MEDICAL ASSISTANCE.
THE GREAT AMERICAN REMEDY

RADWAY'S READY RELIEF.

THE GREAT EXTERNAL AND INTERNAL REMEDY.
STOPS THE MOST EXCRUCIATING PAIN IN A FEW MINUTES,
AND
RAPIDLY CURES THE PATIENT.

RADWAY'S READY RELIEF

Proves its superiority to all other Medicines at once.
ITS FIRST INDICATION
Is to relieve the sufferer of PAIN, no matter from what cause it may originate, or where it may be seated
If in the Head, Face, or Throat;
If in the Back, Spine, or Shoulder;
If in the Arms, Breast, or Side;
If in the Joints, Limbs, or Muscles;
If in the Nerves, Teeth, or Ears;
Or in any other part of the body, its application to the part or parts where the pain exists will afford immediate relief.

IF SEIZED WITH PAIN
In the Stomach, Bowels, or Kidneys;
In the Bladder, Spleen, or Liver;
In the Teeth, Ears, or Throat;
In the Brain or Nervous System;
One teaspoonful of RADWAY'S READY RELIEF to a wineglass of water will, in a few minutes, relieve the patient to ease and comfort.
If Lame, Crippled, or Bed-ridden;
If Palsied, Scalded, or Burned;
If Bruised, Wounded, or Cut;
If Strained, Injured, or Disabled;
If Sun Stroke, or seized with Fits;
If Weak in the Spine or Back;

RADWAY'S READY RELIEF

should be applied to the part or parts afflicted. It instantly relieves the patient from pain, and quickly heals, soothes, and strengthens the disabled parts. In all cases of Bites of Rabid Dogs, Reptiles, Stings of Poisonous Insects, the application of RADWAY'S READY RELIEF to the wound will prevent inflammation and mortification.

FEVER AND AGUE.

Persons exposed to the Malaria of Ague, or if seized with Chills and Fever, will find a positive Antidote and Cure in Radway's Ready Relief. Let two teaspoonsful of the Ready Relief, in a wine-glass of water, be taken on getting out of bed in the morning, and however exposed to malaria you will escape.

WHEN SEIZED WITH
CHOLERA, or Diarrhœa, or Flux;
Dysentery, Cramps, and Spasms;
Bilious Cholic, or Gastritis;
Scarlet, Typhoid, or other Fevers;
Influenza, Coughs, or Colds;
Inflammation of the Stomach or Bowels;

RADWAY'S READY RELIEF
SHOULD BE TAKEN INTERNALLY.

One dose will stop the pain; its continued use will, in a few hours, cure the patient.

HOW IT CURES.

The secondary indication of RADWAY'S READY RELIEF is to cure the patient of the disease or malady that occasions the pain; this it accomplishes rapidly and radically. So swift is the patient transformed from pain, misery, weakness, and decrepitude, to the delight, full enjoyment of health and strength, that patients frequently ascribe its talismanic power to the supernatural influence of enchantment.

RHEUMATISM, LUMBAGO, GOUT, NEURALGIA, TOOTH ACHE, CROUP, INFLUENZA, SORE THROAT, QUINZY, DIPTHERIA, HOARSENESS, BRONCHITIS, STIFF JOINTS, ENLARGED TESTIONS, HEAD ACHE, (Sick or Nervous,) ASTHMA, or HARD BREATHING.

It is truly marvellous how quick RADWAY'S READY RELIEF cures the sufferers of those maladies. The poor, crippled, and pain-stricken Rheumatic has not to wait days before a change takes place, but in a few minutes derives ease and comfort.

CHRONIC RHEUMATISM CURED.

Twenty Years of Sleepless Nights.

Wm. Sydney Myers, Esq., of Havana, Cuba, the correspondent of the London Times, suffered with Acute and Chronic Rheumatism for twenty five years, and for twenty years he had not enjoyed one whole night's calm rest. He applied RADWAY'S READY RELIEF—it immediately gave him ease and secured him the first calm and undisturbed sleep during the twenty years. The continued use of the READY RELIEF cured him.

PREVENTION BETTER THAN CURE.
THERE IS NO OCCASION FOR SICKNESS.

When you first feel pain, then take a teaspoonful of the READY RELIEF, in water; or apply it to the parts where you feel the discomfort.

ALL MALIGNANT DISEASES
first give warning of their presence, and if not promptly before they become securely intrenched within the system, will be readily expelled.

SIGNS OF SICKNESS.
Headache, Pains in the Limbs—in the Stomach, Bowels, and Kidneys—Cold Chills, and Hot Flushes, Coated Tongue, Burning Skin, Nausea, Shivering, Dullness, Loss of Appetite, Restlessness, Giddiness, &c., &c., are premonitory symptoms of Malignant Diseases. One dose of the READY RELIEF is sufficient to break up and expel diseased action, and restore the patient to health.

SOLDIERS.
Every soldier should carry with him a supply of Radway's Ready Relief. It supplies the place of all other medicines; and as a beverage, a teaspoonful of the Relief, to a wine-glass of water, is a nicer, pleasanter stimulant than brandy, whisky, or bitters.

