Moffat's
VEGETABLE LIFE PILLS
AND
PHŒNIX BITTERS.

WHO WANTS BETTER EVIDENCE!—I would refer the reading public to the numerous voluntary letters published recently in this paper and in the Good Samaritan relative to the happy and beneficial effects of the administration of MOFFAT'S LIFE PILLS AND PHŒNIX BITTERS!

Those who have perused the letters above referred to will observe that in almost every case they attest the fact, that no inconvenience of any sort attends the taking of these medicines, in ordinary cases, but that the patient, without feeling their operation, is universally left in a stronger and better state of health than was experienced previous to being afflicted with disease; and in all cases of acute suffering, great relief is obtained in a few hours, and a cure is generally effected in two or three days.

In case of Fever of every description, and all bilious affections, it is unneccessary for me to say aught, as I believe the Life Medicines are now universally admitted to be the most speedy and effectual cure extant in all diseases of that class.

The Life Medicines are also a most excellent relief in affections of the liver and Bowels, as has been proved in hundreds of cases where patients have come forward and requested that their experience in taking them might be published for the benefit of others. In their operation in such cases, they restore the tone of the Stomach, strengthen the digestive organs, and invigorate the general functions of the whole body, and thus become to both sexes (for they are perfectly adapted to each) an invaluable means of preventing disease and restoring health.

In affections of the head, whether accompanied with pain and giddiness, or marked by the grievous calamity of impaired mental energy; palpitations of the heart, flatulence, loss of appetite and strength, and the multiplied symptoms of disordered digestion, the Life Medicines will be found to possess the most salutary efficacy.

Constitutions relaxed, weak, or decayed, in men or women, are under the immediate influence of the Life Medicines. Old coughs, asthmas, and consumptive habits are soon relieved and speedily cured. Poverty of blood, and emaciated limbs will ere long meet the happiest change; the child watery fluid will become rich and balsamic, and the limbs be covered with flesh, firm and healthy.

Nervous disorders of every kind, and from whatever cause arising, fly before the effects of the Life Medicines, and all that train of sinkings, anxieties, and tremours which so dreadfully effect the weak, the sedentary, and the delicate, will in a short time be succeeded by cheerfulness, and every presage of health.

For weakness, deficiency of natural strength, and relaxation of the vessels, by too frequent indulgence of the passions, this medicine is a safe, certain, and invaluable remedy.

Those who have long resided in hot climates, and are languid and relaxed in their whole system, may take the Life Medicines with the happiest effects; and persons removing to the Southern States or West Indies cannot store a more important article of health and life.

The following cases are among the most recent cures effected, and gratefully acknowledged by the persons benefitted:

Case of Jacob C. Hunt, New Windsor, Orange County, N. Y.—A dreadful tumor destroyed nearly the whole of his face, nose and jaw. Experienced quick relief from the use of Life Medicines, and in less than three months was entirely cured. [Case reported, with a wood engraving in a new pamphlet now in press.]

Case of Thos. Purcell, sen'r, 84 years of age—was afflicted 18 years with swellings in his legs—was entirely cured by taking 42 pills in 3 weeks.

Case of Joan Daulten, Aberdeen, Ohio—rheumatism five years—is entirely cured—has used the Life Medicines for Worms in children and found them a sovereign remedy.

Case of Adon Ames—cured of a most inveterate and obstinate dyspepsia, and general debility.

Case of Adah Adams—Windsor, Ohio—rheumatism, gravel, liver affections, and general nervous debility, had been confined seven years—was raised from her bed by taking one box of pills and a bottle of bitters; a most extraordinary cure; she is now a very healthy and robust woman; attested by her husband Shubel Adams.

Case of Mrs. Badger, wife of Joseph Badger; nearly similar to above; result the same.

Case of Susan Goodarant, a young unmarried woman; subject to ill health several years; a small course of the Life Medicines entirely restored her; is now hale and healthy.

Case of Miss. Thomas, daughter of Eli Thomas: cough and symptoms of consumption; cured in four weeks. Her sister cured of a severe attack of inflammatory rheumatism *in one week!*

Case of S. Colvin; cured of a severe attack of scarlet fever in a few days by the Life Medicines.

