SATURDAY'S BOXING PROGRAM.

St. Hyacinthe B.B. Player to Clash With Dainty in Main Preliminary.

The Crescent A.C. yesterday completed the program for Saturday night's opening boxing show of the season in the Mutual-street Rink. Besides the main battle of 20 rounds, there will be a curtain-raiser and an 8-round semi-wind-up. John McKenzie and Mm. Sinclair clash for three rounds for the Crescent Club's gold medal, and the longer preliminary will be between Frank Dainty, the Englishman, who outpointed John Jackson last fall, and Harry Tompkins of last season's Hyacinthe B.B.C., who has a victory over Austin, the Ottawa welterweight, to his credit.

Billy Ryan declined to arrive on April Fool's Day, but instead wired that he had started from Syracuse at midnight. Red Mason telegraphed that he would leave Pittsburg with McClelland to-night.

The reserved seat plan opens this morning at Harold A. Wilson's, 35 West King-street.

Terry Was Out Good and Plenty.

A rain of right-handers to the chin, writes Bill Naughton, made the Brooklynite wabble, and another vicious blow of the same kind sent him reeling to the floor. McGovern's timers and his friends shouted that he was robbed, claiming he was not down ten seconds, but to the impartial observer it was evident McGovern was fairly beaten.

When the end came they had just parted from a clinch, in which McGovern had planted two or three hard body blows on the champion. As they broke apart Corbett swung his left to the stomach and dealt Terry a light uppercut which caught him under the chin. Terry dropped his arm and backed slowly into his corner.

"Look, you've got him," shouted Corbett's seconds, and Corbett went at his man like a tiger cat.

Terry reeled across the floor. Corbett followed him and cuffed him repeatedly on the chin with rights. McGovern was too far gone to throw himself into fighting position, and a final right-hander on the point of the chin sent him backward to the floor, his head striking the mat.

The official timekeeper began to toll off the seconds. Terry was up too late. He reeled over toward Bat Masterson, and Paddy Sullivan, who held the watch for McGovern, declared that Terry was on his feet at the count of "ten."

George Harding, official timekeeper, and Roberts, who held the watch for Corbett, declared that McGovern was fairly counted out.

Sam Harris declared that Terry was robbed. Young Corbett rushed across to McGovern half a minute after the decision was rendered and said: "Look, he's out yet." He stood up at the request of Harris to explain his side, and his legs were unsteady. He had to grasp the ropes for support, and when the writer spoke to him he did not seem to understand clearly what was said.

There may have been a mistake of a fraction in the count, but McGovern would not have been able to defend himself in the 60 seconds given to recuperate instead of ten.

Terry was the fresher of the two when he struck trouble in the last round.

Bids for Jeffries-Corbett Bout.

San Francisco, April 1.—The bids for the Jeffries-Corbett fight were opened to-day at Larry Corbett's place. Jeffries was represented by his manager, Billy Delaney, and Corbett by his brother Tom. The first bid opened was that of the Yosemite Club of this city, offering a purse of $20,000, or 70 per cent. of the gross receipts. A cheque of $2000 accompanied the offer.

The second was from San Francisco Club, offering 67½ per cent. of the gross receipts, but no purse.

The third and last offer came from "Paddy" Carroll of Chicago, who offered $30,000 for a fight in Havana in December or $25,000 in Atlanta in June.

Tom Corbett decided to wait until he could consult with his brother, whilst purse should be accepted, and will give his answer May 15.

McCloskey's home is at Homestead, and he states that Buffalo has no claim on his services. Both players are touted as acquisitions.

The Smith, White & Runeiman baseball team have organized for the season, with the following officers: Hon. president, Mr. T. Runciman; president, Mr. R. Smith; secretary, T. W. A meeting of the Inter-association B.B.L. was held in the Central Y.M.C.A. on Tuesday evening, March 31. The secretary's report of last season was read, which was very satisfactory, a balance on the right side being shown. It is regretted that, owing to press of business, Mr. Harry Taylor (whose untiring efforts done much for the benefit of the league last year) has found it necessary to retire from the secretaryship. The election of officers resulted as follows: President, Mr. L. H. Brigden; vice-president, E. H. Lewis; secretary, Norton Crowe. A number of applications have been received for entrance into the league, and will be dealt with at the next meeting, to be held at Central Y.M.C.A. at 8 o'clock on Wednesday evening, April 8, when matters relating to the coming season will be considered.

