Ayer's Sarsaparilla

For Scrofula, and all scrofulous diseases, Erysipelas, Rose, or St. Anthony's Fire, Eruptions and Eruptive diseases of the skin, Ulcerations of the Liver, Stomach, Kidneys, Lungs, Pimples, Pustules, Boils, Blotches, Tumors, Tetter, Salt Rheum, Scald Head, Ringworm, Ulcers, Sores, Rheumatism, Neuralgia, Pain in the Bones, Side and Head, Female Weakness, Sterility, Leucorrhœa, arising from internal ulceration, and Uterine disease, Syphilitic and Mercurial diseases, Dropsy, Dyspepsia, Emaciation, General Debility, and for Purifying the Blood.

This Sarsaparilla is a combination of vegetable alteratives—Stillingia, Mandrake, Yellow Dock—with the Iodides of Potassium and Iron, and is the most efficacious medicine yet known for the diseases it is intended to cure.

Its ingredients are so skilfully combined, that the full alterative effect of each is assured, and while it is so mild as to be harmless even to children, it is still so effectual as to purge out from the system those impurities and corruptions which develop into loathsome disease.

The reputation it enjoys is derived from its cures, and the confidence which prominent physicians all over the country repose in it, prove their experience of its usefulness.

Certificates attesting its virtues have accumulated, and are constantly being received, and as many of these cases are publicly known, they furnish convincing evidence of the superiority of this Sarsaparilla over every other alterative medicine. So generally is its superiority to any other medicine known, that we need do no more than to assure the public that the best qualities it has ever possessed are strictly maintained.

Ayer's Hair Vigor,

For restoring Gray Hair to its natural Vitality and Color.

A dressing which is at once agreeable, healthy, and effectual for preserving the hair. *Faded or gray hair is soon restored to its original color, with the gloss and freshness of youth.* Thin hair is thickened, falling hair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed. But such as remain can be saved for usefulness by this application. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. Free from those deleterious substances which make some preparations dangerous, and injurious to the hair, the Vigor can only benefit but not harm it. If wanted merely for a

HAIR DRESSING,

nothing else can be found so desirable. Containing neither oil nor dye, it does not soil white cambric, and yet lasts long on the hair, giving it a rich, glossy lustre and a grateful perfume.

THE PEOPLE

ARE THE

BEST JUDGES,

And they award

The Highest Honors

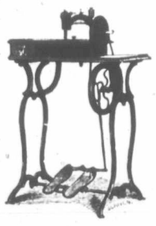
—OF—

THE DAY

TO THE

LIGHT-RUNNING

ROYAL



If a good machine you want to buy
I'll tell you where to call,
The best are sold by Fishers
So say the people all.
And they are always willing
To give every one a trial,
They sell the championsewing machine
It is the Family Royal.
If you ain't got the money
You need not fear,
If you cannot pay the cash
They'll trust you for a year.
And when the year is ended
And the money is come due
You never need to be afraid
That they will trouble you,
There are other agents
That sell the Wanzer and the Howe,
But they will never trade
On a horse or yet a cow.
But Fishers, they are willing
That the Farmer too should live
And they will take in change
Whatever they will give,
So if you want to deal with them
You need not be afraid,
For they are always willing
And open for a trade.
The blacksmiths, they have dealt with them
And now their women smile
To think their men were sensible
And bought for them the Royal,
The butchers too, who live in town
Whose women used to scold,
Have bought from them the Royal
That's worth its weight in gold.
Their women now are singing
And on their face a smile
They say that sewing is but play
Since they have got the Royal.
The bakers too have purchased one
But not to mix their dough,
They say it is the best machine
That ever was to sew.
