HURON BATTALION NOT BEING MADE INTO A THREE-COMPANY UNIT

Lieut.-Col. Combe Issues List of Officers Going Overseas.

ARE ONLY FOUR SHORT

Figures Show Total Strength of the 161st Is Now 808.

[Special to The Advertiser.]

CAMP BORDEN, Oct. 24.—Huron County is greatly aroused over the statement which has been heralded abroad there that the 161st Huron Battalion was to be reorganized into a three-company unit and that six officers would be of necessity dropped. Inquiries have been received at battalion headquarters to know if the report is true and to correct the rumor. Lieut.-Col. H. B. Coombe, officer commanding, has issued the following list of officers who will accompany the unit overseas:

Lieut.-Col H. B. Coombe, O.C.; Major R. S. Hays, second in command; Capt. C. G. Vanstone, adjutant; Major J. W. Shaw, medical officer; Major M. D. McTaggart, paymaster; Capt. W. B. Allen, quartermaster; Capt. J. K. Fairful, chaplain; Major W. J. Heaman, Major W. T. Sinclair, Capts. H. Campbell, P. C. Town, A. F. Sturdy, C. K. MacPherson; Lieuts. W. E. O'Neil, C. S. Hall, D. S. Scott, J. K. Mair, D. E. Holmes, D. L. Reid, W. F. Scott, W. P. Grieve, F. M. Scott, J. Hetherington, H. C. McLean, W. B. Wilson, F. N. Cluff, R. A. Walter and R. A. Cluff.

Only Four Short.

It will be seen from the above that they have a numerical roll of 28 officers, which is four below the establishment. Major C. McPhail resigned for private reasons some time ago, and Lieut. R. Y. McLean was struck off yesterday as medically unfit.

Capt. T. R. Rundel, signalling officer, and Capt. C. W. Hodgson, second in command of A Company, have been permitted to resign their appointments because of ill-health, and they will report to Military Division No. 1 on Friday, where staff appointments have been secured for them.

Lieut. George Shibley, a former London newspaperman, who has been attached to this unit for training, has been recalled to Military Division No. 1, also where it is understood an appointment awaits him.

Will Not Drop Officers.

Besides the officers there are 780 other ranks, making a total strength of 808.

Under the new establishment order it would have been necessary to drop four officers, but this will not be done now and the battalion will remain on a four company basis.

The 168th Oxford Battalion will not have to drop any of its officers under the new establishment order as it has only 30 on the strength at present. The others having proceeded overseas on a draft a short time ago, and their present strength warrants that number of officers, so they will remain as now.

Long Route March.

Tomorrow a 15-mile route march, with tactical manoeuvres, is the schedule for the day, and six battalions will take part. At 8:30 a.m. each unit will move off their field kitchens and midday rations, deploying southward toward Alliston, which they will pass four miles to the north, bearing westward to bivouac, arranged for on Bear Creek. On their arrival there the noon meal will be prepared, and after a rest of two hours will commence the return journey to camp, arriving at 4:30 p.m. The idea will be to have every officer get some training in the judgment of time and distance, and they will be brigaded for this purpose with Lieut.-Col. B. H. Belson, commanding the 114th and 159th Battalions, while Lieut.-Col. E. S. Wigle will command the 161st, 142nd, 168th and 110th Battalions. The 133rd Battalion will remain in camp as the duty unit.

Feast of Weiners.

The 142nd "London's Own" Battalion arranged a gigantic bonfire and sing-song tonight, and the 161st Huron Battalion was their guest. A very novel feature of the entertainment was that there were six huge fires, each about sixteen feet square, and each one had its special quota.

At one the band of the 142nd entertained the band of the 161st, and the details, machine gun section, signallers and stretcher-bearers and the four companies were similarly entertained at the others. The evening was replete with music and a feast of roasted weiners. The 161st will reciprocate Wednesday evening, when they will in turn act as hosts.

Training Complete.

