GRADUATION

A Very Pleasing Function Held Last Evening When Nurses Were Presented with Diplomas—A Fine Program.

Park street Methodist church was the scene of a very pleasing function last evening when five young nurses who have been in training in the Public General Hospital made their debut into the world of professional nursing.

The church looked very pretty, trimmed with roses and peonies, when the five future sisters of mercy entered, looking very demure and refreshing in their neat uniforms. Chairman Malcolmson spoke of the pleasure it gave him to be the intermediary by whom diplomas were to be granted to give such deserving young ladies, afterwards presenting them with the coveted "chequerskin." Miss Ripin then presented each graduate with a dainty graduating pin on behalf of the Ladies' Assistant Society. The admirers of several of the nurses also seized the occasion to present them with bouquets of roses.

The following musical program was then rendered:

RUNAWAY

Jno. Campbell Driver for Geo. Stacey Butcher had a Lively Time on Thames St. Last Evening.

Geo. Stacey, the King St. butcher, has been having hard luck with his meat delivery wagon lately. Not long ago he had a runaway on Thames St. and now he is up against a far more serious one on Emma St. Mr. Stacey is at present in the position that he wants to dispose of his horse, but he cannot recommend him to any intending purchaser as a tame, quiet beast.

Last evening about nine o'clock John Campbell was driving the rig down Emma street, near the Nurses' Home, when the spirited horse caught sight of a small boy carrying a basket of laundry. The horse made one leap in the air and he was off. Mr. Campbell was thrown out, as also were two small boys, Willie Houle and a little chum, who were in the rig at the time. The rig turned over but this did not stop the horse. He dashed over Miss Henderson's front yard plowing up the earth as he went along, and then attempted to get into Mr. Terry's potato patch. Here he was stopped. Frank, Christian was passing at the time and had compassion on Mr. Terry's potatoes and stopped the excited animal.

The rig was completely smashed and the horse sustained a few injuries. Mr. Campbell and the boys were thoroughly shaken up, but otherwise uninjured.

JUST WHAT EVERYONE SHOULD DO.

Mr. J. T. Barber, of Irwinville, Ga., always keeps a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy at hand ready for use. Attacks of colic, cholera morbus and diarrhoea come on so suddenly that there is no time to hunt a doctor or go to the store for medicine. Mr. Barber says: "I have tried Chamberlain's Colic, Cholera and Diarrhoea Remedy which is one of the best medicines I ever saw. I keep a bottle of it in my room as I have had several attacks of colic and it has proved to be the best medicine I ever used." Sold by All Druggists.
