A TRUE BENEFACTOR.

Thousands Bless the Memory of Prof. Edward E. Phelps, M.D. LL.D.

He Gave Humanity Paine's Celery Compound.

Medical Men Say It is the Only Perfect Cure for Bright's Disease and Diabetes.

Dr. Phelps' wonderful prescription, Paine's Celery Compound, is a boon to suffering humanity. This remarkable medicine has cured and saved more victims of kidney trouble than have all other combined agencies in the world. It has rescued thousands who were thought to be hopelessly lost—made them well after medical men had pronounced them incurable.

The case of Mr. C. K. Kevill, of Dunsford, Ont., is one of the strongest proofs ever put on record, that Paine's Celery Compound cures kidney disease, and all the terrible evils that follow this dangerous malady. Mr. Kevill has written for the benefit of other sufferers; he says:—

"I wish to testify in favor of the wonderful curative powers of Paine's Celery Compound for two reasons; first, in justice to the proprietors; and secondly, for the benefit of suffering humanity.

"For the past fifteen years I have been troubled with diseased kidneys. I am engaged in the manufacture of cheese, and am obliged to work more or less in a stooping posture. At times I found it almost impossible to work owing to severe pains across my kidneys. Often after working in a stooping position for a time, I would find it very difficult to straighten up at once, and could only do so after repeated efforts.

"Of late years, while laboring under these severe attacks, I became very nervous, and continually had tired, worn out feelings. My rest at night seemed to do me no good, and I always felt tired out in the morning.

"I had been taking various medicines and was getting worse all the time. At last I decided to give Paine's Celery Compound a trial. I procured a bottle, and took it according to directions, and found its effect wonderful. Before I had used the first bottle I began to improve; after I had used the second bottle I felt as well as ever I did in my life. It had banished all aches and pains, my nervousness was all gone, and the tired and worn out feelings were banished. I can go to bed now and sleep well, and rise in the morning rested and refreshed.

"I have recommended Paine's Celery Compound to my friends who were suffering from the same troubles as I had, and all have been greatly benefitted. Knowing what it has done, I can cheerfully recommend it to any person suffering from kidney disease."

RELIGIOUS NEWS.

In the Catholic churches of Milwaukee $1,005 were collected for the associated charities of that city.

An association of Catholic journalists has been formed in Italy and has just held its first meeting at Milan.

Leo XIII gave fifteen thousand lire for distirbution amongst the poor at Christmas and four thousand for the relief of poor priests.

Cardinal Vaszary, Prince Primate of Hungary, has given one hundred thousand crowns for the foundation of a refuge for the poor at Keskhely.

Rev. Father Fidelis, Rev. James, Kent Stone, the famous Passionist missionary, will preach in Appleton Chapel, Harvard College, on Sunday evening, Feb. 2.

An enterprising secular journal publishes a telegram from Cardinal Manning expressing the conviction that a war between the United States and England would be a curse to both countries. The lamented prelate is doubtless in the best position to care, but it may be questioned whether any editor has been in communication with him.

On Christmas day at St Mary's Church, Milford, Mass, a sermon was delivered by the venerable pastor, Rev P. Cuddihy, who has just completed his sixty-fourth year in the sacred ministry. Father Cuddihy is the oldest priest in New England in point of service. He is the oldest in the United States except one—Rev. Peter Havermans of Troy.

Several non-Catholic organizations attended the grand rally of Mgr. Bessonies Commandry, Knights of Father Matthew, at Indianapolis. This tendency to union was inaugurated some years ago and is commendable. Having a common purpose in hand, there is no reason why all societies for the promotion of temperance should not work in harmony.

The will of the late Rev. Joseph Nussbaum, of La Porte, Ind., who was well known in Wisconsin, makes a unique bequest, $5 being given to each of the priests—thirty-two in number—who attended his obsequies. The sum of $25 is given to Bishop Rademacher, $200 to St. Joseph's Church, of La Porte, and there are two personal bequests of $400 and $500 the latter amount being given Mrs. Kohn, wife of Professor Kohn. A generous provision is also made for the poor of St. Joseph's congregation.

Sister Emilia, generally known as "the model sister," has died at the age of eighty in the Ospedale Maggiore at Milan. In the world Alebardi Francesca, and a native of Bergamo, she became a Sister of St. Vincent de Paul; and spent forty-three years in taking care of the insane. On her death-bed she was visited by the Cardinal-Archbishop of Milan and personages of blood royal.

PECULIAR in combination, proportion and preparation of ingredients, Hood's Sarsaparilla possesses great curative value. You should **TRY IT.**