The training of the units in camp will be completed tomorrow and Thursday the lines will be thrown open to visitors. The 173rd Hamilton Highlanders left for a point east this afternoon and were given a royal send-off, while the 227th Soo Battalion departed for their winter quarters at Hamilton. This leaves only seven units in camp, six of whom were recruited in Western Ontario. The railway officials are making arrangements to bring a large number of visitors here from that section of the province on Thursday. It is understood that all units will have left the camp on Sunday.

The 161st Huron Battalion held an auction sale today at their canteen with one of their officers acting as the auctioneer. They succeeded in disposing of all their merchandise and realized a good price on the sum total.

OFFICERS TO ASSIST IN SPECIAL TRAINING

Those Who Have Been Overseas Are Doing Splendid Work.

The presence of a number of experienced officers in excess of the usual establishment on the local staff has permitted of their being used to improve the training of the battalions quartered in the district.

Lieut.-Col. T. G. Delamere, late of the 110th Battalion, has been allotted to the 149th Battalion. Major Nelson, formerly of the 18th Battalion, goes to the 122nd, and Major Bantick, an ex-Territorial officer, has been chosen to assist the 153rd.

These officers have all had experience at the front. They will not be attached to the battalions, but will act in an advisory capacity. Their knowledge of conditions in France will be of great benefit to the units in training. Mistakes which might be made in the ordinary course will be eliminated and stress laid on those things which count most.

It is possible that other officers may be secured, who it will be possible to locate with the balance of the local units.

LT.-COL. WIGLE COMES TO LONDON ON SUNDAY

Will Take Command of Two Brigades Here.

[Special to The Advertiser.]

CAMP BORDEN, Oct. 24.—Lieut.-Col. E. S. Wigle, brigadier of the 8th Brigade, will leave camp on Sunday for London, where he will report to Military Division No. 1. There are six units there and he will be placed in charge on one of the two brigades to be formed there. His success in camp here in training the units under his command has been very marked and he should prove very valuable to the staff at London this winter.

Pte. Nigonsiwak, an Indian of the 227th Soo Battalion, died in the camp hospital this afternoon shortly after his unit had departed for winter quarters. He was admitted to the hospital on the 13th, suffering from measles, and later developed pneumonia, which proved fatal. He is believed to be a native of Manitoulin Island.

The camp will be moved to Toronto on Sunday morning, where quarters are being prepared for the reception of the patients. There are fifty-seven cases in hospital today, thirty-seven of whom are in isolation.

Capt. James Henry Pearce, 215th Battalion, is struck off the strength as medically unfit.

SOLDIER THOUGHT KILLED IS IN WAR HOSPITAL

Letter of Condolence Was Sent to Pte. James Murphy's Mother.

Although his comrades believed him killed and his commanding officer wrote a letter of condolence to his mother, Pte. James Murphy, who left London with the 33rd Battalion, is alive, although lying seriously wounded in the war hospital at Napesbury, near St. Almondes in England.

With eleven comrades he was chosen to make a bombing attack on Hun trenches on September 16, during the Somme advance. The party did much valorous work before a shell burst amongst them. It was thought that the party was completely annihilated, as the bodies of several were never recovered. Murphy, however, lived, although hit by many shells splinters.

His mother, Mrs. Patrick Murphy, resides in the city at 522 Egerton street. His father, Patrick Murphy, also went overseas with the 33rd Battalion, but was invalided from England because of rheumatism. He is at present in the Central Military Convalescent Hospital here.

LCE.-SERGT. J. D. ELLIOTT NOT SERIOUSLY WOUNDED

Able To Sign Card to Relatives—His Third Injury.

Lance-Sergt. John Duncan Elliott, son of Mr. and Mrs. John H. Elliott, Lilac Dale, Westminster, who was reported as wounded in the casualty list of Friday last, was able himself to sign the official card to notify friends, after being admitted to the hospital.

This fact has relieved the suspense of relatives, whose only notice of the casualty has been the announcement in the press.

