BOYS' WORKERS' UNION RACE

Centrals Land the Marks Cup, Defeating West End by 3 Points.

The semi-annual races for the Marks Trophy were held by the Boys' Workers' Union Saturday at the Exhibition track before a large crowd of spectators. About 175 rooters from the Central Boys' Club, aided by the W. E. Boys' Rooters' Club, kept things lively with their yells between the races. A record number of entries was received, Central Y.M.C.A. Boys' Club heading the list with 95; W.E. Y.M.C.A. Boys' Club second, with 45, and Broadview third, with 20. Centrals landed the cup, getting 21½ points to W. E.'s 18½ and Broadview's 5. After the last race the victorious Central runners and rooters marched back to the association, carrying the cup at the head of the procession. Centrals won with their intermediates, who scored 13 points for them. The big surprise in this race was the defeat of W. Moriarity of W. E. and W. Pearson and V. J. Knox of Central, by Wm. Armour, a novice.

The senior race furnished the most excitement, as Central had to be well placed in this to clinch their hold on the cup. Until the fourth lap it looked all Central, but things changed in the last lap, with Howard and Watson fighting hard for first place, and finishing in a dead heat. Watson and Hinchcliffe also had a warm run for fourth place, Watson beating out Hinchcliffe by five seconds. The results and times made were as follows:

First race, 12 and 15 years, 1½ miles—1, A. Burke, W.E., 8.45; 2, O. Callighan, Broadview, 8.50; 3, John McLean, Central, 8.58; 4, A. Moffat, W.E., 8.59; 5, Wm. Crawford, Broadviews, 9.14.

Second race, 14 and 15 years, 2½ miles—1, Wm. Armour, Central, 13.55; 2, Wm. Pearson, Central, 13.56; 3, V. J. Knox, Central, 14.15; 4, A. Saunders, W.E., 14.20; 5, G. Gibson, Central, 14.28.

Senior, 16 and 17 years, 2½ miles—1, W. S. Porter, W.E., 13.54; 2, Cecil Howard, Central, 13.54; 3, O. Jenkinson, W.E., 13.57; 4, J. Watson, W.E., 14.01; 5, J. L. Hinchcliffe, Central, 14.06.

RACE SCANDAL AT PIMLICO

Gentleman Jockey is Set Down for Alleged Pulling of My Grace to Allow Homelander to Win—Turf Gossip.

The racing at Pimlico has developed a scandal which is liable to stir up the steeplechase end of the game beyond measure. Several days ago the Pimlico stewards, H. J. Morris, Frank J. Bryan and William M. Manley, notified Jay O'Brien, the well-known gentleman jockey, that because of his ride on My Grace in the Eldridge Hunters' Steeplechase he could not take another mount during the meeting. This ruling practically places Mr. O'Brien on a par with professional jockeys, and as a result he says that unless the reflection on his character is promptly removed he will take the matter before the stewards of the National Steeplechase and Hunt Association. Mr. O'Brien further declares that he wagered $250 on My Grace with Sim Deimel, a well-known layer. My Grace was defeated by Homelander, who is said to be one of the best hunters in the country. Those who are in close touch with the affair say that H. J. Morris was the investigator of the stewards' ruling, and that he practically charged Mr. O'Brien with not making an honest attempt to defeat Homelander. W. C. Hayes, well known at Woodbine Park, declares that Mr. O'Brien has been unjustly treated, and that he should be exonerated without further delay.

Judge Sumpter, senator-elect in Arkansas, says that as soon as the legislature meets at Little Rock the Annis anti-racing law will be so modified that a meeting at Hot Springs will be possible. Judge Sumpter says there is a popular demand for horse-racing in Hot Springs, and that he will work hard with that object in view.

Col. Milton Young, whose great breeding establishment in Kentucky is under the hammer, says that he intends to leave the country for the Argentine Republic, where he will breed race horses on a large scale. Col. Young says that the Agnew-Hart law has killed the breeding industry in the States, and that it will remain dead for a long time to come. Barney Schreiber, the Missouri breeder, on the other hand, says that he will continue in the business as long as he has a dollar. He says he could take Sain to England and make a handsome profit, but that his famous stallion will remain in America.

Sir Thomas Shaughnessy, president of the Canadian Pacific Railway, has begun to get together a racing stable, with the aid of C. J. Fitzgerald. He already owns the 2-year-old Silk Hose, purchased some time ago from S. C. Hildreth, that raced at the Woodbine, and expects to have enough good horses next year to cut considerable of a figure on the Canadian tracks.

