BAPTIST FOREIGN MISSIONS.

Continuation of the Women Workers' Convention.

What Has Been Done in Quebec—Reports of the Secretary and Treasurer.

HAMILTON, Oct. 26.—At last evening's session the church was well filled. Prof. J. H. Farmer gave an address on the mission work in Quebec and Ontario. In this Province there are 200 mission churches and 278 stations, maintained at a cost of $23,000. During the past year 900 persons have been converted. There are 133 students at the Grand Ligne School in Quebec, and scores of applicants had to be turned away for lack of accommodation.

Mr. Mellich, superintendent of Indian work in the Northwest, gave a very favorable report of the progress of the work there.

To-day the Foreign Missionary Society is doing business, with Mrs. Booker in the chair. After the opening exercises Mrs. Booker, the president, delivered her annual address. It began by extending a glad welcome to Miss Hatch, the missionary, who has been for a number of years the society's representative in India. The death of Miss Hattie West was referred to. The report said: "The outlook in our field is most hopeful, the Lord is enlarging our borders. As a society we are not growing as we should. We have not kept pace with our outlay. Standing still means to go back. To go back in Christian work is to die. We are using for current expenses the reserve fund we always need at the beginning of the year for our first appropriation, so as to be always free from debt. Does it not seem strange that we should constantly need to be reminded of our duty to the heathen?"

Mrs. Wm. Davies, jun., the secretary, presented her report. It showed the appropriations which had been made on Oct. 20, amounting to $6,010. Reference was made to proposed changes in the constitution, of associational societies, and instructions to directors. These were referred to a committee. In behalf of the society a petition was sent to the Minister of Customs with a view to the abolition of the importation of Chinese girls. The death of the secretary for bands was spoken of sympathetically. The following have been added to the list of life members during the year: Mrs. Wm. Davies, jun., Toronto; Mrs. Alexander Nelles, Boston; Mrs. Hooper, Toronto; Mrs. Myra G. Bell, Grimsby, and Miss Ann Moyle, Brantford.

The treasurer's report is as follows:

Reference was made to a change in the constitution and that a petition had been sent the Minister of Customs with a view of the abolition of the importation of Chinese girls.

Mrs. Stark, of Toronto, submitted a report on literature of the society, which gave an interesting account of the leaflets received and distributed.

Mrs. C. T. Stark reported on the mission bands and some discussion ensued which will have a beneficial effect.

Mrs. McCrae made an appeal on behalf of the Link and Visitor.

A nominating committee was appointed to select the board of directors for the coming year.

The meeting was conducted in a very business-like way throughout.

During the afternoon proceedings the Countess of Aberdeen was introduced and made a few encouraging remarks to the ladies present.

BOYCOTTED BY THE BOYS.

Wesleyan Students Form a Society to Annoy Their Girl Colleagues.

MIDDLETOWN, Conn., Oct. 26.—When Wesleyan University first opened its doors to young ladies there was no opposition among the young men. The young ladies, however, have so increased in numbers that the boys begin to feel their influence in college affairs, one effect of which is the decline of football, as girls are not experts at kicking.

Twenty-five per cent. of the freshman class this year is of the fair sex, and the ratio in the whole body of students is as one to five.

The first evidence of the feeling of the boys was the name "quail," which signifies a female student at Wesleyan. Webb Hall, the dormitory of the young ladies, is known as "Quail Roost." But this is not all. The boys have organized the "P. D. Q." society, the object of which is to put down the "quails." "P. D. Q." The society is secret, and has now only about 100 members, but every young man in college is expected to join.

The method adopted by the "P. D. Q." society is similar to the boycott. The college girls will not be invited by the college boys to any entertainments. Any college boy seen in the company of a "quail" will be summarily treated. The "quails" are to receive no consideration whatever.

A Good Reason for Living.

"She lives to love and loves to live,
She loves to live because she lives to love."

Many think it is a sin to be sick; being so, one cannot bestow their affections on others as the Creator intended; being so, it certainly is a duty to cure yourself. Most women, these days, need an invigorating tonic. Worn-out teachers, "shop-girls," dressmakers, milliners, and those subject to tiresome labor, have found a boon in Dr. Pierce's Favorite Prescription. It is a soothing and strengthening nervine, inducing refreshing sleep, relieves despondency and restores to full use all the appetites and affections of one's nature. It is sold, by druggists, under guarantee from its makers that it will, in every case, give satisfaction, or price ($1) will be promptly refunded.

Gentlemen, send your last season's overcoat to the London Cleansing and Repairing Works and have a new collar put on, and have it pressed and cleaned, and it will do you this season as well. Office of works in Arcade Barber Shop, Richmond street. Phone 981. zzv

BOVINE BLUE BLOOD.

The Noted Bow Park Thoroughbreds Go at Low Prices.

BRANTFORD, Oct. 26.—The famous Bow Park Farm of 961 acres and Shorthorn herd were offered for sale yesterday. There was no advance on the $35,000 reserve on the farm, but the stock went without reserve at low figures. Mr. R. Davies, Toronto, bought eight head, paying $1,425 for them. He got Isabella III. for $400, for which $1,000 was refused a short time ago. Messrs. Idington, of Stratford, D. Fletcher, of Kent, F. Cook, of Dunnville, D. Munro, of Kent, and J. McGregor, of Tilbury Center, were the other principal buyers. In all 41 head fetched $4,700.

