Therefore Resolved, that this lodge place on record their sense of the personal worth and merit of a brother ever ready and willing to assist in the time of need; and further resolved, that the members of this lodge desire to extend to Mrs. Barker and family their sincere and heartfelt sympathy in their present affliction; and further resolved, that a copy of the foregoing resolutions be forwarded to the widow of our beloved brother.

**Rothesay Presbyterian Church.**

The annual meeting of the congregation of this church was held last Wednesday, and the reports of the officers and trustees were eminently satisfactory. The financial report showed land purchased and hall erected and furnished at a cost of upwards of $2,700, and a steadily increasing fund of regular subscribers to support the running expenses. Efforts will now be made to put the grounds in ornamental shape, and some staining and finishing to improve the interior will be put in hand. The energetic ladies sewing circle are working up a series of entertainments to help the funds, and they have an apron fair and strawberry festival for this evening on hand, for which excursion rates are issued on the I C R. The trustees for the ensuing year are Messrs Alex Rankine, John Fraser, Robt Thomson sr, Robt Thomson jr, John Robertson, Andrew Kilpatrick and Wm H Boyd, with Mr A Crookshank, treasurer.

Dr. J. E. March has placed $60 in the hands of Mayor Jack, being the proceeds of the military concert held at St. Andrews, in aid of the Johnstown sufferers.

THE NATIONAL LEAGUE.

Rain prevented the game at Boston. New York defeated Cleveland, and bunches the leaders. Philadelphia and Indianapolis add one more each to their meagre list of victories. The games were:

At New York, New York 9, Cleveland 1. Batteries—Welch and Ewing; Bakely and Zimmer.

At Philadelphia, Philadelphia 9, Chicago 2. Batteries—Buffington and Clements; Dwyer and Farrell.

At Washington, Indianapolis 8, Washington 3. Batteries—Getzein and Daly; O'Day and Clark.

SHAMROCKS LOSE THE THIRD.

For six innings the Shamrocks and St. Stephens played great ball. The fielders worked with a snap; the batteries cleared everything before them, and the number of runs up to date was small, 3 to 1 in favor of the home team. But innings seven and eight were fatal to the Shamrocks. In some unaccountable manner they got rattled, and the visitors in these two innings piled up 3 and 7 scores respectively, winning the game without a struggle. Sullivan, of the St. Stephens, has the wonderful record of 21 strike-outs, a record which has never been equalled in this city before. This was the feature of the game.

The score of inning stood:

| | | | | | | | | | | |
|---|---|---|---|---|---|---|---|---|---|---|
| St. Stephens | 0 | 0 | 0 | 0 | 1 | 3 | 7 | 0 | —11 |
| Shamrocks | 0 | 9 | 2 | 1 | 0 | 0 | 1 | 0 | —4 |

Umpire, James Christie.

THE BANGOR TEAM.

Morrison will captain the team. Already most of the players have arrived. The crack battery will be Markis and Hafford, of Boston, with Kirnis and Russell, the latter of the Melrose team, as a change. Foss, of Bangor, will cover first, Morrison second, with Kinny at third, when he is not catching. Donahue will play short and Sweeney left field. Butler and Prescott, both of Bangor, will be given a trial in the field and are expected to show up in good shape. If they prove to be any kind of batters they will be kept on the team.

THE AMATEUR LEAGUE MEET

At a meeting held last evening permission was granted a number of the clubs to substitute new men in place of players removed. The following changes were allowed:

Portlands—F. Alward, W. Ingraham and F. Russell, instead of J. Rodgers, W. King and D. Speight.

West Ends—G. Warnock and Thomas. Allan instead of W. Thompson and James McCarron.

LaTours—Flewelling, A. F. Prince, R. W. Bradbury and N. Mason instead of James Kennedy, Alex. Holly, James Christie and W. J. Connolly.

The Franklins were allowed until Saturday to substitute a man in place of Wm. Mitchell.

