East End League

The triple header on the East End League grounds Saturday afternoon was a disappointment to the many fans in attendance. Out of the three games only one, that between the Nationals and Glenwoods, proved interesting. The Commercials in their game against the Alerts, put up a loose brand of ball and had nine errors, while the Nationals in their game with the Alerts totaled ten errors and these combined with bonehead plays turned the game into a fiasco.

The result of the three games follows:

Nationals 8, Glenwoods 1.
Alerts 13, Commercials 4.
Alerts 18, Nationals 2.

The double win places the Alerts in the lead for the championship of the league.

Challenge Grand Bay

The Courtenays, of the Fairville League, wish to challenge the Grand Bay team to a game of baseball to take place on next Saturday afternoon at the bay.

Pittsburg Secures Barney

New York, Aug. 19—The New York Americans announced tonight that Edward Barney, outfielder, had been released to the Pittsburg Nationals for the waiver price, Barney formerly with the Jersey City Internationals, joined New York a month ago.

TURF

Followers of the Grand Circuit are telling a story on Walter Cox of Dover, N. H., which threatens to rob him of the right to be called the David Harum of the trotting turf. Not many of those who saw him win third mone with Worthy Prince, 2.11 1-4, in the $10,000 Merchants and Manufacturers' Purse, at Detroit, a few weeks ago, were aware that all the dust thrown in his face that day was stirred up by two horses he had once trained and sold. Yet such was the fact, and the whole truth is even worse than that, for if Cox had not traded Lee Axworthy, 2.04 3-4, to W. J. Andrews and sold Peter Scott to Thomas W. Murphy he could have won not only the M. and M. with Worthy Prince, but the $10,000 Paper Mills Purse, at Kalamazoo and the $5,000 Furniture Manufacturers Purse, at Grand Rapids. Likewise he would now have first mortgage on the $4,000 race for 2.08 trotters in New York on Aug. 31, and the rich Charter Oak Purse at Hartford, as well as other big purses farther down the line at Syracuse, Columbus and Lexington.

IN YOUR EYES

What is it that is causing all that trouble with your eye?
Are the eye muscles following those laws laid down for them by nature?
Are they working in harmony and without strain?
Are your eye nerves being exhausted and irritated by the unnatural demands made upon them by some form of eye-strain that you have?
I shall be pleased to set your mind at rest on these points.
