Hair Magic

Is a good name of Dr. Dorenwend's German preparation for the hair. It really works like magic. All who have used it pronounce it to be unequaled for remedying the lost vitality of the hair roots, restoring gray hair, removing dandruff, etc. Just try it. It is first-class. All druggists sell it

WOODMEN OF THE WORLD.

Camp Maple of this order was organized in Douglass' Hall, Woodstock, on July 30, by Provisional Head Consul William A. Ramplin, and Deputy Sovereign Consul James Ramplin, with a charter membership of 40 of the business men. The camp elected the following named officers for the ensuing term: Consul commander, Wm. Hayden; adviser lieutenant, T. R. Mayberry; banker, W. G. Clark; clerk, Jas. Hamilton; escort, John W. Watson; watchman, Charles S. Johnson; sentry, Rupert T. Huggart; managers, John Mitchell, Alex. J. McIntosh, John Morrison; physician, Dr. A. T. Rice; delegate, Wm. Hayden; alternate, Dr. A. T. Rice.

The Woodmen is a social secret, benevolent and beneficiary order, insuring its members in amounts ranging from $500 to $3,000, at an average cost of $4 per year on each $1,000 insurance, at the age of 40 years. Assessments for the purpose of paying benefits are graduated according to age at the time of joining, the grading being in proportion to the average expectancy of life as given by the standard tables, special inducements being offered to young and middle-aged men.

The Industrial Brotherhood.

Last evening in United Labor Hall, Dufferin avenue, a new local directory of the Industrial Brotherhood of Canada was instituted by the general secretary-treasurer. The meeting was well attended and the new directory starts out under the most favorable circumstances. It was decided to meet on every alternate Wednesday evening and as the great aim of the order is educational, every alternate meeting will be open to the public. The general secretary-treasurer before organization, stated the objects that the society had in view. An organization committee was formed to push on the work and secure desirable persons for membership, and at the next meeting it is hoped to double the number of members now enrolled on the books. The new directory will be known as No. 16. An application for another local directory is also in circulation, to be composed of working girls, and all persons interested in the condition of female labor are asked for active sympathy and support. A sick fund will be instituted in this directory and it will aim to improve the condition of womankind.

The General Executive Board of the Industrial Brotherhood, as directed at the last meeting of the General Directory, have nearly completed arrangements for the issue of a neat and instructive fortnightly paper, devoted to industrial and social problems. It will be known by the title of Industry.

CANADIAN ORDER OF FORESTERS.

He will have four others associated with him—two to work east of Toronto and two west. These appointees were: Messrs. B. H. McEwing, W. G. Strong, W. R. Clayton, J. H. McGuire. It was decided to make special deposits of $30,000 out of the endowment fund, making $150,000 in all. Bros. Towe, H. C. R., and T. ROYAL ARCANUM.

The Maryland brethren have purchased from the Hopkins estate for $27,500 that grand old colonial mansion, long the home of Johns Hopkins, the founder of Baltimore's celebrated University and Hospital.

The number of applications received by the medical examiner-in-chief during 1890 was 5,855. Of these 4,495 were approved, 1,302 rejected and 58 non-completed.

The Royal Arcanum has now a reserve fund of over $500,000.

The membership of the order is nearing 120,000.

INDEPENDENT ORDER ODDFELLOWS

Grand Master Corvell, of Connecticut, has given fifty acres of ground near Waterbury, in that State, as a site for a home for indigent, aged and infirm members of the order.

A commission has been issued to the D. D. G. S. of Japan, Asia, authorizing him to institute a lodge at Kobe. This, when instituted, will be the second lodge in that far eastern jurisdiction.

The Oddfellows of Canada and every other place will be pleased to know that the Grand Sire is improving rapidly. A report from Raleigh, under date of July 21, says he "is improving daily, and we have every reason to anticipate a complete recovery."

The Committee on Appeals of the S.G.L., which is always appointed two months before the session, will, it is said, comprise the following: Reps. Stebbins, of New York; Goodwin, of Georgia; Robertson, of Ontario; Gibson, of Texas; Maguire, of California; Miller, of Illinois; McIntosh, of Alabama; Dutemple, of Rhode Island; De Bolt, of Missouri.

North Carolina is not a very large jurisdiction—its membership is less than 3,000—but it has decided on having an orphanage. The Grand Lodge at its last session appropriated $3,000 towards this object and a committee has been empowered to proceed with the enterprise as rapidly as possible. No signs of anything of this sort in Canada yet.

Mr. J. L. Robertson, grand chief templar of the Independent Order of Good Templars, in the employ of Warwick & Sons, wholesale stationers, had a very pleasant surprise awaiting him on arrival at business Wednesday morning. His fellow-employes had assembled together, and after a few well-chosen remarks by Mr. J. M. Rutherford on their behalf, presented Mr. Robertson with a very handsome easy arm-chair, after which Mr. Robertson in his usual happy style expressed his thanks for their token of esteem. Mr. Robertson is about to sever his connection with the above firm to engage in the insurance business, and leaves with the best wishes and good-will of all.

Impossible.

It would be just as easy to advertise on the moon as for any importer to give the same value in imported cigars as we offer in our "La Cadena" and "La Flora" brands of clear Havana cigars. The higher the price, the greater the duty. Cheap cigars made in Havana are in the majority of cases offered to the Canadian public as fine goods.

Perfectos.

The name of Perfecto is used by the leading Havana factories to designate a particular size and (generally extra fine) quality of a brand of cigars. It is well known to connoisseurs and in great demand in the principal clubs in Europe and America. A great many factories, owing to the great popularity this size has obtained, are using the word Perfecto on all classes of goods, some as low as $20 per 1,000; therefore, we caution the public to be particular when purchasing and see that they obtain the genuine size and quality that should be represented in the Perfecto size. Our "La Cadena" or "La Flora" will be found a creditable example. S. DAVIS & SONS, Montreal. 1-tf