N.A.L.U. Amendments.

Montreal, April 1.—Word was received in the city to-day from Mr. A. F. Rutter, president of the National Amateur Lacrosse Union, to the effect that no amendments or notices of motion for the consideration of the N.A.L.U. meeting, to be held in Montreal, have been received by him. It seems that there is no time limit for these notices, and they are usually brought up at the meeting; the same might be said of nominations for officers. However, if local runners prove true the coming meeting will be a most interesting one, as certain clubs in this city will have something surprising to say when the proper time arrives.

ASSOCIATION FOOTBALL LEAGUE

Held Annual Meeting—Decided to Remain in Intermediate Ranks.

The Toronto Intermediate Football League held a rousing reorganization meeting in the Central Y.M.C.A. last night. All last year's clubs were represented, with one exception. President F. C. Waghorne, in his opening address, complimented the clubs on the quality of football that was played in the league during the preceding season, and especially mentioned the champion Broadviews for their showing in the final game against the strong Plattsville team for the Ontario championship, which resulted in a draw. Three new clubs (C.P.R. Toronto Junction, City School Teachers and Stanley Barracks) were admitted to membership. The secretary's report showed the past season to have been a very successful one financially.

The proposition to advance the league to senior rank was discussed at length, and the league decided to remain in the intermediate rank. The following officers were elected for the coming season: Hon. president, F. C. Waghorne; hon. vice-president, Dr. W. P. Thompson; president, Dr. H. Buck; vice-president, F. H. Brigden; secretary-treasurer, A. H. Housten. 42½ Anne-street. It was resolved that all protests be decided by a committee outside the league. The meeting was adjourned until Tuesday night, April 7.

CAMBRIDGE WON BOAT RACE.

Oxford Beaten Over Smooth Course by Six Lengths.

London, April 1.—Cambridge won the university boat race to-day by six lengths. Time, 19m. 32½ sec.

It was raining and a light wind was blowing previous to the start. The water was smooth.

Oxford won the toss and chose the Surrey side of the river. But the choice carried little advantage under the prevailing conditions.

Cambridge was first afloat, quickly followed by Oxford. As the crews paddled down to the stake boat, they were heartily cheered.

F. J. Pitman, the hero of the memorable race of 1886, effected a capital start. Cambridge was the quicker away, and the nose of the Cambridge boat promptly showed in front, and remained there throughout the race. Rowing with immense power, the Cambridge men completely outclassed those of Oxford, and increased their lead with every stroke, with the exception of a brief moment at the Crabtree, when Monier-Williams, the Oxford stroke, spurted slightly and decreased the opening between the boats. Nelson, the Cambridge stroke, however, quickly responded, and everything in the nature of a race was over. Oxford made one more effort after passing Thorneycrofts, but Nelson, quickening his stroke, again demonstrated the superior strength of his crew. The Oxonians maintained good form throughout and finished the course gamely, but they were never able to hustle Cambridge in the least.

The procession failed to elicit any enthusiasm from the drenched thousands of spectators.

All the Cambridge crew finished in good condition. Drinkwater and one or two others of the Oxford men were somewhat badly done up.

They Like English Football.

Sporting Editor World: So do I and all sensible people, and I am glad to see that Montreal and Brockville are leading the way. You just go and interview Pussy Darling and some of the boys who have returned from the tour on the Old Sod and see what they say about it. A prominent member of a Toronto team told me only yesterday that the English game is the only one. The Canadian game is rotten and the "snap-back" is neither fish, flesh, fowl or good red herring. You cannot do football more good than by becoming the apostle of this much needed reform. Take it up strong, Mr. World.

Wants $10,000 Damages.

E. A. Forster has issued a writ on behalf of W. J. Kearns of Sault Ste. Marie to recover $10,000 from the Bank of Ottawa, Mr. Kingsmill, their manager at North Bay, and James Palangio. The bank, thru the North Bay manager, arrested Kearns on a warrant, for obtaining $50 from the bank on false pretences. As soon as the case was heard the magistrate dismissed it. Mr. Kearns alleges that the bank and their manager arrested him at the instance of Palangio, who is a well-known railway contractor at North Bay.
