ROUND THE KITTY

PETROLEA TOURNEY.

PETROLEA, Sept. 5.—The seventeenth annual tournament of Petrolea Lawn Bowling Club was held as usual on Labor Day and was the most successful in many years.

Naturally much interest centred in the final game of the first event. Geo. Laing of Ridgetown was there with his well-known rink of stalwarts. It was he who won the Corey trophy in three successive tournaments, making it the permanent possession of the Ridgetown Lawn Bowling Club. He has the record, possibly without a parallel, of having played 21 trophy games on Petrolea lawns without a single defeat. He entered the final game with the highest standing for the day's play, R. S. Jackson's Petrolea rink standing second, and it was a battle royal between these two rinks for the new trophy, as yet unnamed but anticipated. The scores stood a tie, 12 points each, when the last end began. It was anybody's game until the last bowl was delivered and passed the jack. The Petrolea rink scored one point and the victory was theirs, Geo. Laing meeting with his first defeat in 22 trophy games played on these grounds. The new trophy was won for the first time.

There were 36 rinks in the draw, representing well over a dozen clubs. The trophy of the second event, the Waddell trophy, was won by Sam Howlett's Petrolea rink, Tom Drope's Coplestone rink being the runners-up. The prizes in these two events were large cut glass bowls and Pyrex casseroles incased in silver containers, and were much admired. The Consolation prizes were large hand-painted fruit bowls of fine china.

We now have the pleasure of announcing that Mr. Joseph Armstrong, M. P., who was a very much interested spectator on the lawns during the afternoon, has presented to the club for annual competition, as successor to the Corey trophy, which has become the permanent possession of Ridgetown Lawn Bowling Club as stated above, a new trophy to be known as the Armstrong trophy.

The finals were:

COX CELEBRATES 53RD BIRTHDAY WITH FIRST WIN OF OAK STAKES

Grey Worthy Was His Drive, Beating Periscope.

HARTFORD, Conn., Sept. 8.—Walter Cox celebrated his 53rd birthday here this afternoon by winning for the first time in his career the classic Charter Oaks Stake, the feature of the grand circuit meeting at Charter Oak Park here each year. The Laurel Hall driver also took the three-year-olds trotting event, in which Silladar, Murphy's unbeaten colt until today, finished outside the money.

Periscope went down to its first defeat of the season in the Charter Oak event, and Grey Worthy, driven by Cox, won the three heats handily. The time for the first heat, 2:02½, as well as that for the second heat, 2:03½, broke the record for the event.

In the third race of the afternoon Ruth Patch won from a field of seven other 2:10 pacers after a three-heat battle with Almaden Onward, local half-mile track horse, in which Berry's mount won the second heat in a nose and nose finish, and all but overtook Ruth Patch at the wire in the third.

WANT GOVT. TO PAY DIFFERENCE

Hamilton Delegation Makes Unusual Proposition To Premier Drury.

TORONTO, Sept. 8.—A new proposal in connection with the unemployment problem was placed before Premier Drury today by a deputation from Hamilton, comprising Mayor G. C. Coppley, the board of control and other citizens. The suggestion made was that the city would undertake extensive public works during the winter, in order to give additional work, provided that the Government would shoulder the difference in cost arising as a result of employing unskilled laborers, and of prosecuting the undertakings under unfavorable weather conditions. The premier was prepared to agree that the system of direct grants used last winter was far from being a desirable arrangement, and promised that he would discuss the Hamilton proposal with his cabinet.

In the meantime, he asked the deputation to forward a written statement concerning their suggestion, and outlining the work which it was proposed to undertake.

The deputation pointed out that the situation in Hamilton was probably as serious as anywhere in the Dominion. Accordingly, they urged early consideration of the situation, in order that they might make definite plans to ameliorate the hardships which would be attendant on the colder weather.

SPANISH PEOPLE OBJECT TO POSTPONING DRIVE AGAINST MOORISH TRIBES

Madrid, Sept. 8.—Dissatisfaction over the probable adjournment of the Spanish offensive against the rebellious Moorish tribesmen near Melilla is apparent among the people here. It was believed that preparations for that offensive had been completed. Newspapers, however, explain the decision of the Government by saying that the Spanish army at Melilla, while it may have sufficient supplies to undertake a forward movement immediately, does not possess reserve supplies, and that it might be placed in an awkward position after the drive is started.

UNEMPLOYED PUT ON AUCTION BLOCK

BOSTON, Sept. 8.—Jobless men were placed on the auction block on Boston Common today. Stripped to the waist, after the custom of the old slave auctions, they declared their willingness to work by standing before a crowd of thousands, offering their services to the highest bidder.

"Shorn lambs of unemployment," their auctioneer, Urbain Ledoux, called them. Ledoux, a philanthropic worker who recently opened the "Church of the Unemployed" in the west end, led a group of fifty to the Common to bring home, he said, to the people of Boston, their stories of human misery.

Ledoux's efforts to get work for his men were not rewarded. Of the three who stood up for bids, none went away to a job.

BRANTFORD BOARDS CLASH OVER SEATS

[Special to The Advertiser.]

BRANTFORD, Sept. 8.—Charging that the board of education had acted directly contrary to the recommendations of the medical health officer in regard to school seating, the board of health tonight passed a resolution of protest against the action of the board of education in buying non-adjustable seats. Dr. Sutton, M.O.H., declared that he had reported a month ago against such seats and had received assurance that they would not be used. Enough to furnish several classes have already been purchased.

BANDITS STILL AT LARGE.

TOLEDO, O., Sept. 8.—Police and federal officials reported today that no trace had been found of Joseph Urbaytis, Charles Schultz and George Roger, convicted postoffice bandits, who escaped from Lucas County jail Monday. Officers express the belief that the men are still in Toledo.
