NEWSY NOTES PICKED UP ALL OVER COUNTY

St. Clair Avenue People Want City Comforts—Richmond Hill Fair —West Toronto.

UNIONVILLE, May 22.—(Special.)—The excursion to Peterboro via G.T.R. on Wednesday, June 15, under the auspices of the Unionville Public Library bids fair to be the most popular outing of the season. The fare has been placed at the low rate of $1.15, and it looks now as tho everybody would be there. Keep the date in your mind—Wednesday, June 15.

Not in many years have the followers of Izaak Walton enjoyed their favorite pastime to better advanage The amount of bass and other fish has been especially fine and some good catches have been made. The government might well be approached with a request to still further improve matters by stocking the pond and river.

Mr. and Mrs. E. C. Hall of Toronto are spending the holiday with Mr. and Mrs. Jas. A. Gibson.

The cement work in connection with George Wetherell's new residence on Main-street south has been completed and the building will be at once pushed to completion.

Frank Frisby is completing the excavation of the basement of the new Lutheran Church and will put in the cement foundations. The masonry work will be in charge of John Miller. The new structure will greatly improve the south end of the village, which is already a fine residential district.

Local bowlers, altho no games have been played, have one of the finest greens north of the city, and a prosperous season is assured.

Mrs. Frank Frisby, Rev. Mr. and Mrs. Maurer, and Ross Summerfelt will be the delegates from Unionville Lutheran Church to the annual conference held in Brockville this week, returning on Friday.

Gersham Size, who succeeded the late John Devlin in the harness and shoe repairing business in this village, is by the nature of the work produced creating a most favorable impression. Mr. Size is prepared to give the best of satisfaction to his customers. The rumor that he was giving up the business is without foundation.

There was a good attendance of he members of the York County Beekeepers' Association held in Victoria Hall on Saturday afternoon, and the reports presented were all of a most encouraging nature.

The sale of the late Robert Wood property, a 100-acre farm at the south end of the village, takes place at the Queen's Hotel on Saturday, June 11.

EARLSCOURT.

Northwest Portion of City Demands Better Police Protection.

EARLSCOURT, May 22.—(Special.)—On Saturday Mrs. Graham Hamilton and her five children arrived at the Hamilton residence on Nairn-avenue, from Manchester, Eng. Miss Esther Gagot, then affianced to Arthur Carson, this city, accompanied them. Since that date the nuptial ceremonies have wedded together the happy couple. Mr. and Mrs. Carson will remain here permanently.

On St. Clair-avenue, from Christie to Dufferin, it is safe to say no single gas or arc light is to be found; neither at night is a police officer placed on duty between these two streets on St. Clair. This latter question now assumes vast importance, for the fruit season is approaching and unless proper police protection is provided last year's wanton waste and destruction or orchards and gardens will take place.

WYCHWOOD.

Local Merchants Want More Attention Given to Streets.

WYCHWOOD, May 22.—(Special.)—A few days ago a petition signed by 32 business men of Wychwood was sent to the chairman of the city board of health relative to the necessity of oiling the town thorofares.

This petition was hended over to Street Commissioner Harris, who replied in substance as follows: "I have made a personal inspection of the streets referred to in yours of the 12th inst., and beg to state that the roads south of Dupont are already being oiled. The thorofares north of the tracks are in such a torn up and unimproved condition as to preclude the desired treatment, the outlay considerably outweighing the results achieved, and, were the roads fit to oil it would be unwise to do so on account of the tracks in the centre of the roadway."

The street commissioner's reply is far from being satisfactory to the business men and ratepayers of Wychwood and St. Clair-avenue, and a big deputation will come down to-morrow with a view to getting some improvement and getting it at once. St. Clair-avenue is a big coming district and the people here, now that the city has assumed control of the streets, look for something better than we have been accustomed to.