Case of Benjamin J. Tucker; severe case of Fever and Ague; cured in a very short space of time. Directions followed strictly.

Case of Harriet Twogood, Salina, N. Y. was in very low state of health a year and a half; did not expect to recover. Miss T. is now able to walk about and is rapidly recovering both health and strength.

Case of Amos Davis; Affection of the Liver; after trying docter's remedies in vain for a long time was cured by the Life Medicines without trouble.

Extraordinary case of Lyman Pratt, who was afflicted with Phthisic 20 years; effected a perfect cure in 24 hours by the use of the Life Medicines.

Thousands of persons afflicted in like manner have, by a judicious use of Moffats Life Pills and Phenix Bitters, been restored to the enjoyment of all the comforts of life. The Bitters are pleasent to to the taste and smell, gently astringe the fibres of the stomach, and give that proper tensity which a good digestion requires as nothing can be better adapted to help and nourish the constitution, so there is nothing more generally acknowledged to be peculiarly efficacious in all inward wastings, loss of appetite, indigestion, depression of spirits, trembling or shaking of the hands and limbs, obstinate coughs shortness of breath, or consumptive habits.

The Life Medicines possess wonderful efficacy in all nervous disorders, fits, headaches, weaknesses heaviness and lowness of spirits, dimness of sight confused thoughts, wandering of the mind, vapours and melancholy, and all kinds of hysteric complaints are gradually removed by their use. In sickness of the stomach, flatulencies, or obstructions, they are safe and powerful, and as a purifier of the blood they have not their equal in the world.

For additional particulars of the above medicines see Moffatt's "Good Samaritan," a copy of which accompanies the medicine; a copy can always be obtained of the different Agents who have the medicine for sale.

French, Germain, and Spanish directions can be obtained on application at the office, 375 Broadway.

All post paid letters will receive immediate attention.

Prepared and sold by William. B. Moffat, 375 Broadway, New York. A liberal deduction made to those who purchase to sell again.

PILES, HAEMORRHOIDS.
NO CURE NO PAY!!
HAY'S LINIMENT.

NO FICTION.—This extraordinary chemical composition, the result of science and the invention of a celebrated medical man, the introduction of which to the public was invented with the solemnity of a death-bed bequest, has since gained a reputation unparalleled, fully sustaining the correctness of the lamented Dr. Gridley's last confession, that "he dared not die without giving to posterity the benefit of his knowledge on this subject," and he therefore bequeathed to his friend and attendant, Solomon Hays, the secret of his discovery.

It is now used in the principal hospitals, and the private practice in our country, first and most certainly for the cure of the *Piles*, and also so extensively and effectually as to baffle credulity, unless where its effects are witnessed. *Externally* in the following complaints:

For Dropsy—Creating extraordinary absorption at once.

All Swellings—Reducing them in a few hours.

Rheumatism—Acute or Chronic, giving quick ease.

Sore Throat—By cancers, ulcers or colds.

Croup, and Whooping Cough—Externally, and over the chest.

All Bruises, Sprains and Burns—Curing in a few hours.

Sores and Ulsers—Whether fresh or long standing, and fever sores.

Its operations upon adults and children in reducing rheumatic swellings, and loosening coughs and tightness of the chest by relaxation of the parts, has been surprising beyond conception.—The common remark of those who have used it in the *Piles*, is "I acts like a charm."

THE PILES.—The price is refunded to any person who will use a bottle of Hay's Liniment for the Piles, and return the empty bottle without being cured.—These are the positive orders of the proprietor to the Agents, and out of many thousands sold, not one has been unsuccessful.

We might insert certificates to any length, but prefer that those who sell the article, should exhibit the original to purchasers.

CAUTION.—None can be genuine without a splendid engraved wrapper, on which is my name, and also *that of the Agents.*

SOLOMON HAYS.

Headache, Sick or Nervous.