The dispersal sale of the McGrathiana Farm Stud closed Friday at Lexington, and the remainder of the land and personal effects of Col. Milton Young will be sold in two weeks. During the four days, 468 head sold for $81,285. Four weeks before the sale, Col. Young offered to sell the lot for $35,000. Col. Young's judgment of the future of racing was not vindicated by the sale of his horses. It was announced that beginning Nov. 23 the entire Senorita Stud of Captain W. Harry Brown, formerly the property of Captain S. S. Brown, would be sold at public auction in Lexington.

Fifty head of thorobred horses for use by the officers of the German army will be shipped from New York to Germany, from which point they will sail this week. All of the horses, which are of the high type of thorobred, were bought during the week at Lexington by Herr L. Keller, a representative of the officers of the German army, and Emil Jacobson, an interpreter, of New York.

S. C. Hildreth has arranged for Jockey McCarthy to do his lightweight riding next winter at Oakland. McCarthy will go to California at the close of the Pimlico meeting. T. P. Hayes has entered Red Gauntlet in the long-distance stakes to be run at Oakland, and the presumption is that he contemplates a California campaign.

A story sent out from Reno to the effect that T. H. Williams is seeking a 25-year charter for a racing enterprise in Nevada is without foundation in fact. The population of Reno and other nearby places is insufficient to support racing on anything but an exceedingly limited scale.

Training has been resumed at Oakland. Sewell furnished the star performance by working five furlongs in 1.02 3-5. Considering that the track was decidedly slow, this was excellent. Sewell will not start in the Opening Handicap, but will go in sprints with pure conditions during the early days of the meeting. Hildreth worked Restigouche six furlongs in 1.18 4-5, the first work of any account that he has asked of the horse since his arrival. Several Opening Handicap candidates, including Montgomery, were sent slow miles.

The horse-racing season in Japan opened last Friday at the track of the Nippon Racing Club. For the first time all forms of betting were prohibited, in accordance with a recent ruling by the authorities. The attendance at the races was large, and the gathering was purely a social one, the racing being merely incidental. The chief of police and fifty detectives were on the grounds during the day, but there was no attempt at violation of the law.

TWO VERY CLOSE GAMES OF SOCCER SATURDAY

Little York and Britts Fail to Score, While All Saints and Varsity Score.

The first game was very late in starting, and when the men finally turned out on the field Yorks were a man short, so the game was played ten men a side, Britannias dropping Greene. R. Dunn was the east ender who failed to put in an appearance. The teams lined up:

Yorks (0): Ruse, goal; Gilding and Humphreys, backs; Fred Dunn, Gibbons and Barkey, halves; F. Gilding, Galbraith, Givins and George Gilding, forwards.

Britannias (0): Stokes, goal; Westley and G. Allen, backs; Jones, Snider and Dardell, halves; Miles, Woodward, E. Allen and Brown, forwards.

Referee, Len Smith.

Yorks pressed right from the start, but they soon found that the Brit aggregation yesterday were a much superior bunch to that which they had trimmed 4—0 in the east end. They had a much superior style of combination than the Yorks and were aggressive thruout. Yorks had the most of the play, and kept pounding away on Stokes, but that young Briton was putting up a great article of soccer football, catching and handling cleverly all the way thru.

Yorks, however, did not have the combination of the Brits, and because of that they lost the game. Their men all played well, Gibbons especially putting up a grand game at centre half. The forwards did not work well enough together and seemed to badly miss young Dunn.

Varsity 1, All Saints 1.

The second game was a beauty and abounded with brilliant plays thruout. Both teams were very evenly matched, and the score was an accurate criterion of the relative abilities of the two teams, who unquestionably play the prettiest football in the series. They lined up:

Varsity (1): Gardiner, goal; White and Blackwood, backs; Carscallen, Mustard and Williamson, halves; Robertson and Wicket, right wing; Strachan, centre, and Langford and Macdonald, left wing.

All Saints (1): Polinton, goal; Small and Roberts, backs; Marr, Rutherford and Kingdon, halves; Gausden and Raven, right wing; Toole, centre, and Cowan and Smith, left wing.

All Saints started with a rush and kept the ball well down on Varsity's goal for the first ten or fifteen minutes, even tho they were playing against the wind. Gardiner saved a couple of times. Then Varsity bucked up and the whole team began to show what they were capable off. Down the field they swept in a line, time and time again and only the good work of Roberts, full back for the Saints, and of Polinton in the posts, prevented a good score. This kind of thing kept up until the game had been in progress for 20 minutes, when Langford took a pass from Strachan right in on the Saints goal, and Langford scored. There was no more scoring in the first half, tho the Blue and White boys continued to press.

When the men changed ends an hour time and Saints got the benefit of a strong north wind, it looked like doin's right away. The churchmen came down like whirlwinds and shot again and again but most of these went over the goal bar. Then once more Varsity turned the tide of battle by clever work and finally got the ball thru, but Referee Hannah disallowed the goal, tho every one else around said it went in. This took some of the gimp out of the college boys, but Saints kept plugging away and as a climax for a particularly brilliant piece of combination work, Tommy Cowan scored, tieing the score. That settled it. There was still a few minutes to play, but dusk was falling and neither team could do anything further.