SICKNESS PREVENTED IN THE 5TH MAINE REGT.
Eighth Maine regiment, Serg't C. P. Lord, writes that Radway's Ready Relief saved the regiment from death while quartered at Tybee Island, S. C., when working in the swamps, erecting fortifications. Every man seized with Typhoid and other Fevers, Fever and Ague, Diarrhœa, Dysentery, Rheumatism, was cured by the use of the Ready Relief.

CAUTION.
In all cases ask for Radway's Ready Relief. Take no other. See that the signature of Radway & Co. is on the outside label of each bottle. Every agent is supplied with a new and fresh stock. Price 25 cents per bottle. Sold by Druggists, Merchants and country store-keepers.

A NEW ENGLAND SETTLEMENT IN NEW JERSEY.

THE HAMMONTON TRACT OF
LAND IN NEW JERSEY

Has become the central point of an immense emigration from the New England and Middle States and British Provinces, with large accessions from Germany, Canada and Great Britain, Ohio, and other Western States. During the year 1866 over 200 houses were purchased, and 150 houses built and occupied in the settlement.

The one and best division of this tract, consisting of about

FIFTEEN THOUSAND ACRES,

Has been surveyed, and is now offered for sale, in

FARMS OF TWENTY ACRES,

and upwards, on terms favorable to all actual settlers. Titles perfect.

For price of farms, terms, &c., apply personally or by letter, to JOHN SOLOMON, Office 70 Boston, or to RICHARD S. BRANDT, at the premises, who will promptly reply to all letters.

From the Ph. ia Agriculturist, August, 1866.

WHERE AND WHAT IS HAMMONTON.

Hammonton is a tract of land in the interior of New Jersey, opened up and cleared for a most desirable settlement, and now occupied some years or less, in the county of Camden, about forty miles from Philadelphia, situated in the heart of the great market for produce of every kind. This is now in cultivation and where within the last two years it was a wilderness, north south, and or west, are to be seen farms worth from one to two hundred dollars per acre. It is their climate, and their soil, and their nearness to Philadelphia, with all the advantages of a good market, and the high value of their produce, that may be brought in comparison at the remarkably low price (not one dollar per acre) so much of other lands that are the same distance by railway from that city.

The soil of this territory is various. Some a stiff clay, suitable for grass and grain, the greater part sandy loam, which, light as it appears, is the most productive of vegetables, and is peculiarly productive of the culture of Sweet Potatoes, Irish Potatoes, Corn, Herds Grass, Berries, Grapes, Peaches, Pears, Plums, Peaches, Pears, Apples, Cherries, Chestnuts, Quinces, Cranberries, Water and Muskmelons, Melons, Pumpkins and Squashes, and a ready market for the Philadelphia market, and which market, as it is well known to be, is the best market for good stuff, fruit and vegetables in the United States, perhaps in the world.

The climate is healthy, white oak and pine are the prevailing timber, and, but in most localities the growth has been cut off, there are forests of it in the neighborhood, and in some places consisting of among other things, with small wood, easily cleared. In the forest, as you know, the standing wood may be cleared for fuel, and the stumps will rot within the past year to a depth of from two to three inches, and then can be easily dug out. Large farms have been cleared, and are now in a state of high cultivation, and yielding a profit to the owners. Small farms of 20 acres and upwards, are being cleared by owners, and average and show a net profit of from $100 to $200 per year, and are the best possible supplies of market, and are very cheap and valuable as such. Land may be had for $10 per acre, and upwards, according to quality, and may be cleared for $20 per acre. Living springs abound.

The climate is healthy, being in the latitude of the middle States, the latitude being about the same as that of Philadelphia, and is considerably colder than that of Delaware, and is tempered in summer by the breezes that come in from the Atlantic ocean, which renders the climate healthy and pleasant. The cool, thing to be seen, and healthy spot compared with a hot city like Philadelphia, and stay where they are, and seek a more congenial climate, where they can get good water, and where they will not encounter the cold and hot exposures of the Northern and Western states, and the malaria and fever and ague of the Southern states, and the malaria of the Mississippi Valley, is a question for every man to think and judge for himself.

The distance is only 87 miles, and the time is but four hours from Philadelphia, and less than one hour from Camden, and the market is in the centre of the largest population, and within one hour of Philadelphia, and at the door of the best market for produce of every kind, and for the best market for milk, as well as the market of all those who want good healthy milk. Could a more desirable spot be found?

The roads of Camden and Atlantic Railroad run from Vineland, Hammonton, and Atlantic City, and connect with the Philadelphia and Reading Railroad at Winslow Junction, and connect with the Philadelphia and Reading Railroad at Camden, and connect with the Philadelphia and Reading Railroad at Philadelphia, and are carried at half price on these three roads. Land tickets are carried at half price on these three roads.

Just look at it in your mind's eye, and how you resolve to move West time, or not at all, or at home.
