# PREFACE.

The publishers in presenting the third edition of their Business and Farmers' Directory of the counties of Waterloo and Wellington have endeavored to merit the approval of the public, by presenting a work that will be found the most complete of the kind ever published in the district. It will be found to contain more information of a nature valuable to business men of all branches than any other publication heretofore placed in the hands of the people.

Among the contents will be found the name of each farmer and owner or tenant of a lot outside the limits of each city, town, or village with post-office, lot and concession, a complete list of towns, with the business people alphabetically arranged, also a separate list of business people classified with reference to their business. Our Postal Guide will be found invaluable to shippers and business men generally. The whole combined making one of the most complete directories ever published.

A work of this kind involves a great amount of expense and labor, and the publishers have spared neither, but have made every effort to make a reliable work worthy of the confidence of business people.

Thanking those who have kindly given us information, also the business people and the public generally who have given the work their support, we remain,

Respectfully yours,

UNION PUBLISHING CO,

*Publishers,*

# JAS. HOUGH, JR.,

# THE ARTISTIC PRINTER,

## GUELPH, ONT.

## OPINIONS OF THE PRESS.

### From the Inland Printer, Chicago, Sept., 1885.

The undersigned, after a careful examination of the specimens forwarded to, and published in the *Inland Printer*, for competition for the prizes offered during the months of April, May, June, July and August, award to F. Russell, of New York, the first premium; to A. R. Allexon, of Chicago, the second premium; to Geo. A. Moore, of Beverly, Mass., the third premium, and to Jas. Hough, Jr., of Guelph, Ont., the fourth premium.

M. F. Dougherty, with the J. M. W. Jones P. & S. Co.

Wm. Hollister, with Rand, McNally & Co.

C. E. Lewis, with Geo. E. Marshall & Co.

A. H. McLaughlin, with Poole Brothers.

B. F. Philbrick, with Shepard & Johnston.

### Hamilton Spectator, January 29, 1887.

James Hough, Jr., has opened an artistic printing office on Wyndham street Guelph, where he has the latest styles of type and best machinery. Mr. Hough was awarded fourth premium in the *Inland Printer* competition at Chicago, in a field of 23 of the best American printers, and he was one of the three Canadians appointed to send specimens to the American Printers' Specimen Exchange at Buffalo. Mr. Hough ought to succeed in his venture, and if the Guelph people appreciate good printing he will.

### Philadelphia Typographic Advertiser, Springtime, 1885.

In addition to other samples we have received a specimen, which is worthy of special mention, by Jas. Hough, Jr., Guelph, Canada.

### Acton Free Press, January 27, 1887.

Mr. Jas. Hough, Jr., late foreman of the *Herald* job department, has opened a job printing office in Guelph, with as large and fine an assortment of type, presses, &c., as any office could desire. Everything in the office is new and of the latest styles and patterns. Mr. Hough has earned for himself a reputation for artistic job printing. He was awarded a highly creditable prize in the international competition arranged by the *Inland Printer* of Chicago. We feel satisfied that the work executed by the "Art" printing office will be in every way pleasing and satisfactory to the long list of customers it is sure to be favored with.

Grip Office, Toronto, Aug. 7, 1886.

Dear Sir,—I have received sample copy of certificate, for which I thank you. I am much pleased with the job. In the assortment and display of type, and the arrangement of colors, as well as the taste displayed in the general make up of the form, I consider it first-class work. The whole effect is very excellent, and I congratulate you on the job.

Yours truly,

H. Hough,
Manager Grip Pub. Dept.

# THE • ONTARIO

# Mutual Life Assurance

# COMPANY

*HEAD OFFICE:*

WATERLOO, ONTARIO

*DOMINION DEPOSIT:*

$100,000.00

**THE ONLY PURELY MUTUAL LIFE COMPANY IN CANADA.**

| | |
|---|---|
| Total number of policies in force, Dec. 31st, 1886, .. .. .. .. | 7,488 |

| New Assurances written during 1886, .. .. .. .. .. | $2,565,750.00 |

THE following shows the steady progress The Ontario Life has made from a very small beginning, in 1870, until it has attained its present respectable dimensions:

| *Year* | *Assets.* | *Year.* | *Assets.* |
|---|---|---|---|
| 1870 .... | *$ 6,216* | 1878 .... | *$142,619* |

| 1877 .... | *110,209* | 1885 .... | 752,661 |

And for 1886, $909,804.26!