When the late Hon. George Brown established the farm, years ago, he had in view the double object of endeavoring to improve the standard of Canadian live stock and of humoring an inclination for agricultural life. He accomplished his commendable purpose at a great financial sacrifice. In the course of time the splendid property which he had acquired and improved passed into the hands of Mr. Brown's relatives, the Nelsons, of Edinburg. By them the stock-breeding operations were continued, under the direction of Mr. Hope, and with such results that the product of Bow Park was known and sought after all over Canada and the United States. Yesterday the cream of Bow Park herd was disposed of under the auctioneer's hammer, and farmers and stockmen came from far and near in search of bargains. They got them.

The heifers and cows sold numbered 34, and they brought an average of something over $122 each. The seven bulls realized about $77 apiece.

CLEARING UP A MYSTERY.

Identification of the Would-Be Burglar Shot at Port Dalhousie.

ST. CATHARINES, Oct. 25.—The two women who arrived at Port Dalhousie yesterday to claim the body of the man who was shot by Canal Toll Collector Clark last Sunday to-day admitted that the dead man was Patrick Shearan, of Oshawa, and that they were his mother and sister. His father is a grinder working in the A. S. Whiting & Co. factory at Cedar Dale.

Patrick, who has four brothers, had the reputation of being a crook for a number of years, and served two terms in Kingston penitentiary. It is also said he killed a man in a quarrel. His mother and sister will recoffin the remains and bury the body in Port Dalhousie for the present.

An Aged Sinner's Sentence.

ROCHESTER, N. Y., Oct. 26.—John Hutchins, the artist who was charged with criminally assaulting Jennie Blair, a 15-year-old girl, at his rooms on East Main street, pleaded guilty this morning, and asked for leniency on the ground of being a G. A. R. man. He said he had sheltered the girls who had appeared against him when they had been driven from their homes on account of misconduct, and had provided them with food and shelter. Judge Werner said there was no palliation for the offense with which Hutchins was charged, and sentenced him to Auburn prison for twelve years. Hutchins is 66 years old and unmarried.

He Liked the Empress of Japan.

The following is a copy of a letter addressed to the C. P. R. general passenger agent by Mr. Henry C. Jarrett, of theatrical fame, regarding the pleasure and comfort experienced on his trip across the Pacific on the C. P. R. steamer Empress of Japan.

CANADIAN PACIFIC RAILWAY CO.,
R. M. S. Empress of Japan,
Off Yokohama, Japan,
Sept. 11, 1893.

Mr. D. McNicholl, general passenger agent, C. P. Railway, Montreal:

My Dear Sir,—On the eve of landing after a most delightful trip, duty and inclination prompt me to write you a few lines expressive of the pleasure and satisfaction, pleasure and comfort, enjoyed by me on the voyage from Vancouver to Yokohama.

I have crossed the Atlantic nearly 100 times, but never on any journey have I had such a pleasant experience on the ocean as I have gained on the trip now ending on the steamer Empress of Japan.

In various details of service, table attendance and lighting, I never have found it equaled. The state rooms are commodious and well furnished. The saloons and library are spacious and most comfortable, the officers efficient and faithful. The ship itself is a chef d'œuvre in all that is luxuriant in marine architecture, while its steadiness at sea is so marked that I constantly imagined I was in the parlor of my own home in New York.

To all my friends who contemplate a trip to Japan I would say, take one of the C. P. R. Company's Empress steamers, and be happy in the assurance that you will cross the Pacific on one of the safest and one of the most perfect floating palaces in the world. Very sincerely yours,

(Signed) HENRY C. JARRETT.

You Can't Get Too Much

Of a good thing. This is eminently the case with Polson's Nerviline and great pain cure. It is honest, because it is the best in the world. It only costs 25 cents to try it, and you can buy a bottle at any drug store. Nerviline cures toothache, neuralgia, pain in the back and side. All pains are promptly relieved by Polson's Nerviline.

"Is he honest, do you think?" "Honest? Why that man just suffers tortures in resisting the impulse to return a borrowed umbrella."

Worms cause feverishness, moaning and restlessness during sleep. Mother Graves' Worm Exterminator is pleasant, sure and effectual. If your druggist has none in stock, get him to procure it for you.

"Don't be down-hearted. Every rose must have its thorn, you know." "Yes, what I'm kicking about is that every thorn doesn't have its rose."

Nothing impure or injurious contaminates the popular antidote to pain, throat and lung remedy and general corrective, Dr. Thomas' Eclectric Oil. It may be used without the slightest apprehension of any other than salutary consequences. Coughs, rheumatism, earache, bruises, cuts and sores succumb to its action.

It is enough to discourage any funny man on earth to poke fun at an editor and have him refuse to take a joke.

Mrs. Martha Besant's New Treatment Absolutely cures nervous debility, impotence and all their attendant evils. It never fails. This new medicine makes itself manifest in the brightened eye, clear complexion, vivacious spirits, increased bodily strength and general feeling of buoyant health and vigor. Circular free. "That's a point in your favor," said the lawyer to his new typewriter, as she completed a very nice job of pencil-sharpening.
