AROUND THE PADDED RING

Gossip of All Classes Versed in the Manly Art of Self-Defense—Past and Future Matches.

The Toronto Athletic Club has secured a strong card for the preliminaries to the Flanagan-Dougherty go of to-morrow night. Jack Nethery, the well-known baseball player, will face Fred Cooper in the semi-wind up. The champion is giving away five pounds, and thus a fast and even bout may be looked for, as what Cooper lacks in weight he will make up in height and experience. The curtain raiser will be a six-round bout between Jimmy Barry, a cousin of the famous Chicago bantam, and Harry Burkhardt, a likely aspirant for 105-lb. honors, at which weight they are matched.

The best of the preliminaries to the Maher-Smith fight brought on Martin Judge of Philadelphia and Charley Woods of England. Judge had the best of the first three rounds, doing the greater part of the leading and landing a straight left several times on Woods' neck and face. Woods cut Judge's eye with a heavy right early in the fourth round, but Judge more than evened it up by landing several well-directed lefts in the face. Judge also had all the best of the fifth round, landing his left repeatedly and doing good work. The last round was Judge's, too. He surprised his admirers by his clever left-hand work and shows wonderful improvement over his last work in Philadelphia.

Kid McPartland, the New York lightweight, who has figured extensively hereabout of late and who is thought by many to stand an excellent chance of succeeding Kid Lavigne as the lightweight champion, will display his form on Friday night in a six-round bout with Jerome Quigley, at the Arena, Philadelphia. Quigley has regained his old time form and just now is giving any in his division a rare hustling. The Fairmount lad's recent victory over the Australian champion, Tom Williams, has boomed his stock sky high, and the clever kid will certainly have all he can do to keep intact his reputation.

The Dougherty party left Philadelphia last night, and will reach Toronto early this morning. They will stay at Mr. Scholes' Athlete Hotel, Yonge-street. Dougherty is said to have a wonderful reach, which is his great advantage over Flanagan, and local followers of the game are anxiously awaiting his arrival to get a line on the lad that goes up against Stephen Joseph to-morrow night. After his work yesterday Flanagan turned the beam at 104 pounds.

Andy Ward of Sarnia is one of the rising Canadian lightweights. He boxes at 133 lbs. and recently knighthought Jack Donley of Toledo, though he was Earped out of the decision. The Sarnia Post says Dailey was on the defensive for seven rounds. In the eighth Ward sent his man to the grass and banged him again on rising, when the referee gave the mill to Dailey. After the fight Referee Gallagher was almost mobbed.

Pat Kilty has been training Jack Nethery for a week at the Athenaem in preparation for the T. A. C. tournament and the baseball boxer is in good shape to fill the vacancy to meet Champion Cooper. Kilty is keeping in good condition in anticipation of a match with Kid Goulette of Rochester.

The thieves who broke into the Griffiths Cycle Corporation secured a bunch of the Flanagan-Dougherty reserved seat tickets. The T.A.C. hurriedly printed another set, and purchasers of the 97 that were marked off are requested to call at 235 Yonge-street for exchanges.

George Ross of New York, who trained for the 20-round bout with Flanagan that was to have been pulled off at Athens, Pa., early this month, is anxious to meet the latter in Toronto as soon as a match can be made.

Tommy White of Chicago and Young Mahony of Philadelphia fought fifteen rounds at the Olympic Club at Athens Wednesday night, resulting in a victory for Mahoney.

Bob Armstrong and Yank Kenney are to meet in Chicago next Monday night. This should prove to be a peculiarly interesting bout.

Billy Whistler defeated Joe Elliott in eight rounds of hard fighting at Baltimore on Monday night.

Baseball Brevities.

Tip O'Neil of Montreal, has received official notification of his appointment as an Eastern League umpire.

The International League season will open in Michigan about the second week in May, and the Canadian clubs will play their first game at home shortly before May 24.

The Canadian cities of the International have little hopes of pulling Guelph into the league and Rasty Wright's Grand Rapids' club will likely look elsewhere for a franchise.

The Atlantic Baseball Club yesterday held a very successful meeting, electing officers and signing players for the coming season. A most successful and bright year is expected.

The Toronto Litho Baseball Club, champions of the Lithographic League, held their first meeting of the year last night, at which officers were elected and plans for the coming season were proposed.

