Newark Wins Out in the Ninth Making Clean Sheet on Series

Rochester and Buffalo Again Bumped, But Montreal Wallops Baltimore.

NEWARK, N.J., Aug. 11.—(Special.)—Newark cleaned up the series from the Maple Leafs to-day by taking the last game by the close score of 2 to 1 in a pitchers' battle between Pfeffer and Brady in a game where luck favored the home team.

The game was a well-played one, being full of scrappy fielding, in which neither team had an error called up against them, while each twirler allowed the same number of hits, a round half dozen being their allotment, the Indians winning out in the ninth by Meyers, who singled and stole second after Wolverton and Sharpe had been disposed of, scoring on a single by Blair.

Newark tallied their first in the opening innings. Louden walked and was safe at second when Mahling dropped Mitchell's thro walter Kelly had flied out. Schafly was passed, and he and Louden worked a double steal, while a charity to Gettman fill d the bases, Wolverton counting Louden with a sacrifice fly.

Toronto had a chance in the fourth, when McDonald singled and was sacrificed along, but he was caught cold off second, and Grimshaw followed it up with a single, only to be forced by Mitchell. However, the Leafs counted one in the fifth, when Frick singled with two down, going to third on Pfeffer's hit, and scoring when he and Pfeifer worked a double steal. Score:

BASEBALL CLUB MEET TO-DAY.

The Toronto Baseball Club directors meet this afternoon at 2 o'clock to decide upon where the team will finish the season.

The management of the Rosedale grounds yesterday submitted a proposition to the ball club, but last night it was learned that this price was considered rather high by the baseball magnates, and should the grounds be found large enough to play at Scarboro, the team may finish the season there. At any rate Scarboro appeals more to the ball club than Rosedale in view of the grounds being given gratis.

Bill Phyle an Umpire.

Bill Phyle, the Toronto baseball player, was yesterday appointed an Eastern League umpire and will report to President Powers to-day.

BASEBALL GOSSIP

With a little over seven weeks to go the Eastern League race is developing into one of the best contests in years. Rochester at the start of this present eastern trip, enjoyed a comfortable lead, but like Toronto and Buffalo she is getting her bumps regularly, the latest being three straight defeats at the hands of Jersey City under the able management of Jack Ryan. The Skeeters at present are playing the best ball in the league and if they can win a majority of their games on the western trip will be right around the leaders. Rochester starts to-day with their last series of the eastern trip, tackling Providence, and unless the former have stopped the Bronchos should be farther down the ladder.

The National League is developing into a pretty race from a one-sided beginning, with Chicago gradually creeping up on the Pirates, but for the rest of the week the Cubs will entertain the Giants and should the Cubs pick away the Giants you can pretty near put down a pennant and another world's series for Chicago. Pittsburg in the meantime will have Philadelphia as her guests, but the Pirates, who have had the Quakers on the Indian list all year, should repeat, but will be up against a tough proposition in the Giants next week.

The American League, as usual, is having another red hot fight, with Detroit and Connie Mack's Athletics at present tie for first honors, but Boston is gradually creeping up on the leaders and will be knocking at the door when the wire is reached. Boston have the best of the coming western trip, as both the leaders have many double-headers to pull off.

This has been a great season for records by pitchers. First was Mullin's string of consecutive victories at the beginning of the season, which left him unbeaten with twelve victories until young Krause marred his record. Then Krause took his place and only lost after ten victories, and Matheson pitched 13 winning games in a row. Now Reulbach of the Cubs has equalled Chesbro's record of 14 consecutive victories, established in 1902 while with Pittsburg.

While on the western trip, Rube Oldring made a record, but he probably did not know it. He played first in St. Louis for the full nine innings, and got but one chance—an out. Jiggs Donahue played full nine innings orf Chicago some years ago, and did not get a chance to retire a man, altho he secured an assist. Things are coming pretty soft for first basemen when they get but one chance.

Probably no team has as many pitchers actually with the club as the Yankees. Stallings just now has two working daily at American League Park. They are Manning, Lake, Warhop, Chesbro, Orth, Wilson, Quinn, Brockett, Doyle and Hughes. All except Orth and Chesbro are pitching often enough to be classed as regulars. Vaughan and the Newark left hander, Frill, are to report in a few days, and McConnell comes back in October.

The reason for Herman Schaefer's layoff from the Tigers' infield has taked out. It seems that in a recent game at Detroit Jennings suggested a certain play to which Schaefer objected. Jennings insisted and Schaefer remarked that it would never be done while he was captain of the team. Just to show that the manager has more to say than the captain, Schaefer has been kept on the bench, tho he is hitting much better than either Killifer or O'Leary, his two substitutes. And yet Jennings is to be commended for his stand. A team without discipline cannot expect to win pennants, and the benching of Schaefer must have convinced the Detroit players that Jennings is boss.

Amateur Baseball.

