 1848, I went to the Springs for the purpose of testing their efficacy in a case of the most violent Rheumatism, under which I had been suffering for several years previous. After remaining at the Springs for about three weeks, and making free use of the Waters, my limbs were entirely relieved from all pain, and my health perfectly restored. Several of my friends, to whom I have recommended the Springs, assure me that they have experienced immediate relief from their use. I consider the Waters of the Caledonia Springs to be most efficacious in cases of Rheumatism.
To the proprietor of the Caledonia Springs.
MONTREAL, 4th June, 1851.
DEAR SIR,—In compliance with your request, I have much pleasure in giving you my opinion of the antiscorbutic efficacy of the Waters of the Caledonia Springs, as long and highly appreciated by the Public, based upon the observations of some twenty-five years' experience, and tested as they have been by a great many patients of mine and others, labouring under Rheumatic affections and the different forms of disease to which the human frame is liable, I consider them invaluable. Few persons, except those who have suffered from this dreadful malady, can justly appreciate their wonderful salutary effects. I have often seen persons martyrs to this disease, (myself for one during ten years,) which baffled all medical skill, both in England and on this Continent, resort to the Caledonia Springs walking on crutches, and others that could not walk at all, went out by protracted sufferings, and their general health disordered and broken down by continued and want of exercise, return to their homes free from pain, leaving behind (with unspeakable joy) their crutches, and with health, strength, appetite, and activity wonderfully restored. Nothing, as such results are, the curative action of these Waters, the International and Sulphur Springs in particular, have been almost as astonishing in their effects, such as Lepra, generally called Salt Rheum, and other affections of the skin; in a variety of Dyspeptic Complaints, Chronic Affections of the Liver and Kidneys; and I am sure that a great number of those cases that leave the Springs greatly benefitted, but not completely restored, would have been cured by a more extended use of the spa. That the Waters have never in many instances, or a specific, seems to be generally admitted, and so much respectable testimony to this effect has already been laid before the Public, that to my mere would be superfluous.
Hr. Meyers,
Member of Royal College of Surgeons, London.
To John L. Wilkinson, Esq.,
Proprietor of the Caledonia Springs.
MONTREAL, 12th December, 1848.
DEAR SIR,—I have to state that I remember the use of the Caledonia Waters a very valuable corrective agent in the treatment of many forms of disease. Circumstances favorable one to grant you a favorable Certificate with more than usual propriety, many of my own Patients tested the efficacy, and derived great benefit from the use, of the Waters. Of all diseases that have come under my notice, in which a persevering use of the Baths and Waters promises the most beneficial results, Chronic Rheumatism tands the first. Many of the cases in this disease have been truly astonishing. I met with a case last summer, where the individual, a delicate female, had been suffering severely for many years, (nine years,) and had completely lost the use of her hands, and could only walk a few steps with great pain and difficulty. After a residence of six weeks at the springs, she returned free from pain, and strong enough to walk a considerable distance without fatigue. I have also found the Waters useful in Dyspeptic and Urinary Complaints, Cutaneous Diseases, Secondary Syphilis, and some of the forms of Cutaneous Diseases.
In conclusion, allow me to add, from a personal visit to your Establishment (at the request of the Proprietor, and in the enjoyment of your hospitality) the great outlay you have been put to in the improvement of the place, and the unwearied care and attention which you have shown to the comfort and convenience of your visitors, justly entitles you to a large share of public patronage and support.
I remain, dear Sir, yours very truly,
GEORGE W. CAMPBELL, A.M., M.D.,
Lecturer on Surgery, McGill College.
To the Proprietor of the Caledonia Springs.
MONTREAL, December 6th, 1848.
SIR,—I have much pleasure in complying with your request, I have to state that I consider the use of Dyspeptic, Chronic Rheumatic, or where the constitution has been impaired by the injudicious use of Mercury, and ill-treated Syphilis; I would also add, in certain Cutaneous Diseases, I have frequently witnessed their use in the above complaints, and witnessed their good effects. I hope that the benefits that are derivable from them may not be lost to society, by the indiscriminate and almost universal use they have been lately put to, and like the fate of many of our other excellent remedies, fall into unmerited disrepute.
I have never visited the Establishment, but I have often heard it most favorably spoken of.
I am, Sir, your obedient servant,
JAMES CRAWFORD, M.D.
To the Proprietor of the Caledonia Springs.
A FRESH SUPPLY of the above WATERS has been received at the Depot, which can be had at the Counter, or sent to order to any address in town or country. Price of the Water very moderate. 363