This is the third time that Lance-Sergt. Elliott has been wounded since going to France with the first Canadian contingent. He was seriously wounded at Ypres early in the engagement. The middle of August this year he was off duty for some weeks owing to a shrapnel wound in the back of his head. A letter written by him the day before he was wounded this last time expressed grief for the loss of his chum, who had just been killed, and who had been his constant companion since the beginning of war.

ONE NILESTOWN SOLDIER DEAD, ANOTHER MISSING

NILESTOWN, Oct. 24.—Relatives have received word that Charlie Ashman, another Nilestown boy, has died of wounds at the front. With the message received by Mr. and Mrs. John Campbell that their son, Neil, is missing, this community is receiving its full share of bad news.

135TH BATTALION IS NO MORE AS A UNIT, BUT MEN ARE THERE

Obituary Notice Sent by One of the Members.

REGRETS BREAKING UP

Orders Given As To Various Battalions To Be Reinforced.

DIED.—At Witley Camp, Surrey, England, on Friday, October 13, 1916, the 135th (Middlesex) Battalion, aged 11 months.

The remains will be interred in France during the coming year. Friends please accept this the only intimation. Omit flowers.

Pte. Norman Bowron of "B" Company, 135th Battalion, sends the above obituary notice to The Advertiser in announcing that two weeks ago next Friday the men sorrowfully received the numbers of the different battalions they were to reinforce.

The Pride of Middlesex has been broken up. Whatever team work and esprit de corps was achieved in the long months of training in this city has come to naught. As one friend of the battalion stated, it was a parallel for the disbanding of a star football team, and the scattering of its members among half a dozen other teams. Would they be as effective players? he asked.

At the same time it is realized that reinforcing is necessary, and no matter how drastic the means of filling up the gaps, it is justified. The city and county, however, had hoped that the 135th would go to the front as a unit. But the efficiency of the men has no doubt been the means of causing them to be chosen for immediate action, and it is expected that they are at the front now.

But citizens will not agree that the battalion has passed away as the touch of satire sent by Pte. Bowron would indicate. Although the men are separated they will always live in memory as the 135th, and will be welcome home without having lost their identity in the hearts of citizens.

IMPERIAL SERVICE WANTS 10 NURSES FROM DISTRICT

Call Comes for 200 From Canada—Must Be Graduates.

The imperial war office has issued a call in Canada for 200 trained nurses for service with Queen Alexandra's Imperial Military Nursing Service.

No. 1 Military District has been asked to supply ten of the number. Full particulars have been forwarded to Major Bell, A. D. M. S. The nurses to qualify must be graduates of a training school giving a three years' course in connection with a hospital of 100 beds. Applicants must be within the ages of 25 and 45 years, and must be medically fit for overseas duty. They will be required to submit to a medical examination. They are also liable to service in any of the war areas. They will be required to enlist for a period of one year or for the period of the war. If enlisting for one year, they may re-enlist at the expiry of that period.

The pay of a sister is £50 a year, and of a staff nurse £40 per annum. An allowance is granted for board and washing of 21 shillings a week abroad, or 15 shillings while in England. Passage will be provided to England.

The nurses must be recommended by the matron of Victoria Hospital, and when accepted will be required to become members of the C. A. M. C. An allowance is made yearly for uniforms. It is stated specifically that the nurses will be members of Queen Alexandra's I. M. N. S., and not of the Canadian Expeditionary Force.

It is stated that the waiting lists of the many Canadian hospitals are full to overflowing, and that there is very little chance of the majority of applicants getting over with a Canadian unit. The advantages of the imperial service are that a nurse has the opportunity of seeing many parts of the world in congenial company. There will be experience to satisfy the most exacting.

Applications are to be made to the A. D. M. S. at Wolseley Barracks, who has all information available.

FORTY-EIGHT RETURNED MEN TO ARRIVE SATURDAY

Three Londoners in Draft of Medically Unfit and Wounded.