St. Andrews Defeat Ridley.

INTERMEDIATES AT HAMILTON

Dundas Ahead of Second Tigers at Half Time 11 Points to 7.

HAMILTON, Oct. 31.—(Special.)—A crowd of over 2000 watched the encounter at the Cricket Grounds this afternoon between the Intermediate Tigers and Dundas. The rivalry between the teams is always strong. Half of Dundas accompanied their team and were willing to wager their last dollar on them. The teams lined up as follows:

Tigers—Back, Galvin; halves, G. Smith, W. Smith and Addison; quarter, Awrey; scrimmage, Pfiefer, Gerrard and Jamieson; wings, Vickley, Sinclair, Glessing, McGavin, Potticary and Glassford.

Dundas—Back, Quackenbush; halves, Binkley, Nibs, Harrison, Mallet; scrimmage, Smith, Ferguson and Norton; wings, Martin, Mason, Craig, Laing, Lee and Wilson.

The officials were: Referee—Gordon Nelson. Umpire—W. W. Kirkpatrick.

In the first quarter Dundas had the advantage of a strong wind, and by Nibs Harrison's punting ability managed to get six points to the Tigers' five. Both tries were the result of flukes. After catching the ball behind his line, Galvin ran out in front of his goal line, but dropped the ball when tackled, Quackenbush of Dundas getting an easy try. George Smith evened things up for the Tigers a few minutes afterwards, when Galvin attempted a drop on goal. The ball was blocked, and a dribble started, Smith flopping on it for a try. Dundas secured a rouge. After the exchange of ends, Dundas, by using Craig and Wilson to buck the line, managed to get over for another try. The Tigers secured two rouges, making the half-time score: Dundas 11, Tigers 7.

The following three of the Dundas men were laid out during the contest and had to retire, Nibs Harrison, Mallet and Laing. Addison and Potticary of the Tigers were laid off to even things up. Near the end of the game the Tigers forced another rouge, making the score Tigers 19, Dundas 12.

George Smith ran the kick-out back to the Dundas 20-yard line and on the first scrimmage Sinclair ran in for a try, which was converted by Galvin, making the score Tigers 25, Dundas 12, which was the final score.

Nibs Gets His.

Soon after the second half started Nibs Harrison had to be carried off the field with a serious injury to his leg. The Tigers on massed plays rushed the play up the field and over the Dundas line for a try, making the score: Tigers 12, Dundas 11. Galvin failed to convert.

Score at end of third quarter: Tigers 12, Dundas 11.

Soon after the last quarter started Smith kicked to Quackenbush, who fumbled, and a dribble was started, Glassford going over for a try, which was converted by Smith, making the score: Tigers 18, Dundas 11.

Hearts Beat Shamrocks.

The game between the Shamrocks and Royal Hearts was a surprise to many football players. Both clubs made great efforts to have out their strongest team and the line-up looked like a fast match. Hearts won the toss and kicked south. Shamrocks failed to break thru on kick-off and Hearts rushed down to the goal Neilly relieved in splendid style, but the Hearts were not to be denied, keeping play around their opponents' goal for about ten minutes, when the first goal was scored. Hearts 1, Shamrocks 0. Play became fast and furious, the Shamrocks made some good rushes, but Robinson and Tyndall invariably relieved promptly, play being mostly in Shamrocks' territory until near half time, when Hearts shot their second goal. Score at half time Hearts 2, Rocks 0.

In the second half play was pretty even for about 12 minutes, when the Hearts again broke thru and scored their third goal. Shamrocks now began to press, but were unable to score. At this time Black made perhaps the most spectacular play of the game. He broke thru the Shamrocks' defence and, taking the ball more than half the length of the field, beating the goalie who came out to meet him, and scoring the fourth goal for the Hearts. Final score Hearts 4, Shamrocks 0. The best of the Shamrocks were Neilly, Kelly, Lance and Harrison. The Hearts lined up as follows: Goal, Pickard; backs, Robinson and Tyndall; halves, Harris, Deer and Thomas; forwards, Walker, Squires, Black, Bace and Edwards. Referee, Frank Robinson, gave good satisfaction, doing his best to keep down rough play.

Vennels Will Ride Again.

W. J. Vennels of the R.C.B.C., who recently made a bike record from Hamilton to Toronto for the Dunlop trophy, expects to try for a new record some day this week, as soon as the roads become good enough to ride on. Vennels is not satisfied with his present record of 2.41¾, as he made it over a longer route than was necessary and besides lost about 10 minutes' time by being misdirected, by taking the short route and with a fairly decent road he believes he can cover the distance in 2.15.
