Training Notes From Woodbine.

Mr. Seagram was so much disappointed after the trials of his platers on Saturday that he suggested the scratching of the lot, tho later information is that at least three from the Waterloo stable will start in the King's Plate on Saturday.

Owing to the platers having worked Saturday, there was very little doing at the Woodbine yesterday. Besides it was raining mostly all morning.

The Seagram, Kirkfield and Dymont horses were galloped.

Quite a few horses were on the track, mostly those that have been racing at the winter tracks.

Bradley's Away did the fastest work of the morning, going a half in :49. Away has not raced since the Windsor fall meeting, where she was cut down.

Weather permitting, the steeplechase course at Woodbine Park will be open to trainers on Wednesday morning.

FIRST IN FIFTEEN YEARS.

There Are Hundreds of Men Who Will Echo What Mr. Robins Says.

W. O. Robins of Mitchell & Robins, who have the Semi-ready Wardrobe in both Fort William and Port Arthur, in a personal letter to the president of the company, says:

"I just thought I would let you know that Mr. Shields' suit was a decided success. Say, it actually fits nicer than a 39B type fits Mr. Mitchell. Mr. Shields will tell you when you are here that he has had his clothes made for fifteen years by the custom tailors, and this is the first good fitting suit he has ever had."

This suit was made on a "special order," the regular physique type of Mr. Shields being designated. Semi-ready suits are classed in every physique type of mankind. Get your right "type" and you cannot fail to get a better fitting suit than any tailor can possibly make for you.

NEWARK AND MONTREAL WON THEIR SUNDAY GAMES

Toronto Home for Opening To-Day at Diamond Park With Eastern League Leaders.

The Torontos are home for the opening to-day. They arrived by the front way on Sunday from Baltimore with a record of three wins and ten losses, seven by one run. Manager Barrow is fairly satisfied with his team as it now stands. Riggs was let out on Saturday, and Ronan will play centre field. A hard-batting outfielder is in view, and no one need be surprised to see Louis Bruce back in the near future. As James L. Hughes is not ashamed of the record, we hereby append same to date, showing the teams that clash at Diamond Park this afternoon occupying the extremities. Newark and Montreal won the Sunday games:

National League Standing.

New York, May 13.—The first intersectional series in the National League in which all the teams were in action began yesterday with three defeats for the invading forces. Among the victims of the day were the New Yorks, who were beaten in an eleven-innings game by the Cincinnatis. As the Chicagos had a picnic with the Brooklyns, first place is again in the Cubs' possession. St. Louis took care of Boston, and Philadelphia vanquished Pittsburg. The results:

Cincinnati 3, New York 2; Chicago 8, Brooklyn 0; St. Louis 5, Boston 2; Philadelphia 6, Pittsburg 2.

American League Record.

New York, May 13.—There were three cases of applying the whitewash in the American League yesterday and one very near it. One of the sufferers from the kelsomine epidemic was the New York team, who lost an eleven-innings battle to the Clevelands. Washington was blanked by Detroit and Chicago by Philadelphia. The Bostons lost to St. Louis and scored only one run. Thus in 39 innings the losers made only one run all told. Out of seven games between the east and west so far the westerners have won six. They have three teams in the first division. The results:

Cleveland 2, New York 0; Philadelphia 4, Chicago 0; Detroit 4, Washington 0; St. Louis 9, Boston 1.
