FAREWELL TO A PASTOR SOCIAL AND PRESENTATION

Congregation of St. Andrew's Church Goodspeed Rev. A. MacWilliams and His Wife.

Hamilton, June 10.—(Special.)—The congregation of St. Andrew's Church tendered a farewell social to Rev. A. MacWilliams and his wife this evening. Refreshments were served by the Ladies' Aid, and a pleasing program given. The interesting part of the proceedings were presentations to the retiring pastor and his wife. On behalf of the congregation, Thomas Robson, chairman of the board of management, presented a quartered oak secretary and revolving chair to Mr. MacWilliams. Mrs. Balfour, for the Ladies' Aid, presented Mrs. MacWilliams with a case of cutlery and table linen. The choir's gift to Mrs. MacWilliams was a pearl sunburst. Campbell Leckie read the address and Mrs. Hattie Atwell made the presentation. Mr. and Mrs. MacWilliams will leave in a few days for St. Mary's.

The cantata, "Cinderella in Flowerland," given by the pupils of the Hamilton Conservatory of Music, filled Association Hall this evening. The proceeds will go to swell the fund in aid of the Hamilton pavilion of the Gravenhurst Consumptive Sanitarium. The pupils were trained by Miss Grace Awrey and Miss Lillian Campbell.

Joseph Kavanagh, who was a sergeant-major on the police force for many years, died yesterday.

Want an Inquiry.

Several aldermen have come out in favor of an inquiry, before a judge, into the ugly rumors that have been floating around about certain members of the fire department. They think it shameful that odium should be cast on the whole department by the alleged misconduct of one or two members. The only way the truth can be got at, the aldermen think, is by an inquiry before a judge, where witnesses can be examined under oath. Ald. Macleod announced to-day that he would move for such an inquiry.

Macdonald Park, at the Beach, is completely under water, and the water in the bay and lake is higher than it has been for the past twenty years.

Ald. Sullivan is accused by the teamsters of having a team on one of the watering carts.

W. New, who owns land near the city gravel pit, has erected a fence, and refuses to allow the city to use a roadway thru his property, thus cutting the city off from the pit.

The mayor has received the handsome copy of the resolution of thanks to Hamilton for aid in the recent fire, passed by the Toronto council.

Sheriff and Mrs. Middleton have returned from their trip to the west.

The remains of the late Charles Patterson, a former Bank of Hamilton manager at Winnipeg, were laid away this morning.

Frank Anderson, a bell boy, was sent to jail this morning for three months for stealing a spoon from the Hotel Royal.

The frozen-out shareholders of the H., G. & B. ridicule the statement made by C. J. Myles, the president, who claimed that he had sold out to avoid being dumped by the other shareholders. They claim that Mr. Myles and his friends held 1004 of the 2000 shares.

AMATEUR GAMES TO-DAY.

The race for the leadership of the Sunlight League is getting very keen. There is only one game between the first three teams. This afternoon the St. Clements and Wellesleys play at 2 o'clock. ITALIAN IMMIGRANTS DUPED IN THEIR SEARCH FOR WORK

Over 5000 Stranded in Montreal—Lured by Advertisements in U.S. and Italian Papers.

The arrival in Toronto a couple of days ago of twenty-three destitute Italians from Ingersoll has brought to notice the condition of their compatriots in Montreal. These men claim that an Italian "boss" in that city promised them employment in Ingersoll, and after paying him $1 commission and $5.40 each for their railway fare, they proceeded to the above town, only to find conditions even worse than in Montreal. Having no money, they finally decided to walk to Toronto, hoping for help from friends here. Michael Basso took charge of the party upon their arrival and succeeded in getting them a temporary shelter in the house of industry.

Between five and six thousand Italian immigrants are idle at present in Montreal, and the Italian Immigration Aid Society seems to be unable to relieve the destitution among them.

Advertisements in American newspapers this spring that circulate largely among Italians both in America and Italy, called for 10,000 men for work in Canada. Many caught eagerly at the prospect, and the result was a stampede into this country, particularly into Montreal. Labor agents are reaping a harvest from the men.

It is their scheme to advance money to the needy, and from this onward the agent has his victim entirely in his control. The agent manages to extract a fee from the immigrants in payment for his efforts in securing a job. The job generally fails to materialize and the deluded victim drifts into the hands of another agent.

Mr. Basso has the sworn statement of two men that they were each defrauded of $4 in all by ythree "bosses," each of whom gave them assurances of employment. Still other employment agents are endeavoring to unload the parties of Italians on outside towns, and succeed in still further fleecing the unsuspecting foreigners.

The Umberto Prima, an Italian Society of Toronto, recently forwarded a sum of money to the Italian Immigrant Aid Society in Montreal to be used in relieving the wants of the unemployed. The recipients thankfully acknowledged the receipt of the much-needed money, and further stated that they had been enabled to buy bread for one day for 180 hungry men.

Mr. Basso, in talking to The World, asserted that he will request Mayor Urquhart to communicate with the mayor of Montreal in order that some steps may be taken to place the true state of labor in Canada before intending immigrants in Italy and the United States.

Work will no doubt be plentiful when the building operations begin on the G. T. P., but the influx at this time of the year is entirely premature, and goes to show that individuals are responsible for the congestion in Montreal prompted by the prospect of fleecing their countrymen for the little money that they may possess.

A GUARANTEED CURE FOR PILES. Itching, Blind, Bleeding or Protruding Piles. Your druggist will refund money if PAZO OINTMENT fails to cure you in 6 to 14 days. 50c. 136

The Eureka A.C. will pick their team from the following for their game with the Tecumsehs on Garrison Commons: Warnica, Stratton, Horan, Wilson, Sanaran, Horner, Abbs, Lowrey, Mains, Baily, Jordan, and Cahill. All players are requested to meet at Belwoods Park at 1.30 p.m.
