CHICAGO, Feb. 28.—The climax of excitement in the provisions deal was apparently reached to-day. The clique which has been conducting the deal in pork succeeded before the close of the afternoon board in advancing the price of May pork to $19.10 per bbl, at which figure a few "short" operators settled. The market then broke off to $18 and closed there for the day. Opening sales were made at $16.65, an advance of 30c over Saturday. There is no doubt that May pork is cornered, but to what altitude prices will go is purely conjectural. Several commission houses refused to execute orders in pork to-day, owing to the unsatisfactory condition of the market. Lard ruled 10c to 20c higher, and short ribs were 10c to 15c higher. Grain list closed a shade higher. Leading futures closed: Wheat—March 72¾c, May 78¾c, June 79½c. Corn—March 34½c, May 39½c to 39¾c, June 40¼c. Oats—March 24c, May 28½c, June 29¼c. Pork—March $17.70, May $18, June $18. Lard—March $7.12½, May $7.27½, June $7.32½. Cash quotations were: No. 2 spring wheat 72¾c to 76c. No. 2 red 78½c to 79c. No. 2 corn 34½c to 36c. No. 2 oats 23½c to 24c. Pork—$17.70. Lard—$7.12½. Short rib sides $7.12½. Dry salted shoulders 36 to $8.25. Short clear sides $8.20 to $8.25. Shipments—Flour 8000 bbls., wheat 107,000 bush, corn 24,000 bush, oats 74,000 bush, rye 1000 bush, barley 17,000 bush.

GRATEFUL—COMFORTING.
EPPS'S COCOA.
BREAKFAST.
"By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well-selected Cocoa, Mr. Epps has provided our breakfast tables with a delicately flavored beverage which may save us many heavy doctor's bills. It is by the judicious use of such articles of diet that a constitution may be gradually built up until strong enough to resist every tendency to disease. Hundreds of subtle maladies are floating around us ready to attack wherever there is a weak point. We may escape many a shaft by keeping ourselves well fortified with pure blood and a properly-nourished frame."—*Civil Service Gazette.*

Chronic Catarrh
Catarrh destroys the sense of smell and taste, consumes the cartilages of the nose, and, unless properly treated, hastens its victim into Consumption. It usually indicates a scrofulous condition of the system, and should be treated, like chronic ulcers and eruptions, through the blood. The most obstinate and dangerous forms of this disagreeable disease
Can be Cured
cured by taking Ayer's Sarsaparilla. "I have always been more or less troubled with Scrofula, but never seriously until the spring of 1882. At that time I took a severe cold in my head, which, notwithstanding all efforts to cure grew worse, and finally became a chronic Catarrh. It was accompanied with terrible headaches, deafness, a continual coughing, and with great soreness of the lungs. My throat and stomach were so polluted with the mass of corruption from my head that Loss of Appetite, Dyspepsia, and Emaciation totally unfitted me for business. I tried many of the so-called specifics for this disease, but obtained no relief until I commenced taking Ayer's Sarsaparilla. After using two bottles of this medicine, I noticed an improvement in my condition. When I had taken six bottles all traces of Catarrh disappeared, and my health was completely restored.—A. B. Cornell, Fairfield, Iowa.
For thoroughly eradicating the poisons of Catarrh from the blood, take
Ayer's Sarsaparilla.
It will restore health and vigor to decaying and diseased tissues, when everything else fails.
Prepared by Dr. J. C. Ayer & Co., Lowell, Mass.

Catarrh
Is usually the result of a neglected "cold in the head," which causes an inflammation of the mucous membrane of the nose. Unless arrested, this inflammation produces Catarrh which, when chronic, becomes very offensive. It is impossible to be otherwise healthy, and, at the same time, afflicted with Catarrh. When promptly treated, this disease may be
Cured
by the use of Ayer's Sarsaparilla. "I suffered, for years, from chronic Catarrh. My appetite was very poor, and I felt miserably. None of the remedies I took afforded me any relief, until I commenced using Ayer's Sarsaparilla, of which I have now taken five bottles. The Catarrh has disappeared, and I am growing strong and stout again; my appetite has returned, and my health is fully restored.—Susan L. W. Cook, 909 Albany street, Boston Highlands, Mass.
I was troubled with Catarrh, and all its attendant evils, for several years. I tried various remedies, and was treated by a number of physicians, but received no benefit until I commenced taking Ayer's Sarsaparilla. A few bottles of this medicine cured me of this troublesome complaint, and completely restored my health and strength.—Jesse Boggs, Holman's Mills, Albermarle, N. C.
If you would strengthen and invigorate your system more rapidly and surely than by any other medicine, use Ayer's Sarsaparilla.
It is the safest and most reliable of all blood purifiers. No other remedy is so effective in cases of chronic Catarrh.
Sold by all Druggists. Price $1; six bottles, $5.
