An Editor Recommends "5-DROPS" To Rheumatic Sufferers

Mr. L. P. Hill, editor Enterprise, Ensley, Ala., writes:
"I want to tell you that I have been living in this district for the past 27 years and there is no man that is better known than I am. I tell you this because I want you to know that I am no stranger to the people. About twenty days ago I was down on my back with the worst case of rheumatism and I began to use your medicine and in about a week I was on my feet again. People all over Birmingham and Ensley were astonished to see me get well so quick and wanted to know what medicine I took. I told them "5-DROPS" and every man who has the rheumatism knows of your medicine and say they will use it. I am telling every one of the virtue of your remedy and I am sure it will increase the sale of same."
Such evidence as this should be sufficient to prove to any person the value of "5-DROPS" in rheumatic troubles.
"5-DROPS" is sold by the leading druggists in every part of the United States and Canada.
