DEADLINE - Wednesdays, 12 pm

What do you think?

The 1990 orientation tape for freshmen has really sparked quite a debate in the last few weeks. Some people feel that the tape is sexist and does not represent the university well. Others feel that the tape should be entertaining for the freshmen, since it is only a spoof and gives the freshmen an idea about what goes on during orientation week. But what do freshmen think about the tape?

Your turn

We would like to here some views from freshmen (and even other students) about the tape. So write out what you like or dislike about the tape and send it back to us. Then next week, in our regular issue, we will publish some of these letters.

Remember we need your name and student ID number. But your name does not necessarily have to be printed with the letter.

We must receive the letters no later then 5pm on Tuesday, September 1 1. Letters can be sent or dropped off at the Student Union Building, Room 35.

We need writers!

As a student you pay a Student Union fee. Part of that fee goes to *the Brunswickan*. Why not get your money's worth? Instead of just receiving the paper every week, join the paper and: get free coffee, use of computers, invaluable experience and have lots of fun.

We need involvement. We need every possible news article covered. Our next compulsory workshop will be in a few weeks. Come on along and see what it is all about. And if anyone gets your name and number, watch out! You'll then become an official Bruns Newshound!

Or drop by our office in the SUB or call us at 453-4983 and ask for the News department.
