Varsity Exams. Results

Medical, Pharmacy, Music, Agriculture, Veterinary Science and Third and Fourth Year Arts Results Are Announced.

The senate of the University of Toronto passed results in the following faculties and departments as appear hereafter. At the latest the returns for the second year arts will appear on Thursday morning and for the first and senior matriculation on Friday morning. The result of aegrotat applications of the first, second and third years will appear on Wednesday morning, together with all the awards of scholarships, medals and prizes in the faculty of arts. At the same time the results of the examinations for LL.B., M.D., M.A. and Ph.D. will be announced.

In the results in the faculty of arts the following points are to be remembered: Where a name is followed by a general course subject, the candidate must pass a supplemental examination in the subject or subjects bracketed after his name; where a name is followed by an honor course subject, the candidate is said to be below the line in that subject; when in addition to an honor subject a pass subject also appears, a candidate is said to have deferred and below the line honors, and must pass in the general course subject or subjects before being permitted to register in the next higher year.

Piles or Hemorrhoids

This most torturing disease invariably yields to DR. CHASE'S OINTMENT.

Piles and Dr. Chase's Ointment are connected in the minds of most people because this treatment is recognized as about the only actual cure for this annoying disease.

Until you have tried Dr. Chase's Ointment you will not believe how quickly it brings relief from the nasty, itching, stinging, burning sensation.

It is just as sure to make a cure if you persist in its use. Naturally and gradually the ulcers in the rectum are healed and cured and life is again made worth the living.

It doesn't matter what the cause, Dr. Chase's Ointment will bring you relief every time, and that right quickly. Put it to the test and you will be able to write just as enthusiastic a letter as this one:

Mr. James Hurley, Pockshaw, Gloucester Co., N.B., writes: "I cannot find words of praise to express my opinion of Dr. Chase's Ointment. For thirty years I was troubled with itching piles and tried all sorts of remedies, none of which gave me more than temporary relief. What other treatments have failed to do Dr. Chase's Ointment has done. It has positively cured me of itching piles."

If you can get Dr. Chase's Ointment to-day you can make this your last day of suffering from piles. Should your dealer not have Dr. Chase's Ointment in stock, write to us for a free sample box, or enclose 60 cents for a full size box, which will be sent postpaid.

No substitute will satisfy you if you realize the merits of Dr. Chase's Ointment. For sale by all dealers or Edmanson, Bates & Co., Toronto.