Wychwood Athletic Grounds have been well prepared for the games, and Saturday the sod was in fine shape. At the baseball grounds there was a fine rooting crowd, the rooters mostly from Wychwood. The results are: First game, Wychwood 9, American Bat 5; second game, Int., Cod. Sch. 8, Dominion Cash Reg. 5.

WEST TORONTO.

Bible Class Banquet Leader on Eve of Departure for the West.

WEST TORONTO, May 22.—(Special.)—The banquet tendered Rev. Mr. Taylor by the Young Men's Bible Class on Saturday night was one of the best ever held in town. Mr. Taylor leaves in a few days for Vancouver, and the occasion was taken advantage by his class to show their appreciation of his services.

The funeral of the late John Dunn takes place from the undertaking rooms of Mr. Speers to-morrow morning, to Prospect Cemetery.

John Shaw, a switchman on the C. P. R., had three ribs broken yesterday.

The death of Mabel Bryer, after an illness extending over ten years, took place at 218 Fairview-avenue to-day. Deceased was a sister of Mrs. Lyman Watson, and the funeral takes place from her brother-in-law's residence on the 8.15 C. P. R. for Brampton, Tuesday morning.

Mrs. Annie Spence, wife of Walter S. Spence, 34 Mulock-avenue, passed away to-day, after a month's illness, of typhoid fever. Deceased was only 27 years old, and leaves a husband and child 9 months old.

NORTH TORONTO.

Items of Interest Picked Up by Our Own Reporter.

NORTH TORONTO, May 22.—(Special.)—On Monday evening the finance committee will meet at the town hall, and on Saturday, May 28, Mayor Brown will convene and address a public meeting relative to the vote on the purchase of the Stibbard property.

The E.Y.M.C. will hold their second annual concert at Eglinton town hall, Thursday, May 26, and on May 24, the club will hold its annual five mile road race, the prizes being distributed as follows: 1st prize, silver trophy cup, valued at $60; second, willow chair; third, stick pin; fourth, silver medal. A chess tournament is also among the field-day series, and promises exceptional interest.

Saturday afternoon the Eglintons, on the baseball field of Davisville, suffered defeat at the hands of the Davisville fans, 7-1. However, two men of the former team, H. Jeiffs and P. Fooks the ful-backs, showed up remarkably well.

In the cricket match between St. Clements and Grace Church of the city, the latter team scored 62 runs against 28 sprinted by the St. Clements youngsters.

In Eglinton Methodist Church this morning, Rev. Mr. Magee spoke in the interests of the Moral Reform Movement, and in the evening the pastor preached.

In Eglinton Presbyterian Church, Rev. Mr. Carmichael, the venerable minister of King City, occupied the pulpit.

It looks now as tho Christ Church, the beautiful new Anglican edifice being erected in Deer Park, will be opened on June 2.

WESTON.

Will Be Big Meeting of Boy Scouts To-night.

WESTON, May 22.—(Special.)—A big meeting of the Boy Scouts will be held in the town hall to-morrow (Monday) night, when Mr. Wakefield, a prominent officer on Sir Baden Powell's staff, will address the boys. The president of the Toronto Scouts Masters' Association has arranged to have a number of the city scouts present. St. Alban's boys will attend as cadest.

The funeral of the late Mrs. C. Kaiser of North Station-street, took place at 2.30 this afternoon to Riverside Cemetery, and was largely atended.

RICHMOND HILL.

RICHMOND HILL, May 22.—(Special.)—Everything looks bright for the annual spring fair, and given good weather ,the crowd and exhibits will be the best in its history.

Entries for all classes of horses are big, and all that is needed is fine warm weather and a good car service.

PRINCE STILL-BORN

Disappointment to Queen Victoria of Spain—Alfonso Was in London.

MADRID, May 22.—Queen Victoria was delivered of an infant, still-born, at four o'clock Saturday morning. The sex was male. The unhappy outcome is attributed to a premature accouchement, which, however, was otherwise natural. The body will be buried without ceremony in the Royal pantheon of the Escurial monastery.