The largest draft of returned invalided and wounded soldiers to reach London since the outbreak of war is due to arrive in the city on Saturday next. The list includes the names of 48 men who left with units raised in No. 1 Military District.

Most of them, it is stated, are men found medically unfit after their units reached England, but some are suffering from wounds. They will arrive at 11:15 a.m. on Saturday if the present plans are carried out.

The names of the men are as follows: Pte. F. Alderman, Galt; Pte. Bancroft, Charing Cross; Sergt. W. Bradshaw, Stratford; Pte. A. Bricknell, Tilbury; Pte. A. R. Bricknell, Tilbury; Pte. P. Cascadden, Stratford; Pte. C. Coley, Windsor; Pte. Carter, Detroit; Pte. C. Carton, Woodstock; Sapper S. Drope, Copleston; Pte. G. Ellis, Croton; Pte. A. Grassett, Port Burwell Pte. T. Grady, Woodstock; Pte. P. Harris, Leamington; Driver C. Holy, Richwood; Pte. C. H. M. W. Hamersley, St. Thomas; Pte. C. Haskins, Tilbury; Pte. A. Jennings, St. Thomas; Pte. D. Jones, Windsor; Pte. C. Kemp, Chesley; Pte. Kible, Galt; Pte. F. Keller, Essex; Pte. P. Lynch, Parker; Driver L. Moeller, Hespeler; Pte. J. Mann, Galt; Pte. J. Murray, Woodstock; Pte. O. Middleton, Detroit; Pte. McDonald, London; Pte. A. McLaren, Windsor; Pte. T. McKenzie, Detroit; Pte. C. Norwood, Windsor; Pte. J. Norris, Essex; Pte. R. Phillips, Kingsville; Pte. A. Parkins, Philadelphia; Pte. J. Quinn, Guelph; Pte. L. Rymall, Palmerston; Pte. W. Randle, St. Thomas; Pte. M. Riberdy, Tilbury; Pte. W. Sargeant, Kitchener; Pte. G. Swain, Galt; Pte. A. Snail, Windsor; Pte. S. Sproule, Detroit; Pte. H. Taylor, London; Pte. B. Thompson, Windsor; Pte. H. Vanstone, London; Pte. R. Wilmer, Galt; Pte. J. Walker, Woodstock; Pte. C. Wigle, Essex.

A. M. C. BADGES.

Camp orders on Tuesday stated that the correct badges for all A. M. C. training depots, including the proposed field ambulance units at Kingston and St. John, are the cap badge (large maple leaf), collar badges (small maple leaves), shoulder badge (initial Canada), shoulder badges (C. A. M. C.)

Unit badges will be supplied when the members are attached to units in England.

NEARLY 300 GET CERTIFICATES FOR FIRST AID WORK

Girls, Married Women and Young Men Pass Exams.

HELP THE SUFFERING

Many at the Front Able to Render Invaluable Service.

A striking demonstration was given last evening in this city of the awakened realization as a result of the war in regard to the importance of being prepared to efficiently minister to the suffering.

In St. Andrew's Hall a public meeting was held under the auspices of the London division, St. John Ambulance Association, when nearly three hundred certificates were presented to girls, married women and young men, who, during the past year have been successful in passing their examinations in first aid, home nursing or home hygiene, or in both first aid and home nursing. Medallions and labels were also bestowed upon several who repeated their examinations of former years, in order to show they were maintaining or improving upon their former standards of efficiency.

Lieut.-Col. W. M. Gartshore, president of the division and an esquire of the Order of St. John of Jerusalem, presided, while the speech of the evening was delivered and the presentation of certificates made by Rev. D. C. MacGregor, minister of St. Andrew's.

Miss Mrs. Boomer.

Both Col. Gartshore and Mr. MacGregor expressed much regret over the absence of Mrs. H. A. Boomer, lady of grace of the Order of St. John of Jerusalem, who, it was hoped, would have been present to bestow the certificates. Reference was made to Mrs. Boomer's many good works, which have made her so prominent in the life of the community.

