ARGOS HAVE TWO EIGHTS TO BEAT

Toronto Crews Off for Philadelphia and Regatta of the National Association of Amateur Oarsmen.

Toronto's oarsmen and scullers who will participate in the annual regatta of the National Association of Amateur Oarsmen of America, over the national course on the Schuylkill River, next Friday and Saturday, will leave for Philadelphia this morning. Word comes that the interest in aquatics over there is greater than ever this year. Oarsmen are a little bit puzzled to account for the unexpected revival in interest. Some think it due to the fact of the great victories of the United States navy, which have turned popular interest toward everything that pertains to the water. Another reason may be the fact that Edward Hanlan Ten Eyck will be seen for the first time at a big regatta since his victory at Henley at a big regatta since his victory at Henley in a championship contest. Ten Eyck will in a championship contest, Ten Eyck will have as contestants Ed. Marsh, a member of the Pennsylvania Barge Club, while the Canadian crackajacks and three or four others are going in to keep the champion company.

The great race of the regatta is expected to be that for eights, in which the Worcester High Schools boys will find themselves matched against the Pennsylvania Barge Club, the Canadians, and a batch of others fast enough to make the race interesting.

Much improvement has been made in the medals to be awarded this year, and Secretary Frederick Fortmeyer of the N.A.A.O. is convinced that they will give far better satisfaction than any trophies hitherto awarded by the association.

The main entries in the events are as follows:

Intermediate single shells—Al Wolf, Union Boat Club, New York; Davis, Harlem, New York; Frank Marsh, Pennsylvania Barge, Philadelphia. Also scullers from the Malta (Philadelphia) and Millstream (Boston) Clubs.

Senior single shells—E H Ten Eyck, Wachusett BC, Worcester, Mass.; Lewis, Wachusett, Worcester, Mass.; Juvenal, Pennsylvania Barge, Philadelphia; A Goldman, Argonaut, Toronto; Titus, New Orleans.

Intermediate double shells—Bates and Naughton, Nonpareil Rowing Club, New York; Shaefer and Dolan, Harlem, New York; Dixon and Hoskin, Argonaut, Toronto; Binzen and Haines, Metropolitan, New York; Marsh and Dempsey, Pennsylvania Barge, Philadelphia; crew from Bachelors' Boat Club, Philadelphia.

Senior double shells—Henderson and Weinand, Catlin BC, Chicago; Marsh and Monaghan, Pennsylvania Barge, Philadelphia; Ten Eyck and Lewis, Wachusett, Worcester, Mass.; Margerum and Halstead, Crescent, Philadelphia.

Senior pair-oared shells—Scott and Exley, Pennsylvania Barge, Philadelphia; Thompson and Wright, Argonaut, Toronto.

Intermediate four-oared shells—Seawanhaka, Brooklyn; Western, St. Louis, Mo.; Argonaut, Toronto.

Senior four-oared shells—Argonaut, Toronto; Pennsylvania Barge, Philadelphia; Western RC, St. Louis; Ariel, Baltimore.

Senior international four-oared shells—Argonaut, Toronto; Pennsylvania Barge, Philadelphia; Ariel, Baltimore.

Intermediate eight-oared shells—Fairmount, Philadelphia; Union, New York.

Senior eight-oared shells—Pennsylvania Barge, Philadelphia; Worcester High School, Worcester, Mass.; Argonaut, Toronto.

The races will be rowed on the Schuylkill River, over the National course. The distance is one and a half miles, with turn, except the international four and eight-oared shell races, which are one and a half miles straightaway. The time of rowing of each event has not yet been settled, but the more important races, such as senior fours and senior eights, will undoubtedly be rowed next Saturday afternoon.

Our Northwestern Regatta.

From The Chicago Inter-Ocean.

It is likely there will be a large representation in the regatta events of the west's most successful rowing clubs Northwestern Amateur Rowing Association, which will take place at the beautiful Canadian metropolis Aug. 10 and 11. Chicago has seven clubs in the association, and all of them will make an effort to display colors in some one of the races, despite the fact that the training season has been backward. On the Lincoln Park lagoon the local rowing men are at work daily, and the past two or three weeks has seen some gratifying results and improvements. Yesterday's opening regatta was the first chance the representatives of the several clubs have had this season for trials against each other.

