To the Electors of the City of Saint John.

GENTLEMEN:—Having filled the office of Mayor for Three Years, I have paid during that time into the City Funds, from the receipt of the Office alone, over and above my Salary, the sum of nearly Nine Thousand Pounds, the effect of which has enabled the Committee of Accounts to recommend the payment of the interest upon the City Debt to the full rate of six per cent. for the period ending 1st June next—Ten per cent. upon the unpaid interest, and also to make the following remark in their last report:—

"The large revenue derived from the Mayor's Office during the past year has greatly contributed to place the Corporation in its present satisfactory condition."

On Tuesday next I shall again be a candidate for the office of Mayor, and should my past services have met your approval, I shall be pleased to receive a continuance of your kind support.

With sentiments of great respect,
I have the honor to be,
Gentlemen,
Your most obedient Servant,
May 1. W. O. SMITH.

To the Freemen and Freeholders of the City of St. John.

Friends and Fellow Citizens:

I ADDRESS you for the purpose of soliciting your suffrages at the approaching election for the MAYORALTY of this City.

I do so as a competitor for the honor of that office with the present Mayor, and not in opposition, the termination of the period for which he was elected leaving the way open for any aspirant to the office duly and legally qualified.

My claims are based on my having served in the Common Council as Assistant Alderman for three years, as one of the Aldermen of the City Corporation for four years, and as one of the Representatives of this City in the General Assembly for twelve years, and in the discharge of other public duties gratuitously.

I do not boast of superior abilities or attainments but should I be honored by a majority of your votes at the ensuing election, I shall exert such abilities as I do possess to discharge the duties of the office faithfully.

I do not present myself to you as the Candidate of any party, of any religious denomination, or of men of any particular country, but as one free to accept the support of any or all the electors; and I will receive with pleasure such votes as the Freemen and Freeholders may freely and voluntarily be pleased to give me.

Should I be elected on such principles, I shall feel myself unpledged and free to discharge any duty that may devolve on me with impartially.

I am respectfully,
Your friend and fellow citizen,
May 1. I. WOODWARD.

To the Independent Freeholders of the County of King's.

GENTLEMEN—

THE Assembly having been dissolved with the view of affording the Constituencies an opportunity of expressing their opinion on the present state of public affairs, I have been induced to offer myself as a Candidate for the important position of one of your Representatives.

If elected, I shall endeavour to maintain and defend the principles of Responsible Government, believing that the door of office should be open to every man whatever his Creed, profession, or occupation.

To the establishment of Municipal Corporations or to any Educational system, comprising among its provisions Direct Taxation, I am opposed, as unsuited to the age and condition of the country.

I shall support the present Government in all measures conducive to the welfare of the country, and oppose them when I conceive the rights and privileges of the people are invaded.

In *factious* opposition to any Government, I hope never to be found, but will use whatever ability I possess to promote the true interests of the Province.

I have the honor to be,
Gentlemen,
Your obedient servant,
E. A. VAIL.

MEDICAL REVOLUTION!

THE WORLD UNANIMOUS.

HOLLOWAY'S OINTMENT.

THE GREAT COUNTER IRRITANT!

The virus of disease often makes its way to the internal organs through the pores of the skin. This penetrating Ointment, melting under the hand as it is rubbed in, is absorbed through the same channels, and, reaching the seat of inflammation, promptly and invariably subdues it, whether located in the kidneys, the liver, the lungs, or any other important organ. It penetrates the surface to the interior, through the countless tubes that communicate with the skin as summer rain passes into the fevered earth diffusing its cool and regenerating influence.

SKIN DISEASES & GLANDULAR SWELLINGS.

Every species of exterior irritation is quickly reduced by the anti-inflamatory action of this Ointment. Angry ERUPTIONS, such as SALT RHEUM, ERYSIPELAS, TETTER, RINGWORM, SCALD HEAD, NETTLE RASH, SCABIES (or ITCH) &c., die out, to return no more under its application. Hospital experience in all parts of the world proves its infallibility in diseases of the skin, the muscles, the joints and the glands.

ULCERS, SORES, AND TUMORS.

The effect of this unrivaled external remedy upon Scrofula, and other virulent ulcers and sores, is almost miraculous. It first discharges the poison which produces suppuration and proud flesh, and thus the cures which its healing properties afterward complete are safe as well as permanent.

WOUNDS, BRUISES, BURNS, AND SCALDS.

In cases of the fracture of the bones, injuries caused by steam explosions, BRUISES, BURNS, SCALDS, RHEUMATISM, STIFFNESS OF THE JOINTS, and contraction of the sinews, it is employed and warmly recommended by the faculty. This marvellous remedy has been introduced by its inventor in person into all the leading Hospitals of Europe, and no private household should be without it.

UNDENIABLE TESTIMONY.

The Medical Staff of the French and English Armies in the Crimea have officially signed their approval of Holloway's Ointment, as the most reliable dressing for sabre cuts, stabs, and gun-shot wounds. It is also used by the surgeons of the Allied Navies.

Both the Ointment and Pills should be used in the following cases:

Bunions,	Rheumatism,	Sore Throats,
Burns,	Ringworm,	Sores of all kinds
Capped hands,	Salt Rheum,	Sprains,
Chilblains,	Scalds,	Stiff Joints