Introducing the program, Col. Gartshore referred to the fact that the London division of St. John Ambulance Association was the first formed in Canada. The place of prominence which the order holds in England, he stated, is evidenced by the fact that the association co-operates with the British Red Cross, and the King and royal family are not only patrons, but the majority of the members have taken certificates. The delay in presenting certificates to those who had passed their examinations last year was due to the fact that thousands were being issued in Canada, and had to be signed by H. R. H. the Duke of Connaught and registered at headquarters in Ottawa.

Well Represented.

The Canadian Brigade, St. John Ambulance Association, is represented by many who are serving overseas, a large number of these at their own expense. The latest detachment to answer a call of the British Red Cross was made up of 60 young women, three of whom went from London.

Speaking particularly to the large class receiving certificates, Mr. MacGregor referred to the motto of the association: "For Faith, in the Service of Humanity."

A brief review was given of the history of the movement, which originated near Naples in 1048, for the purpose of ministering to pilgrims on their way back and forth to the Holy Land. The origin of the movement was in the desire for service.

Splendid Service.

The speaker congratulated the successful candidates on the spirit of service, by which they were animated, upon their desire to be efficient as well as willing, upon their preparedness to cope with emergency, and finally upon the seriousness of purpose which had made them feel it worth while to devote time to the work.

An interesting demonstration of first aid bandaging for broken ribs, crushed hand, and several other injuries, was given by members of the Marian Keith Club, the St. Peter's Catholic Club and the St. James' Church classes. Among those taking part were: Misses Anderson, Ross, Morrison, Rowat, Bailey, Reid, Davidson, O'Flaherty, Hodgkirson, Davis, McFadden, Hazelwood, Wilson, Jackson, Braund, Laut, Elliott, and Mesdames Barklie, Nelles and Olmstead.

Believes She Was Saved From Stroke of Paralysis

All One Side Was Cold and Powerless When She Began Using Dr. Chase's Nerve Food.

A dead nerve cell can never be replaced. In this way it is different to other cells of the human body. But feeble, wasted nerve cells can be restored, and herein lies hope.

In this fact is also a warning to take note of such symptoms as sleeplessness and loss of energy and ambition and restore the vitality to the nervous system before some form of helplessness results.

Nervous prostration, locomotor ataxia and paralysis are the natural results of neglecting to keep the nerves in healthful condition. The use of Dr. Chase's Nerve Food when you suspect there is something wrong, will soon restore vitality to the nervous system, and thereby prevent serious developments.

Mrs. Merritt Nichols, R. R. No. 3, Dundalk, Ont., writes: "I take pleasure in writing to tell you the great benefit I have derived from the use of Dr. Chase's Nerve Food. I was so nervous I could not sleep, and found it hard to get my work done at all, but, having no help at the time, had to do the best I could. Finally my left arm became powerless and cold, and this continued to get worse, until my whole side was affected, head and all. I decided to try Dr. Chase's Nerve Food, and the first box helped me so much that I used several, and believe that this treatment saved me from having a paralytic stroke. It has built me up wonderfully, and I can recommend it most heartily, believing that if more Nerve Food were used there would be much less sickness."

Dr. Chase's Nerve Food cures in nature's way, by nourishing the feeble, wasted nerves back to health and vigor. Fifty cents a box, all dealers, or Edmanson, Bates & Co., Limited, Toronto.

FORMER LONDONER HAS BRILLIANT PUPILS

Ida Adams Is Latest Star Discovered By Arthur Lawrason.

Probably no other Londoner has achieved the position of prominence in the musical world held now for several years by Arthur Lawrason, whose own particular method of voice production has been responsible for a long list of brilliant musical successes on the part of his pupils. Prominent among those who have literally owed their successful careers to training received in Arthur Lawrason's studio are Lina Abarbanell, who appeared here several years ago in "The Merry Widow," Sally Fisher, Louise Gunning, Anna Fitziu, a metropolitan operatic success; Regina Vicarine, who charmed the musical critics of Europe, and finally, Miss Mollie McIntyre, formerly Bunty, in "Bunty Pulls the Strings," who has entered musical comedy.