Toronto being a rowing centre, good water for the N.W.A.R.A. events is assured, and two courses have already been measured. During the two days nine races will be decided in the following order: Junior single sculls, senior single sculls, senior double sculls, junior double sculls, junior pair-oared shells, senior pair-oared shells, junior four-oared shells, senior four-oared shells, and four-oared gigs. All of the events will be three-quarters of a mile and return. In addition to the association races there will be other events, including races for single and tandem paddling will be half a mile straightaway. For the winners of each events valuable gold medals have been presented by the citizens of Toronto. Entries close with Secretary William C. Jupp of Detroit, July 27. The usual rules in the matter of making entries obtain. It is especially set forth, however, that no record made by an oarsman after he has entered for a Toronto event shall disqualify him from competing at Toronto in the event for which he entered.

The Citizens' Regatta.

The Citizens' Regatta Committee met last night at Clancey's, when the various committees reported. The secretary was instructed to promulgate the list of subscribers to-morrow morning. The amount to date, including the City Council's $600 grant, is $2414. The Queen's Park area evidently loyal to the cause of rowing, as they have come out in a body with $25 each.

Cricket at Mimico.

Through the instrumentality of that enthusiastic cricketer, Mr. J. H. Telfer, a cricket club has just been organized at Mimico, and on Saturday afternoon an eleven of this new club visited the Mimico Asylum and engaged the club at that place in a friendly match. The Asylum team went first to bat, and compiled 101 runs, W. Abernethy making 44, Dr. Beemer 23 and J. Ruttan 12. In the visitors' first innings, 35 runs were scored, Mr. Leedham making 11. Combination's Handsome Total.

Montreal, July 18.—(Special.)—Toronto-Rosedale and Montreal commenced their match on the grounds of the Montreal Club at 11.30 this morning. The match was characterized by heavy scoring. For the visitors, Burrows (pro.) played a very careful innings, also a chanceless one. Mackenzie and Lyon hit merrily for their runs, while Martin played a very correct and steady bat. The combination finished their innings at 4.30 o'clock for the handsome total of 251 runs. Montreal had about an hour's batting, and compiled 101 runs for two wickets. Leedham's innings of 51 (not out) was a sterling exhibition of cricket. The game will be resumed at 11 o'clock tomorrow. Toronto-Rosedale batted and fielded one man short, D. W. Saunders and A. Ware Beat Whitbeck.

Niagara, Ont., July 18.—The Canadian tennis championships concluded to-day with the final match in the handicap singles between Leo Ware of Harvard, who won the Canadian trophy on Saturday, and Caleb Whitbeck of Harvard and Rochester. Ware was owing Whitbeck 30 on each game, and had a very hard fight against the younger player, winning finally by three sets to one, the score being 6—4, 8—6, 7—9, 6—3. The players dispersed to-day, most of them going to Syracuse, while Fischer and Forbes left for Chicago, where they will contest the double championship in the west. All those engaged in this tournament, with many additions, will return for the great international tournament beginning Aug. 24.

Island Races Next Week.

The management of the Island track have decided to put on a big meet on Saturday evening, July 30, when the following program will be put on: One-mile novice, one-mile open amateur, two-mile handicap (amateur), one-mile open (professional), two-mile handicap (professional), and a 10-mile match pursuit race, when J. E. Shortt of the R.C.B.C. and John Smith of the Q.C.B.C. will decide their postponed tie race. Entries to be made at Hall Club office, 10 King-street west.

Bicycle Briefs.

The Ramblers will hold a 10-mile handicap road race on Friday over the Kingston-road course, starting at S. Harris' Hotel at 7 p.m.

Secretary Hal Donly has made his first purchase for the Vienna trip. He bought the leather wallets at Blight's yesterday in which to carry his gold.

Billy Greatrix, the Queen City Bicycle Club's crack road racer winner of the last two Dunlop road races, is getting into shape for the race again this year.

The regular meeting of the Queen City Bicycle Club will be held this evening at 8 o'clock at the club rooms, Sunnyside. Every member is requested to attend.

Merit Will Tell.

All good judges of the weed in the city now acknowledge that J. A. Thompson's famous 5c Collegian Cigar is superior to many so-called 10c brands. Call and try them and you will be convinced of this fact. J. A. Thompson, 73 Yonge-street, N.E. corner King and Yonge.