When told of her loss the mother wept bitterly. King Alfonso is still in London, where he attended the funeral of the Queen's uncle, the late King Edward.

HARBORD HAS RIFLE TEAM IN A WORLD-WIDE MATCH

Shooting Takes Place To-morrow For Valuable Prizes—Presentation of Colors To-day.

With the approval of the British war office, and under the auspices of the National Rifle Association, a competition will be held thruout the empire to-morrow, for which Lt.-Col. R. W. Schumacher, Johannesburg, S. Africa, has offered a Cadets' Challenge Cup (value 50 guineas), as well as silver and bronze commemorative medals and £100 in money. The contest is open to one team of 20 cadets of any rank under 18 years of age, from any cadet corps in the empire. It will be fired in two stages: The first at 400 and 500 yards, sighting and observation of fire; the second at 300 yards, rapid fire.

Harbord Collegiate is probably the only school in Canada competing. The targets are grey, green and brown, or a type never used in Canada before. A supply was supposed to be sent from England, but as they did not arrive in time, Harbord had a set made here. The Harbord team had a practice on Saturday at Long Branch, but found it difficult to secure facilities owing to the large number using the ranges. They were determined, however, to carry thru their plans, so they waited till the ranges were clear at noon and pushed thru their practice. With bright sunlight shining in front, the grey targets at 400 and 500 yards are completely invisible, and it was only by waiting for intervals when a cloud obscured the sun that the boys could see to aim. Notwithstanding this, they made several hits, the rapid firing, 15 shots in 45 seconds, being particularly effective. The lads used their magazines like veterans.

To secure good light, they propose shooting the contest late in the afternoon on Tuesday. Many of them are foregoing a holiday out of the city in order to enable Canada to place at least one team in the contest. As several military academies in India, Australia and S. Africa are competing, Harbord will do well if it wins one of the three prizes offered.

The programs issued for the Flower Day parade of school children to-day did not include the presentation of colors to the Harbord Cadets. By order of the board of education this ceremony is to be added to the presentation of colors to the Public School Cadets. The Harbord colors are presented by Mrs. Hagarty, wife of the principal of the institute, and the literary society of the school. One is a Union Jack with the coat of arms of Earl Roberts in the centre, permission having been granted by the earl to use this emblem owing to the fact that the Harbord Cadets were the first Canadian corps to be enrolled among the Imperial Lord Roberts' Cadets. The other flag consists of the school colors, orange and black, with the school crest, bearing the motto, "Virtus et Doctrina" in the centre. Both flags are of rich silk material, with bullion fringe and brass mountainge on oaken staves. Brass plates contain inscriptions showing the names of the donors and the date.

Miss Norma Holdroyd of Georgetown will represent the literary society at the ceremony to-day.

EXPECT SURRENDER

General Mena Reports That He Has the Enemy Entirely Surrounded.

BLUEFIELDS, Nicaragua, May 22.—"Have enemy completely surrounded and cut off from ammunition and provisions. Expect surrender any time."

This was the message that came to General Juan Estrada, leader of the insurgent forces, from General Luis Mena yesterday. The Estrada forces, under Mena, according to the plan which had been decided upon, executed their first move yesterday evening at Rama. General Mena allowed Gen. Chavarria of the Madriz forces to close upon Rama, when he moved a small body of his forces in a feint to attack Chavarria's position. At the same time Gen. Moncado, at the head of an insurgent detachment, made a forced march from Muelle de Buyes, forty miles west of Rama, and attacked Chavarria's ammunition and provision train.

The entire train, with 200,000 rounds of ammunition and a large amount of provisions, was captured, and Chavarria's supplies were cut off. Gen. Chavarria now holds a position facing Rama, with General Menat at his front and General Moncado at the rear. Gen. Mena reports his loss in the feint attack as small.