According to the New York Sunday American of recent date, "Dispatches and articles from England dealing with theatrical doings there have recently begun to contain numerous laudatory paragraphs about Ida Adams, an American girl, who within the last two months has attained extraordinary success in London."

Miss Adams was a society dancer, who discovered a voice through Lawrason. This fall, she is appearing in London in a new light opera by Paul Rubens, in which she is having the leading role. She studied the role with Mr. Wawrason in New York, but when it came to putting on the final touches without him in London, she lost her courage and made him an offer to go over and help her round out the musical work. Commenting upon this, the Musical Leader says: "What a pretty penny must have been the inducement to wi Arthur Lawrason into making a trip to London just on the eve of opening his classes in his new home in the Nevada!"

CENTENNIAL CONCERT WAS GREATLY ENJOYED

Choir and Soloists Heard to Advantage in Fine Program.

The choir concert given in the Centennial Methodist Church last evening by the choir, assisted by Mrs. Harold V. Hamilton of Hamilton, Oliver Sinclair, Robert Patterson and Miss Lenore Coughlin, proved a treat to a large number of local music lovers. An opening address was given by Rev. H. T. Ferguson, pastor of the church.

The program was rendered under the direction of Mr. Bert Weir, as follows: Song, Charles Hall; solo, Mrs. Hamilton; vocal, "Blow, Soft Winds," Misses Gertrude Wood, Helen Thompson, Gladys Udy and Gladys Stanfield; anthem, soloist, Mr. Robert Patterson; concerto, Miss Lenore Coughlin; solo, "Nearer, My God, to Thee," Oliver Sinclair; organ selections, "Idyll," by Kinder, and "Dragon Flies"; anthem, "Lead, Kindly Light," Miss Helen Thompson; solo, "The Reason," Mrs. Hamilton.

HYDE PARK ANNIVERSARY.

[Special to The Advertiser.]

HYDE PARK, Oct. 24.—The supper held last evening in connection with the Presbyterian Church anniversary was a splendid success. Chicken pies were provided by the Ladies' Aid in the town hall, and a fine musical program was rendered later. The proceeds exceeded $50.

FUND TO DATE $1,350,000.

TORONTO, Oct. 24. — Contributions to the British Red Cross fund from the province of Ontario, including Toronto, now amount to $1,350,000, with 600 odd municipalities still to be heard from.

WILL HOLD SMOKER.

Only routine business was transacted at a largely attended meeting of the Returned Soldiers' Association in their clubrooms on Richmond street last night. Arrangements for a smoker to be held soon were discussed, but no date was set, pending repairing to be done to the rooms. Two new members were enrolled.

An oil painting of Col. Campbell Becher has been presented by the returned men of the 1st Battalion to the association, and has been given a place of honor in the rooms.

How To Make a Good Hair Tonic at Home

If you have been using hair tonics purchased ready-made at the drug stores you can probably save some money and get a great deal better results by using the following recipe, which has been remarkably successful in stopping loss of hair and making new hair grow on bald and thin spots. Anyone can easily make it at home. Simply mix 2 oz. of Lavora De Composee with 6 oz. of pure Bay Rum and then add one-half drachm of menthol crystals and a little perfume if desired. The preparation should be well shaken and then allowed to stand a few hours before using. All these ingredients can be obtained from any well stocked drug store. In applying be sure to not merely wet the hair, but rub the tonic right into the scalp as its ability to grow new hair depends entirely upon its nourishment being absorbed by your hair roots. This preparation has been widely used for years, and is entirely harmless and will not make the hair greasy or sticky. Ladies should be careful not to apply to face or where hair is not desired. G.