AFTER A TIE IN MONTREAL

Irwin's Torontos Return To-Day for a Long Series at the Island.

Two New Men Are Along With the Team—How the Clubs Are Bunched in the Eastern League—Stars Lost a Game by Default—Canadian and National Results.

The Torontos return home to-day for a long series at the Island, and, though in the second division, they are only .075 points behind the leaders, who happen to be the visiting team. While Dooley's defeats, that are at hand, cannot place the Islanders on top, it is only a matter of a few days when the slaughter of Providence, Springfield and Buffalo will turn the trick. Even the tail-end Providence Clamdiggers are not so badly off in games won, and are less than 100 points behind the first club. Here is the record to date:

	Won.	Lost.	Pct.
Montreal	37	29	.560
Syracuse	37	34	.521
Wilkes-Barre	33	31	.515
Buffalo	33	33	.500
Toronto	34	36	.485
Springfield	30	32	.483
Ottawa	34	38	.470
Providence	30	35	.461

Games to-day: Montreal at Toronto; Syracuse at Springfield; Providence at Wilkes-Barre; Buffalo at Ottawa.

Montreal Here To-Day.

Arthur Irwin arrived here yesterday morning from Montreal to make arrangements for the opening of the long series at the Island. Montreal starts to-day, with McFarlan in the box, and our own Pop Wilson against him. The genie manager-proprietor says he will take the first game on the road to even up the old score with the Royals. First-baseman Beaumont and Pitcher Smith are laid up, so that the recent shake-up in the Eastern has given way.

Montreal plays here also to-morrow and Thursday; Providence, Friday, Saturday (two games) and Monday. Then there is a break in the schedule of two days, after which Springfield visits the Island for four games, followed by Syracuse, Wilkes-Barre and Buffalo, bringing the season up to Aug. 18, when the Torontos go to Ottawa.

As the Island League commences to-day, Director Irwin has requested that the game between T.A.C. and Athenaeum be played to-morrow after the Montreal match, which will be called at 3.30.

The Result Was a Tie.

Montreal, July 18.—To-day's game was called at the end of the first half of the sixth inning, Sanders would have shut Toronto out but for Butler's poor work in centre field.

The Canadian League.

At St. Thomas—The locals won from Chatham through a big streak of luck. The visitors outplayed the home team, both with the stick and on the field. They had the game well in hand, when in the ninth, after two men were retired, Hicklin, who pitched for Chatham, forced two men across the plate; this, with a two-bagger by Reid, netted three runs. The score:

	R.	H.	E
St. Thomas	4 0 0 0 0 0 2 1 3—10	9	3
Chatham	0 0 1 0 2 0 2 3 0—8	15	3

Batteries—Peters, Reid and Baker; Hicklin and Phelps. Umpire—Grim. Attendance—400.

At London—Hamilton won from London in a very interesting game by timely hitting. Baker and Johnson were the opposing pitchers at first, but neither were in good form and in the third, after Johnson had forced in a run, Kelb was substituted. With three men on bases Phillips hit a corking one to left that Meara barely reached, but could not hold, three men scoring. Bradford took Baker's place in the fourth and outpitched the ex-Clevelander from this out. He also materially helped to win his own game by good stick work. In the seventh, with two on bases and two out, McKevitt smashed a clean single to centre, which Carey allowed to go through his legs, and two runs came in. Capt. Dean sent in McKevitt with a nice single to left. Score:

Downey Refused to Break Clean.

New York, July 18.—Jack Downey of Brooklyn and Danny McBride of New York met to-night at the Greater New York Athletic Club, and after fighting five hard rounds, Downey was disqualified for hitting after being ordered to break clean. Downey was a strong favorite, and a lot of money was bet and lost by his friends. The decision was fair, according to the rules under which the men agreed to box, but the referee's decision was received with hisss and cries of discontent by the Downeyites, who composed three-quarters of the spectators.

The Glen Williams would like to hear from any of the junior city teams, Old Orchards preferred. Address Secretary James Blackstock, Glen Williams, Ont.

the change cure

The cure for a tire made leaky by the hot weather is to discard it. Goodrich-Resilex Single Tubes never leak from the heat. Even in the hottest weather you only pump them once a month. No matter what kind of a tire you have to discard for leakages, Goodrich-Resilex Single Tubes will fit the old rim.
