MAKING READY FOR GREAT DRIVE AGAINST EGYPT

Field Marshal von Mackensen is Busy Directing the Preparations.

Paris, Dec. 29.—Telegrams from Bucharest declare that Field Marshal von Mackensen is directing preparations for a powerful expedition against Egypt, says a Havas despatch from Rome. Advices to the Messaggero from the Roumanian capital, it is added, are that a number of trains loaded with munitions have been sent to Turkey, including one train of 25 flat cars laden with the parts of two 16-inch mortars and shells for the use of the guns, the shipment being destined for use in the Egyptian campaign.

Reports that Germany is preparing to move against the Suez Canal and Egypt with a mixed force of Turks, Germans and Austrians are current in Paris. Some of the reports go into various details, it being said, for instance, that the army is likely to consist of from 500,000 to 800,000 men, and that a four-track railway is being built across the half desert region towards Suez.

The Daily Mail's correspondent at Odessa telegraphs: "Large quantities of heavy artillery are being moved to Constantinople in connection with the expedition to Egypt, for which the army is now concentrated in Syria. Another army of three divisions, under Sered Bey, has gathered on the shores of the Bosphorus."

TREMENDOUS TRAFFIC IN SAULT CANAL

Detroit, Dec. 27.—Freight traffic handled through the American and Canadian canals at Sault Ste. Marie during the season just closed attained an aggregate of 71,290,304 tons, according to the statistical report issued here to-day.

Traffic for the year was 15,920,370 tons greater than in 1914, a gain of 21 per cent., and has been exceeded in volume only in two previous years:

The aunusual activity that developed during the closing months of the season is indicated in the fact that there were 21,233 vessel passages, an increase of 2,516, or 13 per cent., compared with 1914, while registered net tonnage of the carriers was 56,399,147 tons, an increase of 14,412,808 tons, or 34 per cent. compared with the previous year.

Among the freight commodities handled, wheat and copper each showed an increase of 70 per cent., and in volume of movement each established a new season record. Wheat shipments were 255,481,558 bushels, an increase of 105,197,463 bushels. Copper shipments aggregated 156,436 short tons, or 64,672 tons more than last year.

The largest movement of wheat in any previous season was in 1913, when 204,821,507 bushels were sent down the lakes. The highest previous record in copper shipment s was 148,070 tons in 1910.

The movement of iron ore was 45,213,604 tons, an increase of 13,799,839 tons, or 44 per cent., compared with 1914. General merchandise aggregating 1,595,398 tons represented a gain of 278,094 tons, or 21 per cent.

The season's lumber movement was 456,451,000 feet, an increase of 4,303,000 feet, or 1 per cent.

Both anthracite and bituminous coal shipments fell short of 1914, the former by 9 per cent. and the latter by 8 per cent.

BURFORD

Mr. and Mrs. Weaver of Hamilton, are visiting Mr. and Mrs. W. I. Woodin.

Mr. C. Campbell of Cobalt, is spending the holidays at home.

Mr. R. Graye of Toronto, is visiting the parental home.

Mr. Wm. Johnston is on the sick list.

A very pretty and quiet wedding took place at the home of Mr. and Mrs. James Elvidge, when their oldest daughter Emma Luella was united in marriage to Lester Harley of Harley. The ceremony was performed by Rev. Jos. Wells of Waterdown, assisted by Rev. F. J. Rydell. The bride was attended by little Jean Park, who made a pretty flower girl. Only the immediate relatives were present. After a dainty luncheon the happy couple motored to Brantford for points east. They will be at home at Fairview farm Harley after January 1st.

The school children held a successful bazaar and tea at the school house last Friday.

Leslie Howey of Hamilton is home for the holidays.

Charlie and Dick Saunders of Kingston, are home for the holidays.

Where Are the Men Who Say Local Option is a Failure?

Nobody from Owen Sound, Orillia, Galt, Midland or Meaford has the nerve to face a Brantford audience and tell us that Local Option is a failure. Why does not the booze business hold public meetings and let the "Mayor" and "Police Magistrate," and representative citizens of the places where Local Option has failed come to tell us about it. No! No man who has any self respect left will to-day stand up in Brantford to defend the booze business. The booze business defends itself by silence. Let us have men who will back up by public appearance the statements about the failure of Local Option.

INDIA LOYAL TO THE EMPIRE IS PROVEN

Ten Thousand Delegates at Convention in Bombay Express Sentiment.

Bombay, Dec. 29.—Ten thousand delegates, representing all communities, were present yesterday at the opening of the annual Indian national congress, which was notable for the loyal and patriotic utterances of the speakers.

"Millions in India are waiting to serve," was the keynote of the opening speeches. In the presidential address Sir Satpendra Sinha said the supreme feeling in India was "admiration for the self-imposed burden England was bearing in the struggle for liberty and freedom and pride that India had proved herself not a whit behind the rest of the Empire in the assistance given the Mother Country."

Continuing, Sir Satvendra expressed the hope that "the spontaneous outburst of loyalty had dispelled forever all distrust and suspicion between the Indians and their rulers." The speaker admitted that the time had not arrived for self-government in India, but he urged the British Government to approve ungrudgingly the goal to which India aspired and also to permit the recruiting of a strong national Indian army.

DRUNKARD'S SAD END
Sanitary Condition of 'Black Horse' Cellar, Scene of Tragedy, Criticized.

"From the lack of evidence we cannot determine whether death was accidental or otherwise, but we found that Jos. Franzel, the proprietor, was negligent in not procuring immediate medical attention," was the verdict returned by the jury last night at the inquest into the death of J. E. Gage, who received fatal injuries on Dec. 17 when he fell down the cellar steps at the Black Horse Hotel, 114 Front street east, while under the influence of liquor. The jury also criticized the sanitary condition of the cellar, recommending that the Board of Health be notified.—Toronto Globe, Dec. 28. —Advt.

DIED OF EXPOSURE, NEGLECT, ALCOHOL
Pathetic End of William Wright After He Had Spent His Savings.

An inquest was held at the jail on Christmas day to investigate the death of William Wright, a prisoner who died in the General Hospital on Friday. He had been sent to the jail on remand on a charge of drunkenness earlier in the week. The jury was composed of prisoners and citizens. Little is known of the man's friends or relatives. A verdict based upon the medical testimony was returned Wright had suffered from exposure and neglect after he had been brought to Toronto by a farmer. Evidence was produced to show that after his money had been spent he had slept in lanes and other places of a like nature. The verdict charged that death was due to exposure, neglect and blood-poisoning induced by alcoholism.—Toronto Globe, Dec., 1915.—Advt.

It is the small property owner that feels the burden when taxes are increased. Loss of revenue means increased taxes. Why should Brantford lop off a large slice of its revenue in a year when the demands on the public treasury are so heavy. That's what local option will mean.—Advt.