The offices of secretary and treasurer were amalgamated, James Kinney to act in one capacity.

OFF THE FIELD.

The St. John A. A. C. team play at Moncton to-day.

Parsons and Whitenect are to be the St. John battery.

Wagg and Larrabee oppose them.

Bell and Barker will not be on the team.

The Portlands and LaTours at the Shamrocks' grounds this afternoon.

The Custom House and W. U. Telegraph nines are aching for a trial at arms. They will play in the near future.

Has Anson a personal spite against Catcher Farrel? With Sommers, Daring and Flint in the team, this young pitcher has been put in behind the bat in 10 successive games. It is a matter of fact that several of the Chicago players are highly disgusted with the way their captain and manager is acting.—Boston Herald.

**The Turf.**

WONDERFUL TIME BY GUY.

Guy trotted a wonderful mile at the Cleveland Driving Park, Wednesday, on a bet of $1 between his owner, W. J. Gordon, and President William Edwards of the Cleveland Driving Park Company, Mr. Gordon betting that Guy would not, and Mr. Edwards that the gelding would, break his record 2:12¼. After two slow miles in 2:25 and 2:32, Millard Sanders brought the little wonder out, and sent him away on another trip under the wire. He went to the furlong in 16s, and the quarter in 32½s. The second and third quarters, fastest of the track, were each made in 32¼s. This brought him to the three-quarter pole in 1:38¾. Guy lagged a little on the seventh furlong, which took him 17½s. to cover, but he finished strong and fast, doing the last quarter in 33¾ and the mile in 2:11¼. It was a wonderful performance considering the conditions. The temperature was 91 degrees, and no runner urged him home. He wore 7½ ounce shoes and two ounce weights. Clingstone couldn't trot in better than 2:19 under the same circumstances.

The Cleveland Driving Park Company is trying to arrange as the special attraction for its meeting a race between Guy and Jay Eye See for a $500 purse, and will engage Axtell (2:15¾) to go against the stallion Maxy Cobb's 2:13¼ record at the same meeting, with a rich prize for success.

**Athletic.**

BIG PRIZES FOR ATHLETES.

It has been decided by the National Irish Athletic Club to offer $2000 in money prizes for competitions to be held Aug. 15 at Oak Island grove, The contests will consist of hurling match, football match, tug-of-war, throwing weights, running and jumping.

IT WOULD BE INTERESTING.

Efforts are being made to get on a match with some local runner and an Indian during the lacrosse match, carnival week. Volunteers are asked for.

**Lacrosse.**

At a meeting of the Beavers and Y. M. C. A's., held last evening, F. McAndrews and A. F. Maher were appointed a committee to arrange for the use of the Barrack Square and Athletic grounds in carnival week. They will also close with the Shamrocks for the use of their grounds.

A CONTRAST.

The St. John A A Club are asking a most elaborate sum from the Y M C A's and Beavers for the use of the grounds. Considering that a number of the boys are members of this club the managing committee who fixed the price might have been somewhat more lenient. Evidently there is a disposition to shut lacrosse out.

On the other hand the Shamrock Athletic Club have done everything in their power to make the expenses in the lacrosse matches light.

They have given the use of their grounds for a small sum and have allowed practice there during evenings. The contrast is quite striking.

THE LACROSSE MATCHES.

Mr. A. H. Bell has secured the services of four crack Montreal players to assist his team against the Indians. The others of the team will likely be:—Milligan, Tufts and Baxter of the Y. M. C. A's; Magee, McFarland, O'Rielly and Bartch of the Unions; Johnson of the Beavers and Geo. Whitenect of the St, John A A Club.

A. H. Bell of the Unions will captain the team. The first game will be played Wednesday afternoon, the 24th inst. at the Shamrocks' grounds. The second game, in which there will be a change of the home players, will be contested at the Athletic grounds, Thursday afternoon. Possibly there will be a game Friday as well.
