Found Simons Guilty.

At the County Criminal Court today, Judge Snider tried George Simons of the Franklin House on the charge of assaulting and stabbing Dr. Jones of Glanford on the night of April 4. Simons was defended by James Haverson of Toronto. The evidence of the plaintiff was to the effect that Simons jabbed a pitchfork into his anatomy several times, while they were in the stable. Simons denies doing this.

Judge Snider found Simons guilty of striking, not stabbing, with the fork, and imposed a fine of $25 and costs, which would make the total about $75.

YORK COUNTY AND SUBURBS

Three of the Junction Boys Enlist in the Contingent for South Africa.

HOME CIRCLE ADOPTS NEW NAME

Will Be Known as Toronto Junction Circle—Three Hundred Trees to Be Set Out.

Toronto Junction, April 15.—The Junction is to be represented by three of the stalwarts who make up the fourth contingent from Canada to South Africa. They are Charles Hass, Queen's-road; Fred Manser, Keele-street, and Seth Stevens, now of the city, who enlisted with the first contingent. Charles Hass and Fred Manser have yet to receive their baptism of fire.

The members of the Home Circle have decided to alter the name of their lodge at the meeting to-night, and will have the charter changed to read Toronto Junction instead of Carlton West. The circle originally started on the Carlton side of the town; but of late their meetings have been held in the Thompson Hall. The change is being made for the benefit of visitors, who frequently come to town and do not know that there is a circle here. To-night there were visiting brethren from Caledon East, Claremont, Toronto and Woodbridge.

The council has ordered 300 young shade trees for decorative purposes along the streets of the town. Citizens who will take care of trees planted opposite their property should communicate with the town clerk for them.

Grace Church choir, Toronto, has engaged a special car to take them to Weston Thursday evening, where they will give an Easter song service in St. John's Church.

East Toronto.

The Blantyre mansion was the scene of a pleasant party on Monday evening, when Mr. George Male, who has charge of the grounds, celebrated the 25th anniversary of his marriage. Mr. Male has been connected with Blantyre for 13 years.

Games and various amusements were enjoyed till the small hours of the morning, when the happy gathering dispersed.

County Commissioners Meet.

At a meeting of the County Commissioners held yesterday afternoon in the old Court House, Solicitor C. C. Robinson was instructed to notify the Metropolitan Railway Company to make the cars comply with the terms of the original agreement with the county by June 1 next. The cars are defective, the commissioners say, because they have no cushions, no baggage-room attached and no cross seats, as provided for in the agreement.

North Toronto Council.

A special meeting of the Town Council was held last night, Mayor Fisher being in the chair, and Councillors E. D. Brown, Anderson and I. Brown were present. A long discussion took place on a motion by E. D. Brown to change the method of levying the assessment and collecting the taxes. Owing to absence of some members of the Council, the matter was laid over to another meeting.

On motion of Messrs. Brown and Anderson, the clerk was instructed to advertise for tenders for street watering and report at the next meeting.

Several bylaws were laid over till the meeting of April 24, owing to the absence of several members.

Grace Church, Markham.

Markham, April 15.—The adjourned vestry meeting of Grace Church was held in the school room last evening. The wardens presented their annual financial statement, which was very satisfactory. The total receipts amounted to $854.96. This amount includes bequest of the late Captain W. Rolph of $206 to pay off the mortgage on the cemetery. The liabilities for the year were $842.16, leaving a balance on hand of $12.80. Rev. S. A. Lawrence expressed himself much pleased with the report, altho he had to regret the loss of eleven families thru death and removal. Last year was the most prosperous one during his incumbency of Markham. Mr. Robert Campbell was again elected people's warden, and Mr. R. T. Speight minister's warden. Messrs. John Wilkinson, F. Williamson, A. G. Beck, J. G. Robinson, W. Williamson and Fred Armsden, sidemen. Messrs. F. A. Reesor and W. Williamson lay delegates to the Synod. Messrs. A. G. Beck and J. G. Robinson auditors. The Women's and Girls' Auxiliaries both presented very encouraging reports. The women showed that during the year they made made $63.39, and paid out $38.52, having a balance on hand of $25.39. The girls made $31.35, paid out $25.31, having a balance on hand of $6.22. Considering the small membership of those two societies this is an excellent showing. A resolution of condolence was passed to Mr. George Nicholson and family for the irreparable loss they had sustained thru the death of Mrs. Nicholson, a devoted wife and self-sacrificing and loving mother. Also a vote of thanks to Mrs. Rolph for promptness in paying her late husband's liberal bequeath.

MANY PHYSICALLY UNFIT

Only 50 Per Cent. of Candidates for South Africa Pass Medical Scrutiny.

TWENTY-ONE CHOSEN YESTERDAY

War Veterans Preferred—Names of Those Who Will Be in at the Finish.

Only about 50 per cent. of the men who went before Surgeon Lieut.-Col. Nattrass yesterday to undergo the medical examination necessary to join the fourth contingent were pronounced fit for service. This is a higher percentage of plucked ones than on previous occasions, due, perhaps, to a little greater care being taken on the sight and hearing of the applicants.

Between 200 and 300 men were at the Armouries ready to offer their services when Col. Otter arrived at 10 o'clock in the morning. With the assistance of Capt. Burnham, Capt. Stanley and several sergeants, the men were lined up and inspected, and about sixty were sent to Surgeon Nattrass for examination.

The local regiments were represented as follows by the applicants: Toronto Mounted Rifles, 6; 9th Field Battery, 10; G.G.B.G., 20; 48th Highlanders, 27; Royal Grenadiers, 28; Queen's Own Rifles, 12; 12th York Rangers, 12. There were also a number of applicants from outside battalions. Preference was given to men who have already seen active service and to the mounted corps.

Those who passed the medical examination up to 5 o'clock last evening, when Dr. Nattrass adjourned his task until this morning, were:

Seth Stevens, 21 Dorset-street, second R.C.R.I. and first contingent.

Alfred H. Parrett, 190 Grange-avenue, Q.O.R.

Fred G. Holland, 106 Grange-avenue, Q.O.R.

Robert Dermody, Royal Grenadiers.

The following four non-commissioned officers of the Royal Canadian Dragoons have been ordered to Halifax with Major Williams to assist in embarkation arrangements: Sergt. Medhurst, Sergt. The candidates will undergo the shooting and riding tests to-day. Some of them were tried in shooting yesterday afternoon, and all made such a good showing that it is not likely any of them will be plucked on this score.

Canadians Dined With Head Master

New York, April 15.—The Canadian lacrosse team, under the leadership of Capt. Wheeler and Vice-President Killer, has opened a series of over 15 matches with English and Irish teams, says a London despatch to The Tribune. The first match, against Kent, was won hands down, the brilliant passing of the Canadians being a surprise to the spectators. The players afterwards dined with the headmaster of St. Dunstan's College. There will be contests at Oxford, Cambridge, Leeds, Manchester, Belfast and other districts, and a determined effort will be made to popularize the Canadian game.
