The Transfer Was Legal.

On Saturday Chancellor Boyd, of Toronto, gave his decision in the case of Kent vs. Kent. This was an action of ejectment and for an account of rent and profits, which came before the Court of Chancery in this city recently. The facts were: Charles W. Kent, of London, in 1870 conveyed the land in question directly to his then wife, Catharine Kent, to whom he was married in 1852, without the intervention of the necessary third party to the transfer. Catharine Kent died in 1872, having made a will leaving her real estate to her children. Charles W. Kent died in January, 1890, leaving his property to a second wife. The action was brought by those claiming under the wife's will against those claiming under the will of the husband. The Chancellor gave judgment in favor of the plaintiffs. No costs on either side. G. C. Gibbons, Q.C., for plaintiffs, W. R. Meredith, Q.C., for defendant.

An Educational Quartet.

Among the changes made in school matters last evening by No. 1 Committee of the Board of Education were the opening of an additional room at Maple avenue school in which Miss Gray was assigned as teacher, the referring of the positions of teachers Misses Macklin and Pitcher, of Lorne avenue school, to Trustees Jeffery and Allaster and Inspector Boyle, and the recommending of Miss Magee as first assistant teacher at the Hamilton road school. It was also decided to request the Inspector to call a meeting of the teachers with a view of receiving suggestions for holding the next examinations and to report to the committee the result. The muddle of last year's examinations will be avoided this time as the requisite number of examination papers will be procured at from $25 to $30 for 25 sets, of 800 copies to a set. One hundred frames for the "Dominion Arms" were approved of, and their purchase ordered at a cost not to exceed $50. The trustees present at the meeting were: Messrs. Stephenson (chairman), Rowlands, Allaster and Jeffery.

The Latter Day Saints.

The semi-annual conference of the Latter Day Saints began in the Saints' Church, Maitland street, with Elder John H. Lake, president of the Canada mission, in the chair, and closed yesterday. Elder R. C. Evans, of London, and Wm. Strange, of St. Thomas, assisted. The appointment and organization of the several committees for their respective duties having been completed, the work proper was proceeded with. By the report of the ministry from all parts of the district it was learned the work was in a prosperous condition, and the increase, though not rapid, is encouraging. Although this is called the semi-annual conference, yet it is only four months since the meeting of the last one, and the ministerial reports of labors and results were given for that length of time. The net increase for the London district was 64 and the total membership of the district was reported at 1,000. The total for the whole of Ontario is between 1,600 and 1,700. The ministry for the London District numbers 78, of which Elder Wm. Strange, of St. Thomas, is the president, while the total for Ontario is 90, of which Elder John H. Lake, of Kirtland, Ohio, is president. There are eight missionaries laboring in Ontario. There has been one new brick church built at St. Thomas, and three new branches of the church have been organized in the mission during the last half year. The presidents of the mission and district, Elder J. H. Lake the former, and Wm. Strange the latter, were sustained by vote. Elder J. H. Taylor, of Grand Valley, Ont., resigned the district secretaryship, and Elder John Shields, of the same place, was elected to that position. The following brethren were appointed to preach the conference sermons: Bro. Geo. Henley, on Saturday evening, from Acts ii., 28; Bro. Geo. Tomlinson, on Sunday morning, from Rom. xi., 20; Elder R. C. Evans, on Sunday afternoon, on "The Humanity of Christ"; President John H. Lake, Sunday evening, from Matthew xv., 13. All were excellent efforts, the church being well filled on each occasion. Conference met on Monday at 9 a.m. to finish business left over from Saturday, which occupied the entire forenoon. Met after dinner for prayer and testimony, and had an enjoyable and profitable time. Adjourned at 5:30 p.m., to meet at St. Marys on the third Saturday and Sunday in June, 1891. Preaching services will be held to-night and Thursday evening at 7:30.

Smokers Should Read.

London is well known throughout Canada, particularly as the city from which the celebrated "Highland Lassie" cigar is shipped to all parts of the Dominion from the Atlantic to the Pacific. Messrs. H. McKay & Co., the manufacturers, take a special pride in this 5-cent cigar. It has been completely tested by the majority of the smokers of the country, who pronounce it the choicest article on the market. Nothing but the best fillers and wrappers are allowed in its composition, and, when once tried, it convinces the most sceptical of its superiority. Messrs. H. McKay & Co.'s immense establishment, with its products, is a credit to the city.