Charlie Collins showed his sterling qualities yesterday on the ice, when he beat Flavelle's great rink by 3 shots. Club says Hamilton will have a good ball team, but nothing has been done, owing to the uncertainty of the circuit, up to yesterday. Now, he will begin and get a team together that should take a lot of beating in the new International.

With a compact six-club league, baseball should boom. While there has been some doubt about the composition of the league, several of the managers of the teams have not been idle. Hamilton has 12 or 13 men under contract, London has 7, Port Huron eight and Saginaw 19. There is great rivalry between Saginaw and Bay City.—Hamilton Spectator.

For the Waterloo Cup.

Liverpool, Feb. 17.—The annual coursing for the Waterloo Cup opened yesterday, with the usual crowd in attendance. It was a boisterous day and there were some showers, but the ground was in good order and the hares showed rare stamina. The second round leaves 16 dogs in. The favorites, Gallant and White Hawk, were knocked out.

LINDSAY TURNED THE TRICK

Ontario's Silver Tankard Again Goes to Flavelletown.

It Was Skip McLennan Who Won the Game—He Beat Bertram 12 Shots and Flavelle Was Only Five Behind Club Collins—Playing in the Guelph Bonspiel.

Lindsay has turned the trick and again the tankard goes to Flavelletown. Thus a new record is made in a time of records and to the town of Lindsay belongs the spoils and the best pair of rinks the world has ever seen. But we knew it and caused the turn several days ago; not only that, but told you that Dundas would fight it out with the giants of the bosom from the East. Lindsay had it easy for three rounds and the score by ends shows that Dundas was ahead until the fatal big end against Bertram. Collins still kept at it, knocking out all sorts of hits and doubling in any old thing of a six-scuper or grass-cutter, but Doc across the way became tangled up in a fatal swat that netted seven bases for the other fellow and it was all off.

Good weather again favored the curlers, and the Granite Rink was crowded all day by enthusiasts anxious to see the semi-finals in the morning and the final between Lindsay and Dundas in the afternoon.

Shortly after 2 o'clock the deciding match commenced, and until the last five ends it was anyone's game, and at one time it looked as if the champions would be beaten out, until McLennan came to the rescue with a 7-end, and this practically settled the winners of the Tankard. Never at any time after that was there any doubt, for from that out Lindsay's score started to increase. The winning margin is the smallest majority Lindsay has had over any club met during the bonspiel.

Dundas put up a hard fight, and in the semi-finals in the morning they were only once behind, that being when McFadden of Stratford scored 6 on Collins on the 22nd end, but by Bertram's steady play they pulled the game out by a fair majority.

At the conclusion of the match the Tankard was presented to Skip J. D. Flavelle by Mr. R. L. Paterson of the Granites, who was voted as chairman, with a capable speech. He remarked on Lindsay having won the prize for the second time. Mr. Flavelle replied in a genial tone, saying that he knew that the feeling of was against them, but this was only proper, as they had had it last season. He also stated that some of the curlers thought that Lindsay practised these rinks together for the Tankard matches, but this was not the case, as they only played together in this bonspiel and in the preliminaries. Lieut.-Governor Mowat was to have made the presentation, but Secretary Russell read a letter of regret, stating that owing to previous engagements he was unable to attend. A hearty vote of thanks was then passed to the three deputy-umpires, George S. Lyon, D. L. Van Vlack and John Bain. Mr. Lyon replied on behalf of the officials.

Three cheers and a tiger were then given for the champions and the runners-up, and the Tankard game for the winter was at an end. The following are the scores, all played on Queen City Ice

The contestants were: F. N. Vinsole of Boston, Mass.; C. L. Clarke of Burlington, Vt., and Michaelson. Vinsole was a good second, but Clarke was altogether outclassed.

Brockville Beat Queen's.

Brockville, Feb. 17.—The first game in the second round of the O.H.A. was played here to-day, between Queen's of Kingston and the St. Lawrence team of Brockville, the latter winning by a score of 4 to 2. The ice was in splendid condition, and Chalmers of Morrisburg refereed the match. Chalmers of Morrisburg referred the game and strictly enforced the rules. Empires were: E. Williams of Queen's College and W. C. McLaren of this town.

Ingersoll Beat Simcoe.