The programe for the Don Valley League on Saturday is: 4 p.m., the Carltons play the I.C.B.U., and as the Irishmen have been greatly strengthened, a good game is sure to result. Batteries will be Graham or Coulter and Giedhill; Wilson, Carter and Kelly. At 2 o'clock, Reliance meet All Saints, the leaders. Batteries will probably be Belanger or Owens and Hunter; Allward or Hobson and Adams. On account of the immense crowds who witness these games every Saturday the officials have decided to rope off the field. Ed. Barnes will as usual handle the indicator.

The Diamonds II. baseball team would like to arrange a game of baseball for Saturday, 14th, with some fast juvenile team, average age 16. Please address all communications to F. Crawford, 89 Montrose-avenue.

The Chippewa B.B.C. will practice tonight at Harbor Square park and wish a full turn out as they have a hard game Saturday. J. Young, manager.

LACROSSE NEWS AND GOSSIP

Doings of Various Clubs and Players Here and There.

At Mount Forest yesterday the famous Fergus Thistles were to have played at lacrosse game at 3.30, but decided at 2 o'clock that they couldn't come, a large number of people being disappointed as the Lornes were in great shape to reverse their defeat of a few weeks ago in Fergus. The Lornes went down to Fergus with half a regular team for the benefit of true sport rather than disappoint a team at the last minute, when the game had been advertised, and it must be a come down to Fergus to have cold feet.

Mickey Ions, the Tecumseh lacrosse player, was committed for trial yesterday and his bail renewed. Kalls, the Toronto player who was kicked by Ions, stated to Magistrate Denison that he didn't know how it was done.

The plan for the Toronto-Capital game Saturday at Scarboro Beach opens this morning at 139 Yonge-street.

Joe Lally and Peter Murphy will likely be the officials in the Montreal-National game Saturday on the former grounds.

The N.L.U. games Saturday are: Capitals at Toronto, Nationals at Montreal and Shamrocks at Cornwall.

Caps are trying out some juniors on the home end Saturday.

President Doyle of the C.L.A. has ordered the unfinished game between Maitlands and Elms (juveniles) to be played over again on Saturday, Aug. 14th, on the Elms' grounds at 3.30. The game will likely be played at Centre Island.

Caps and Toronto Saturday.

There's no convincing Jimmy Murphy or Fred Thompson that the Torontos haven't a good chance for the N.L.U. championship, even if the Caps are coming to Scarboro Beach on Saturday for the express purpose of putting the Blue and White down and out.

This game is causing Murphy and his men just a little more concern than they care to admit, but the Torontos are ready to go any kind of a route the Capitals may choose. It will look like the real Ottawa battle array to see Johnnie Powers, Fagan, Ashfield, "Rastus" Murphy, Hutton and the rest in the game. The last named never was a scintillating star at clearing, but he has always been able to handle anything directed at him with half a chance. It will keep that shifty Toronto home on their toes the whole time to get enough shots past Hutton to make the game at all safe. There will be no changes in the smooth-going Toronto line-up, and one step nearer the championship is counted upon by the Beachers.

RECEPTION TO O'NEIL

Champion Sculler Greeted by Parade and Fireworks at Halifax.

HALIFAX, N.S., Aug. 11.—(Special.)—John O'Neil, champion amateur single sculler of America, accompanied by Coach Frank Greer, arrived here tonight and was greeted at the depot by a great crowd of citizens.

A monster torchlight parade was formed in which the city aldermen, the different aquatic clubs of the city, Premier Murray and hundreds of friends took part.

The prominent attraction of the parade wos the carriage containing the Champion O'Neil, President Bennet of St. Mary's A. A. C., and Coach Greer, which was drawn by 100 young men members of St. Mary's Rowing Club to which O'Neil belongs. The carriage was beautifully decorated with a large St. Mary's banner, a Union Jack, a pair of oars enveloped with the club colors and a handsome silver cup and cream silk banner, emblematic of the amateur single championship of America.

After the civic address, which was read by Premier Murray, to which O'Neil responded briefly, the champion proceeded to St. Mary's Hall, where he was presented by the club with a handsome case of cutlery.

Hounds to Meet.

The first meet of hounds for the season of 1909-10 will take place on Saturday morning next at the Toronto Hunt Club. These early morning runs are conceded by many to be among the best of the season. Members should take special note that hounds will leave the kennels at 6.15 sharp. The run will last for approximately one hour.

Draw Made To-Night.

The draw for the Dominion Lawn Bowling tournament will be made at the Granite Club to-night at 8 o'clock. Entries will be received up to that hour. The draw will be published in Friday's papers.

CATTLEMAN LOSES $1000.

MONTREAL, Aug. 11.—(Special.)—Isaac Montgomery, a cattle dealer of Irish Creek, Ont., lost his pocket book to-day, containing $1000, between the stock yards and the Windsor depot.
