THE SCULLERS ARE MATCHED

HANLAN AND GAUDAUR WILL ROW IN MAY.

The Orillian Signs Articles and the Toronto Man Will Do So To-Day—For $2000, St. John's Medal and the American Championship—Moss Park Beats Toronto Club Curlers—General Sports.

Jake Gaudaur has accepted Ned Hanlan's challenge as given here on Monday, and yesterday he forwarded articles of agreement from Orillia with his signature attached and a check for $100 as a forfeit.

The articles state that the race is to be three miles, including turn, for the American championship, St. John's gold medal and $1000 a side, to take place on any suitable American lake course, Pullman preferred, 60 per cent. of gate receipts to go to winner, 40 to loser.

Decoration Day, May 30, was named as the date.

Gaudaur placed his century with Mr. H. J. P. Good, who is the temporary stakeholder. He also stipulates that a second deposit of $400 be made in April and the final $500 before the day of race.

Hanlan was apprised of Gaudaur's proceeding and at once declared that he would put his name to the paper to-day.

"I am glad Jake has agreed to my terms," said the ex-world's champion late last night," and if the document is drawn up as you say my own signature will be affixed before to-morrow night. I will begin at once to train, likely in the south."

As soon as Gaudaur learns that his rival has signed he will proceed to Creve Cœur Lake, Mo., and train carefully for four months.

THE AQUATIC CHAMPIONSHIP.

Wallace Ross Persists in His Amusing Claim—The Fox Trophy.

NEW YORK, Jan. 25.—Wallace Ross, the oarsman, arrived in this city from Buffalo, N.Y., yesterday. He called on Richard K. Fox and claimed The Police Gazette Champion Challenge Cup, which represents the championship of the world. After the death of William O'Connor Richard K. Fox, knowing the single scull championship was in abeyance, offered the trophy. Ross posted a forfeit, issued a challenge and agreed to row any man in the world for the trophy. Hanlan met Ross at Buffalo and agreed to make a match on January 19, but backed out. Yesterday Ross officially notified Mr. Fox that he had first claim on the cup and would row the first challenger for the trophy.

There is not an American oarsman who will deny the claim of Ross to the Fox cup. But he has a long row to hoe before establishing his right to the American sculling championship.

MOSS PARK'S VICTORY.

Toronto Club Curlers Knocked Out in the Tankard Competition.

The second draw in group 9, Ontario Tankard series, was played yesterday afternoon on the Victoria Rink, between the Toronto and Moss Park Clubs. The game proved a very close and exciting one, and was witnessed by a large number of curlers from all the city clubs, as well as a number from the County of York, who had been here for two days competing for the Lemon prizes. After playing the usual number of ends, the scores were as follows:

TORONTO.		MOSS PARK.	
J. Tegnant.		G. W. Johnston.	
H. Harman.		J. P. Clemes.	
Hon. L. M. Jones.		William Summerfeldt.	
C. E. Maddison, skip	17	Andrew Hood, skip.	18
C. W. Taylor.		R. Malcolm.	
W. B. Smith.		J. W. Young.	
John Bain.		James Craigie.	
J. C. Forbes, skip...	14	William Scott, skip..	21
Total.....	31	Total.....	39

Majority for Moss Park, 8 shots.

The St. Paul Bonspiel.

ST. PAUL, Minn., Jan. 25.—The bonspiel of the Northwestern Curling Association is over. There was almost a complete rout of the rinks of the United States by those of Winnipeg.

In the contest for the St. Paul trophy, it was the general opinion that the rink of R. O. Nettleton would win, but with the score 14 to 12 on the last head both Nettleton and McMillan fell down on easy shots, and the rink of R. L. Dunbar of Winnipeg won by the score of 16 to 12. The prize goes to Winnipeg, but two rinks must yet play for it, those of Dunbar and Fraser. They will settle the matter between them at Winnipeg next week.

The final contest for the George Hall medal also resulted in favor of Winnipeg. This draw was played between Wells of Portage, Wis., and Kelly of Winnipeg, resulting in favor of the latter, 23 to 9.

In the point contest Alexander McCulloch of St. Paul won, his score being 38, while G. O. Nettleton of St. Paul took second prize with 35. Some of the scores made by the Illinois and Wisconsin men were: S. Nelson, Chicago, 24; W. Nelson, Chicago, 18; John Armour, Chicago, 25; H. J. Heselthorpe, Milwaukee, 21; J. H. Wells, Portage, Wis., 34.

Curling for the Lemon Prizes.

Mr. Lemon, who presented the prizes for competition among curlers in York County, outside the city, and Mr. R. Malcolm, the convener, yesterday adjudicated on the protest entered by Richmond Hill and the Scarboro Maple Leafs against Swansea. The players of that club were said to reside in the city, although the club's rink was certainly in the county. This they admitted and retired from the contest. Thus the final for the stones was not played yesterday between Richmond Hill and Swansea, but has been set down for next Monday in Toronto at 10 a.m. between Scarboro Maple Leafs and Richmond Hill, starting at 10 a.m. The Leafs went through the first two rounds without defeat and Richmond Hill succumbed to Swansea, whose retirement reinstate them. As the Little York curlers were beaten in the first round by Swansea there is no reason why they should not again enter the contest.

Chips from the Ice.

In lieu of the match for the Lemon prizes Swansea and Scarboro Maple Leafs played a friendly match yesterday morning, seven ends. The Leafs won by 18 to 13.