*In addition to the rapid growth of its assets there has been from year to year*

A GAIN IN { *Membership, Premium receipts, Interest receipts, Assurance in force, Gross income, New business, Surplus, and Readily convertible Cash Assets.*

The rapid growth of the Company may be seen from the fact that in 1870, the first year of its business, the total assets amounted to only $6,216, while last year they reached the handsome total of $909,804.26!

**ITS CASH INCOME AVERAGES NOW OVER $1,000 DAILY.**

The largest and most successful Life Companies in the world are purely mutual, and, like THE ONTARIO, *furnish assurance at net cost.*

*THE ONTARIO* does a strictly Life Insurance business. It has no speculative feature. It issues no Tontine Policies, at the expense of the many and for the benefit of the few. It has no stockholders—*the assets and surplus all belong to the insured.*

*THE ONTARIO* guarantees in plain figures on its policies, under the Company's seal, *definite surrender values* either in cash or paid up assurance, thereby enabling a member to know the *value* of his policy at any time, and withdraw *without loss* in cases of necessity.

*WE HAVE AGENCIES IN EVERY IMPORTANT BUSINESS CENTRE IN THE DOMINION! GIVE* THE ONTARIO LIFE *A SHARE OF YOUR PATRONAGE! IT WILL PAY YOU!*

# THE TUCKER

# *Cabinet Letter and Document*

# FILE,

## With Automatic Suspension Device.

For Labor Saving and Office Convenience it is admitted to be the best and quickest FILE in the market. Testimonials given from the best offices in Canada on application.

For the Legal Profession for the Counting Houses, for the Government Offices, our Document File has no equal. GIVE IT A TRIAL.

## 35 FILE CABINET.

Patented Dec. 31st, 1881, and Jan. 7th, 1885.

*The above cut represents a 35 drawer Cabine Letter File —one of our regular stock—made of black walnut, oil finished, and nickel trimmed. The cut so well describes the system that a description is scarcely necessary.*

THE TUCKER FILE is acknowledged by the principal business houses in Toronto and elsewhere to be the best system in the market, for the following reasons :

1st. By means of the automatic suspension device the file drawer is drawn out partly and suspended on the face of Cabinet, enabling the operator to place letters into the file with least possible work, and also of reading the same in the file drawer without removing it.

The reason the Tucker system is supplanting all others is because it is much more accurate, simple and easy to file and refer to letters.

Papers are not mutilated by wires, which is the case with punch or wire files. Dates are not destroyed, which is frequent in punch files.

Papers are firmly compressed by means of a lever clamp.

## CAPACITY:

THE TUCKER FILE has the largest capacity of any known system no matter how full the File becomes, all papers in it are easy of access.

## TRANSFER CASES:

THE TUCKER TRANSFER CASE is made to take the contents of an individual file, and is simple and most complete.

## SIZES OF CABINETS:

CABINETS, supplied in sizes ranging from 4 files up to 63 in one cabinet; where more files are wanted the Cabinet can be made in two sections.

## WOOD:

Our Cabinets are made principally of Black Walnut, but we make them to order of Cherry, in Mahogany finish, White Ash, and Birch.

## SINGLE FILES & SECRETARIES:

We supply the Tucker Single Letter File, Single Document File, and Little Secretary, the latter is a small single file cabinet with a door and good Yale lock, made for private use. It is an ornament as well as a very useful article of furniture for ladies' use.

The Tucker system of filing was awarded the Diploma over all others at the Industrial Exhibition, Toronto, 1886, and at the American Institute Fair, New York, 1885.

For further information, cuts and circulars will be sent on application.