Ingersoll, Feb. 17.—Ingersoll defeated Simcoe here to-night in a hotly contested game of hockey in the S. O. H. A. series by a score of 12 to 7. The game was a clean one throughout, and was witnessed by about 800 spectators. The teams lined up as follows:

Ingersoll (12)—Goal, Elliott; point, Snell; cover, Smith; forwards, Gillard, Dagon, Davis, Hault.

Simcoe (7)—Goal, Fraser; point, F. C. Lark; cover, Winter; forwards, W. Clark, Shupe, Kribb, Young.

Lightfoot on the Ice.

Stratford, Feb. 17.—Over 1000 spectators cheered themselves hoarse to-night in the hockey match played here between the Victorias of Guelph and the Stratford Juniors in the semi-finals for the championship of Ontario. The Guelph aggregation came here determined to win and brought a team much older and heavier than the Stratfords. The combination of both teams was good, but Stratford far outplayed their opponents at every stage of the game. Stratford scored the first three goals in quick order. Then Guelph managed to score one. Stratford again scored before half time, leaving the score 4 to 1. In the second half Guelph seemed to play a better game, and succeeded in scoring four goals, while Stratford scored six, thus leaving them winners by 10 to 5. The feature of the game was the playing of Lightfoot of the home team, who scored eight of Stratford's 10 goals. Petre of Guelph also played a great game.

NEW SECRETARY FOR C.L.A.

Old War Horse Bill Hartley Gets J. Vance's Portfolio.

Many Past Presidents in Attendance at the Special Meeting of the Canadian Lacrosse Association Executive Meeting—About the Suspension of Glover.

A meeting of the Executive Committee of the Canadian Lacrosse Association was held last night at the Rossin House, with the following present: President J. J. Craig, Vice-President J. D. Bailey, Past President D. A. Rose and H. J. P. Good, P. McMillan, Beaverton; W. H. Hall, Markham; J. A. Ross, Tecumseh; and F. Nelson. The resignation of Secretary J. Vance was received and accepted, and Mr. W. A. S. Hartley, who ran against him at the last elections, was appointed in his place for the rest of the term. A resolution was passed to instruct the secretary to write, asking the A.A.A. of C. for a decision in the case of George Glover of Markham, who was suspended some time ago as a professional, and the Executive of the C.L.A. recommended his reinstatement last fall, but no decision whatever has been given by the A.A.A. of C. The prospects are again bright for next season and no clubs have dropped out.

There will be another meeting of the executive two weeks hence for the purpose of getting things in shape for the annual meeting on Good Friday.

THE STANLEY'S SHOOT.

Outside Marksmen Prevail and Toronto Shooters Are Conspicuous by Their Absence.

The second day's shoot of the Stanley Gun Club came to a successful termination yesterday. The shooting of McDowall and Graham in the live bird event was worthy of mention. It will be noticed that nearly all of the shooters present at this tournament are from a distance, particularly noticeably were those from Hamilton, Galt, Guelph, Hespeler, Oshawa, Bowmanville and East Toronto. Where were all the old-time pigeon shots who reside in Toronto? There were only noticed on the grounds yesterday Messrs. T. Loudon, J. Douglas, W. McDowall and G. H. Briggs, a very meagre attendance of trap shooters for a place which can boast of so many champion shots.

Still the sport was pronounced a decided success and every shooter present really enjoyed himself, notwithstanding the extreme cold weather. The scores:

Live birds, pigeons, $100, 12 birds, 7 prizes—H. Graham 12, W. McDowall 12, Wayper 11, Wingate 11, D. Chapman 11, T. Loudon 10, Gay 10, Dr. Wilson 10, Osbourne 10, Jones 10, C. On Saturday the Elms and Nationals play off the semi-final in the Lacrosse-Hockey League at the St. George Rink.

At Whitby a third return Hockey League match, played last night between Oshawa and Whitby, again resulted in favor of Whitby by a score of 9 to 3.

At Woodstock last night Ingersoll juniors defeated the local juniors by 5 to 4. At half time the score was 2 to 1 in favor of Woodstock. The ice was in good shape but the game was slow. Ingersoll men were frequently ruled off, but no rough play. Griffith of Woodstock acted as referee. At four minutes from finish an Ingersoll man was ruled off, which they claimed unjust and threw up the game, leaving the score 5 to 4 in their favor.