Two championship matches will be played on Victoria ice to-night, viz.: Victoria v. Varsity, senior match, at 7.45, and Trinity II. v. Varsity II. at 9.

There was a successful carnival at Prospect Park last night. The feature was the hockey match between New Fort and the Imperial seven. The military men won by 7 goals to 6. Mr. R. Stovel made an impartial referee.

The final draw for the Dryden trophy at Lindsay yesterday resulted in a victory for Peterboro over Oshawa by 11 shots. Attrill's rink beat Dingle's 18—17 and Ray's was ahead of Punshon's by 23 to 13.

The Tankard match on Victoria ice yesterday was played under protest. Toronto claimed that J. P. Cemes is not qualified and it is probable that the match will be replayed. Mr. Clemes' name does not appear in the annual, and for that matter neither does Mr. Johnston's. But this fact need not disqualify either of them.

The Wanderers' Ball To-Morrow.

The Wanderers' Bicycle Club will hold their sixth annual at home to-morrow evening at the Pavilion. The affair promises to be a great success. Those who have been fortunate enough to receive invitations should secure their tickets at once, as they are going very rapidly.

Tickets may be secured from any of the 15 members of the committee or from the secretary at 136 King-street east.

The catering will be under the skilful management of Harry Webb and the music furnished by Gliddon's orchestra of 25 pieces.

A THREE DAYS' MEET.

Hamilton's Running Races—Several Stakes to be Inaugurated.

HAMILTON, Jan. 25.—J. M. Lottridge is to be president of the Hamilton Jockey Club, and a better selection could not be made, says The Spectator. W. Hendrie, jr., will be vice-president.

It is likely that a meeting will be held in a few days to prepare a program for the opening of the park the first week in June.

There is no reason for delay now that the Ontario Jockey Club has got out its program. There will be three days' racing, six races each day. It is the intention to inaugurate several stakes. The Manufacturers' and Merchants' Stake and the Provincial Handicap for province-bred are names suggested for stakes. It is probable that George E. Tuckett can be induced to give a Myrtle Stake.

The club should loss no time in getting out its program, so that horsemen who go to Toronto can make arrangements to come here.

THE GAME OF FOOTBALL.

Osgoode Hall Will Play in Chicago—The Corinthians' Toronto Fixtures.

Osgoode Hall's Association Football Club are making arrangements to visit the World's Fair in May. They intend to take a direct trip to Chicago, playing only in Chatham and Detroit on the way.

The Corinthians' representative in America, Mr. C. A. Baird of Chicago, asks for a $300 guarantee for one Association game in Toronto in August. The local Leaguers think this rather excessive, but are willing to offer $200.

President Starr said yesterday that they would make every effort to have Mr. Judson's cracks here, and that his League could put an eleven in the field sufficiently strong to capture the contest.

In case an Association guarantee be not forthcoming there is little doubt but that a Rugby game will be arranged between the Corinthians and Osgoode Hall. Rosedale cricketers also intend to secure the visitors' eleven for a three days' match on their pretty ground.

At the meeting of the Scottish Football Club last night it was resolved to hold the regular annual dinner next month, and a suitable committee was appointed to make the necessary arrangements.

Sutton and Capron at Practice.

In a 500 point game yesterday Billiardist Sutton made an average of 22 at the Roslin rooms. At the Central Capron did some good work, including a clever run of 102. They will both be in correct form for their straight-rail game at the Auditorium to-morrow night.

Sporting Notes.

Detroit defeated Sarnia by 19 shots in the last game of group 14, so that the City of the Straits will be represented in the tankard finals.

The next shoot of the Owl Gun Club for the gun presented by H. P. Davies to the members of the Owl Gun Club will be shot off at Greenwoods-avenue to-morrow afternoon, shooting to commence at 2 o'clock.

A meeting of the Goro Vale Football Club will be held in the club rooms, Queen and Lisgar-streets, this evening at 8 o'clock. Members are requested to attend as business of importance will be transacted.

The Chicago boat clubs are determined to have a regatta, notwithstanding that Detroit gets the National. Theirs is to be held immediately after the National and they expect that all of the college crews and other crack clubs will participate in it. The course will be over Lake Calumet.

Twenty players to maintain the supremacy of the West in the checker contest to-night are to be selected from the following: Messrs. Fletcher, Campbell, Captain Boyd, Sheppard, Bland, Caren, Wylie, Mitzer, Dolan, Mudie, Hamilton, Woods, Baird, Bessett, Medly, McArthur, Hood, Callaghan, O'Hanley, Repath, Thomas Walker, Hogg, Tait, Malcolm, Baldwin, Kirk, Pitch, Ray, Marmion, Johnstone and Asher.

"German Syrup"

J. C. Davis, Rector of St. James' Episcopal Church, Eufaula, Ala.: "My son has been badly afflicted with a fearful and threatening cough for several months, and after trying several prescriptions from physicians which failed to relieve him, he has been perfectly restored by the use of two bottles of Boschee's German Syrup. I can recommend it without hesitation." Chronic severe, deep-seated coughs like this are as severe tests as a remedy can be subjected to. It is for these long-standing cases that Boschee's German Syrup is made a specialty. Many others afflicted as this lad was, will do well to make a note of this.

An Episcopal Rector.

J. F. Arnold, Montevideo, Minn., writes: I always use German Syrup for a Cold on the Lungs. I have never found an equal to it—far less a superior. ⑨