The extraordinary reputation that Dr. Spohn's remedy for this distressing complaint is every day gaining is certainly a matter of much astonishment. That so much suffering should have expisted for ages without any discovery of an effectua preventive, or cure, is truly a subject of much regret, but Dr. S. now assures the public that such a remedy has been invented as will convince the most credulous.—The principles upon which it acts are simple and plain. It is an admitted fact that this complaint, whether called Sick Headache, or Nervous Headache, arises primarily from the stomach—those who think they have the Nervous Headache may rest assured that this organ, the stomach, is the first cause, that the system has become vitiated or debilitated, through the stomach, and that only throught the same channel must they expect a restoration of the nature and healthy functions of the system. This object Dr. Spohn's remedy is eminently calculated to attain. The truth of this position cannot be controverted, and the sooner sufferers with the headache become convinced of it, the sooner will their sufferings end in restoration of health.—Dr. Spohn pledges his professional reputation on this fact.

BALDNESS.
A BEAUTIFUL HEAD OF HAIR,

Is the grandest ornament belonging to the human frame. How strangely the loss of it changes the countenance, and prematurely brings on the appearance of old age, which causes many to recoil at being uncovered, and sometimes even shun society to avoid the jests and sneers of their acquaintance; the remainder of their lives is consequently spent in retirement. In short, not even the loss of property fills the generous thinking youth with that heavy sinking gloom as does the loss of his hair. To avert all these unpleasant circumstances, OLDRIDGE'S BALM OF COLUMBIA stops the hair from falling off on the first application, and a few bottles restores it again. It likewise produces eyebrows and whiskers; prevents the hair from turning gray, makes it curl beautifully, and frees it from scurf. Numerous certificates of the first respectability in support of the virtues of Oldridge's Balm are shown by the proprietors.

DR. SCUDDER'S
GENUINE ACOUSTIC OIL.
For Deafness.

THIS never-failing remedy has been used many years with distinguished success, at the Eye and Ear Infirmary of Dr. Scudder, and confidently recommended as an extraordinary and wonderful remedy for either partial or complete deafness in all its stages.

By the timely use of this pungent Oil, many who have been completely deaf have been restored to perfect hearing after using from three to ten flasks. This may appear strange, but it is nevertheless true. The Acoustic Oil is not presented to the public as a nostrum, but as the prescription of one who has turned his attention exclusively to the Eye and Ear, and who pledges his professional reputation upon the success of this remedy.

Dr. Scudder has numerous certificates, but hesitates to publish them, as he considers them unnecessary to so truly valuable an article as the Acoustic Oil. Its immense sale is the fairest proof of the estimation in which it is held. It is presented as a public blessing, enabling the aged parent to mingle in conversation with his children, and to reply to their numerous questions with a facility from which he had previously been debarred by a distressing partial or complete deafness.

German Vegetable Horse Powder,

Composed of herbs and roots principally, and has been found by long experience to be highly useful for the cure of the various diseases to which horses and cattle are subject, viz. distemper, hidebound, drowsiness, loss of appetite, inward strains, yellow water, inflamation of the eyes, fatigue from hard exercise, &c. It carries off all gross humours, prevents horses from becoming stiff or foundering, purifies and cools the blood, &c.

Rev. Dr. Bartholomew's Pink Expectorant Syrup.

An agreeable cordial, and effective Remedy for Coughs, Hoarseness, Colds, Pains in the Breast, Influenza, Hard Breathing, and Difficult Expectoration.

Dr. Shubael Hewes'
Celebrated Rheumatic, Nerve, And Bone Liniment,

Applied morning and night, has cured hundreds. It gives relief in the swelling or the glands of the throat, and relieves the numbness and contractions of the limbs and will take swellings down, and inflammations out of the flesh, rheumatism, bruises and sprains.—It gives immediate relief; it strengthens weak limbs, and extends the cords when contracted.—A few drops on sheep's wool applied to the ear of deaf persons, will, by constant application, cause them to hear in two month's time.

West's Patent Chlorine Cosmetic and Pills, for the cure of the most inveterate Ring Worms, Salt Rheum, and all eruptions and disorders of the skin.

Eustace and Temple's invaluable Gonorrhea Mixture, for the cure of the most obstinate chronic and common cases of Gonorrhea in five days.
